Senior Camp Council CGIT To Be Held Here

The semi-annual sessions of the Girl's Work Board of the Maritime Religious Education Council were held in Moncton on April 22 and 23. The first session on Friday evening was in the First Baptist Parsonage and on Saturday the meetings were held in the Wesley United Memorial Church Hall.

Mrs. J. R. Snodgress, Fredericton chairman of the board, presided over its sessions. Other executive members present were Miss Marguerite Brehaut, Charlottetown; Miss Phyllis Blakeley, Halifax; Mrs. L. J. Levy, Moncton. Members present from various parts of the Maritimes were: Mrs. Campbell, Sydney; Mrs. C. R. F. MacLennan, New Glasgow; Mrs. A. N. MacGowan, Hampton, N.B.; Miss Josephine McLellan, Fredericton; Miss Alta Prowse, Charlottetown; Miss Margaret Quigley, Truro; Mrs. R. A. Colpitts, Bridgetown. Miss Jean Windsor, Girls Work Secretary of the M.R.E.C. and Mrs. Dora Sabean, Acting General Secretary of the M.R.E.C., were also present.

Optimism for the future was expressed in the report of the M.R.E.C. Council which revealed an improved financial condition due to increased support from the co-operating church constituency. The efficiency of the M.R.E.C. in meeting the needs of the Maritimes churches is of course proportional to the financial support received. The President of the Board, Mrs. Snodgrass, stressed this relationship of the churches to the whole work of the M.R.E.C.

The report of the Girls' Work Secretary, Miss Jean Windsor, revealed encouraging development in C.G.I.T. work, with a registration of 512 groups and a total membership of 5,638, an increase of 400 members since 1954. C.G.I.T. rallies, conferences and leaders groups had been held during the winter.

The board considered plans for the 1955 camping season. The dates of 12 girls' camps were announced including: Augustine Cove, July 4 to 14.

The fifth Martime C. G. I. T. Camp Council for Senior Girls is to be held at Augustine Cove, P.E.I., July 20 to August 11. Miss Jean Windsor is the director.

Under the supervision of Mrs. R. G. Merrill the Board has sponsored a leadership training correspondence course for C.G.I.T. Eleven persons have taken this course during the winter months with gratifying results.

Miss Phyllis Blakeley, treasurer, reported that C.G.I.T. groups had reached their highest contributions to the support of the M.R.E.C. in 1954. Over $4,000 had been received from the groups.

Other matters considered by the Board were National Camp for 1956, Chevron requirements for C.G.I.T. mothercraft scholarships, program for Leaders Council.

Great appreciation was expressed to the Moncton area for their hospitality and arrangements provided for the Board.

Musical Festival Prevue At Montague Last Night

..*A very delightful and entertaining program was presented at the Montague High School auditorium last evening by the entrants from the area in the Provincial Musical Festival. The prevue, sponsored by the Home and School Association, was under the direction of Mr. and Mrs. Raoul Reymond, who have spent many hours in a most worthy and satisfying way, that of teaching the appreciation of singing and music to the children. Their long hours and diligence bore fruit last evening in a program pleasing to all who have a love of music for its own sake.

A highlight of the evening also was the graceful ballet dancing of the young girls of Mrs. Beth McGowan's School of Dancing. Poise, grace and rhythm, necessary to all, but particularly so to the danseuse, is being carefully taught and demonstrated by Mrs. McGowan, herself a Dominion-wide champion dancer. The young ladies were tastefully and artfully costumed in ballet gowns which enhanced greatly the pleasing stage scene.

Heard also was Mr. Robert Murray in violin and tenor solos, both of which were well received by the appreciative audience. Mr. Murray, a contestant last year, gave an excellent performance at that time, and it is with certitude that a similar performance will be presented this year.

Mr. Reymond favored the audience with two special numbers, "Mah Curly Headed Baby" and "Without A Song."

It would be impossible to single out any one or two of the school children for special mention who were on the stage last evening, since each one did his or her part well and to the best possible. That they were able to do so well is due in large measure to Mr. and Mrs. Reymond, whose work for the past years in the Montague school has brought a sincere appreciation of music to the little ones, and a re-awakening of long forgotten and perhaps buried musical chords in the hearts of oldsters. Mr. Reymond directed the choruses while Mrs. Reymond was piano accompanist. Pianist during the ballet presentation was Mrs. D. M. MacDonald. The chairman, Mr. Ralph Beck, president of the Home and School Association, introduced Mr. and Mrs. Reymond, and little Miss Jeanne Ings presented Mrs. Reymond with a lovely corsage on behalf of the children of the school.
