BOND MARKET

TORONTO: CP—Prices were generally unchanged in quiet trading on the Canadian bond market this week.

The 91- and 182-day treasury bills reversed the recent trend upwards and closed at 3 1/8 per cent and 3 3/8 per cent compared with 3 3/8 per cent and 3 3/8 per cent last week.

The long- and short-term Canada markets were quiet and prices unchanged. The five per cent, 1971 issue, was quoted at 100 1/4 bid and 100 1/4 asked.

The provincial market was also quiet and unchanged. The Ontario 5 1/2 per cent 1965 issue was quoted at 99 1/2 bid and 99 1/2 asked, the Alberta government telephone 5 1/2 per cent 1965 at 99 1/2 bid and 99 1/2 asked and the Nova Scotia 5 1/2 per cent 1965 at 99 1/2 bid and 99 1/2 asked.

Day-to-day money increased to \$222,000,000 from \$174,000,000 the previous week but remained unchanged at 3 1/8 per cent.

The corporate market was quiet with the New Traders Finance 6 per cent June 1, 1965, issue closing at 100 1/4 bid and 100 1/4 asked.

NEW YORK

NEW YORK: AP—The latest stock market rally peaked early Friday after two solid days of advance. Prices ended mixed.

Du Pont, however, made another big gain, rising 6 1/4 to 36 1/4. This was enough to overcome losses in some component stocks and push the Dow Jones industrial average to another high of 899.62 with a gain of 75.

Du Pont made a high for the year and its advance was on top of a rise of 5 1/4 in the previous session. The stock was in renewed demand because directors meet Monday and there is hope, once again, that they will propose a stock split. Du Pont has also been spurred by reports of its big growth since it disposed of its General Motors holdings.

The rise in the Dow industrials was not an accurate reflection of the market, however. Of 1,378 issues traded on the New York Stock Exchange, 572 declined and 543 advanced.

The Associated Press average

rose 1 1/4 to 100.00.

The Dow Jones industrial average rose 75 to 899.62.

The S&P 500 index rose 10.15 to 48.15.
