

**Canada Plans
To Acquire
3 New Subs**

EDMONTON (CP) — Canada is going to acquire three "up-to-date, modern" submarines to replace three now on loan from the Royal Navy, Defence Minister Harkness said here.

The minister told a press conference the submarines would be bought in the United Kingdom, but did not say when they would be acquired.

Mr. Harkness said it was "much more economical" to buy them in the United Kingdom than in Canada.

Asked why Canada should buy submarines in the United Kingdom while subsidizing the shipbuilding industry in this country, the minister said the question of time also is involved.

He said it is not planned to get another aircraft carrier for the Royal Canadian Navy, which already has one.

The controlling shareholder of Anglo American Exploration, Seale Oil Ltd., has agreed to accept the offer, said Mr. Nickle.

**Bank Of Montreal
President Named
To Head CIAA**

MONTREAL — G. Arnold Hart, president of the Bank of Montreal and chairman of the Bank of London and Montreal, was elected president of the Canadian Inter-American Association at the group's annual meeting here today. Mr. Hart succeeds A. C. Ashforth in the post.

The CIAA was formed in 1945 to promote and develop cultural, economic, educational and social relationships between Canada and other nations of the Western Hemisphere. Membership consists largely of Canadian corporations and individuals with Latin American connections and interests, plus Latin Americans resident in Canada, including diplomatic and consular representatives.

Mr. Hart's association with the group is particularly close in view of his chairmanship of the Bank of London and Montreal, which now has 26 offices in ten Caribbean and South American countries. BOLAM is owned jointly by the Bank of Montreal and the Bank of London and South America.

**Gasoline Prices
Increase In Ont.**

PETERBOROUGH, Ont. (CP) — Four of five oil companies operating in the Peterborough district have raised the price of gas to the retailer.

While Imperial Esso stood fast on prices, British American, Texaco, White Horse and Sunoco lifted prices as high as 1.5 cents a gallon.

Most gasoline stations have accordingly raised the gallon rate to comply with their added cost, but one Sunoco station operator has protested to the company and said he will not pay the new rate for the latest shipment of gasoline poured into his tanks.
