Elite Potato Seed Farm Scheduled For Opening

JFK Has Huge Plan For Jobs

Agriculture Minister Outlines Proposals

WASHINGTON (AP) — President Kennedy proposed Monday a start on a \$600,000,000 public works program to pump job-making projects into nearly 1,000 American communities still suffering from heavy unemployment.

Development of the project will be carried out with the co-operation of the science service people at the Experimental Farm, said the minister who explained that the production of potato production which will produce Elite No. 1 seed that will be used on the farm. The Elite Farm idea, apparently, is patterned on a similar operation in Maine where the production of Elite No. 1 seed is protected by a high fence and no unauthorized person is allowed to enter it.

The production of the special "Elite Potato Seed Farm" that will furnish top quality seed in five years to plant the entire Prince Edward Island acreage, was announced in the Legislature last night by Agriculture Minister Andrew MacRae. It will be owned and operated under the supervision of the Provincial Potato Marketing Board, it was explained.

Foundation seed would come Certified grade.
The production of the special farm would be watched most carefully by the federal seed potato inspectors, the minister explained.
"The amount of \$5,000,000 is provided in the estimates for disease control measures," minister emphasized "we have a problem here and we have to face up to it."
