**ANNOUNCEMENT**  
I take pleasure in announcing that I have taken over the Business Premises of the late A. S. Hicks at Mt. Albion. Having been a shipper of Farm Produce and a dealer in meat for many years, I know something of the requirements of the Farmers. A complete stock of Groceries and Fresh Meats under proper refrigeration will be carried. Your patronage will be greatly appreciated.

**JOHN DEERE SIDE-DELIVERY RAKES  
OFFER YOU  
Every Feature for Leaf-Saving Performance**

John Deere Side-Delivery Rakes handle the crop gently... form airy, leaves-inside-stems-outside windrows that cure uniformly, to save more leaves from every hay crop. They're modern tractor rakes that match the capacity requirements of today's faster farming without sacrificing hay quality.

This outstanding leaf-saving performance is due to a combination of four field-proved John Deere features—floating cylinder, curved teeth, inclined frame, and ground drive.

Clean-raking performance and strong construction broaden the usefulness of John Deere Side-Delivery Rakes... make them time-work- and money-savers on a wide variety of jobs.

**WHAT YOU SHOULD KNOW ABOUT  
Potato Blight Control**

First, and most important, there is only one organic fungicide—DITHANE which has passed the test of actual use in the fields of the St. John River Valley. For three years—even during the blight year of 1950 — DITHANE has given top protection from early and late blight to Valley potatoes. "From Charlottetown to Summerside — the whole Island over" — successful growers depend on DITHANE for effective blight control.

**HERE ARE JUST A FEW REASONS WHY:**

- DITHANE protected fields stay free of blight all season long, vines are kept green and vigorous. DITHANE stops the spread of blight in already infected fields.
- DITHANE is gentle on foliage — unlike Bordeaux mixtures DITHANE does not stunt vines or burn leaves. DITHANE is safe on equipment—no corrosion or clogging problems to delay you.
- A DITHANE spraying or dusting program helps you harvest a better crop—more number 1's. Your potatoes will keep better in storage.
- DITHANE is manufactured only by ROHM & HAAS COMPANY — a firm with years of experience in the protection and development of organic fungicides.
- Ask your dealer for DITHANE — through the years proved best by growers test.

DITHANE is a trademark, Reg. Canada and U. S. Pat. Off. and in principal foreign countries.
