SECURITY NEEDS HELP

Recently several cars have had their tires slashed on UPEI's perimeter parking lots.

The Security Department is appealing to the student body to assist Security in the apprehension of those responsible. Anyone with information should pass it on to Security; there is absolutely no need to identify yourself.

Security Director, A.J. MacLeod, said that he would like to stress that it is not necessarily students who are responsible since similar incidents have occurred in other areas of Charlottetown.

Several of the cars vandalized are owned by students. Security is really asking for "Students to help students". To get in touch with Security you can either drop in to the Physical Plant Building or phone 4-4609 or 2-4121, Ext. 191 or 320.

There will be a general meeting of the Student Union on Wed., Oct. 20 at 12:30 in the Student Lounge of the Library.

There will be a Student Council Meeting on Sunday, October 17, at 7:30 at the Barn.
