

EDUCATION SOCIETY

Welcome back, gang! It was good to get a break for a while. Hope everyone had a good holiday!

There's not much news to report since the last issue of the SUN. I hope everyone enjoyed the Christmas tree and parties that were held in December.

The Friday afternoon Pub we held before Christmas went well. Glad to see that most of the professors showed up. Rumor has it that Sister Murtagh tried to sneak a glass of wine out of the barn. (She said she was taking it back to Betty.) The party that evening had to be the best one we held all year. The Ed. Society Exec. would like to thank everyone for taking food and we would also like to thank Maurice and Peggi for the evening's entertainment.

The possibility of increasing the one year B. Ed. program to 10

months was discussed at the last faculty meeting of the first semester. A general meeting will be held sometime in the future to discuss this issue with all of the one year B.Ed. students. Watch future Ed. Soc. columns for more info!!

Most of the Society fees have been collected. If you have not paid your \$3.00 yet, then please do so as soon as possible.

A cross-country ski trip is planned for this Thursday. It will probably be over by the time this paper is printed. Hope everyone has a good time.

If you have any plans or ideas which you would like the Society to be doing, contact either Rosemary or myself. We are planning a party for the near future. Check the Bulletin Board in the Lounge for time and location.

Winter Carnival is only

a couple of weeks away. The Education Society will be in a number of events, such as the Campus Cabaret, basketball, volley ball and hockey tournaments, tug-of-war, chugging and so on.

Almost forgot to mention. The Education Class is proud once again that they are THE class on campus.

They won BOTH the hockey and basketball tournaments at Christmas. This should put an end to the grovelling coming from Kelley building by some of the less organized or interested people on campus.

That's all for now, folks. Have a good time skiing and watch for the notices concerning the upcoming parties.
