

The Problem of Life.

God has intended everything which He has made to be of some use. If we admit that He created all things, we must also admit that He created them for some purpose.

What True Merit Will Do.

The unprecedented sale of Boschee's German Syrup within a few years has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds and the severest Lung troubles.

The answer of Great Britain to the threats made by the French journals as to what would happen if Egypt was not abandoned, is to proclaim a protectorate for an indefinite period over that country.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites

Is prepared in a perfectly agreeable form, at the same time increasing the remedial potency of both of these specifics. It is acknowledged by leading physicians to be marvellous in its curative powers in consumption, Scrofula, chronic coughs and wasting diseases.

In Toronto a journalistic sensation has been caused by the appeal of Rev. Wm. Inglis, of the Globe editorial staff, to the Toronto Presbytery for redress against a writer in the Presbyterian Review, who stated that newspaper writers are men who "get their bread and butter by lying."

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain; and the little shrub awakes as "bright as a button."

Superintendent Griesback, in command of the Northwest mounted police at Edmonton, has succeeded in capturing Lone Man, who is supposed to have been implicated in the massacre at Frog Lake last year.

Prof. Saunders has received a letter from London stating that the Canadian fruit display at the Exhibition is the wonder and admiration of the visitors, and that the Fruit Committee of the Royal Horticultural Society has held a special meeting to discuss our fruits.

The North German Gazette, commenting on M. Laboulaye's appointment as French ambassador at St. Petersburg, draws attention to his "outspoken and incarnate hatred of Germany."

China will send a high personage to Rome in December to present to the Pope the respects of the Emperor and of the Imperial family, and to notify him that the Emperor has attained his majority.

The Canadian Pacific authorities have made a shipment of choice cattle to Liverpool from Winnipeg as an experiment towards opening up trade in that direction.

Heavy storms have prevailed throughout Scotland, in Edinburgh the gable of a new building was overturned, and three workmen killed and 20 injured.

Three patients who were dismissed as cured from M. Pasteur's Institute, have since died of hydrophobia.

A death from what was undoubtedly Asiatic cholera was reported by Vancouver.
