

**The silent victim. This jeep is ticketed in a reserved spot, which is clearly marked "Tow Away Zone." One of these days your lazy fat ass will get towed.**

**It should be noted that this car is obnoxiously yellow. It matches the yellow "X" which clearly denotes "No Parking," which means you can't park there.**

**Lines are now clearly visible, and parking on the road forces people onto the muddy shoulder. More tickets are being given, and tow trucks are warming up.**

# **Holy Crap! Does Anybody Know How to Park Anymore?**

**Part 5 of 7**

**by Thomas LLOYD**

**Bad parkers, beware! If you have any outstanding tickets, your ass will get towed! Much to my delight, because all I dream of is tow trucks and asphalt.**

**As the snow disappears parking lots now extend over the new found grass. Please do as this car does.**

**Six people are illegally parked here, which seems to happen every day, and it's becoming annoying.**
