

Russ Jackson Is Rider Hero

MONTREAL (CP) — The jubilant Ottawa Rough Riders piled into their downtown hotel Wednesday night, a spirited crew with glowing acclaim for a rookie Canadian quarterback who steered them to the Big Four football league final.

McMaster University and a Hamilton native, he told The Canadian Press that coach Frank Clair of the Riders called the three plays for him during the game.

Russ Jackson, a blond-haired, 22-year-old with a jutting jaw, accepted the shouts of congratulations and backslaps from his teammates with a happy grin and a murmur of thanks.

"And one of them was a pass play that Montreal broke up with an interception," chimed in a teammate laughing.

Ottawa, still clad in mud-smeared uniforms, rode to the hotel from McGill Stadium in a chartered bus after downing Montreal Alouettes 26-12 in a sudden-death semi-final.

"It turned out just the way we expected, so far as play patterns were concerned," he said. "Smithy did a real great job."

Packers Win Again 5-2

STOCKHOLM (AP) — Kelowna Packers Wednesday night won their second straight exhibition hockey game by a score of 5-2, sweeping easily over a Swedish all-star team.

The Packers led 3-2 at the end of the first period, added two more goals in the second and coasted through the third with a tight defensive display.

All three games have been won with a 5-2 score. The Swedes took the first game Sunday, and the Packers avenged the loss Tuesday night.

Mike Durban led the Canadian scorers with two goals, his team's first and fourth. Clare Wakshinski, Greg Jablonski and Tom Stecyk completed Canada's scoring.

Riders Win Semi-Final; Trounce Alouettes 26-12

MONTREAL (CP) — Russ Jackson, 22-year-old Canadian quarterback making his debut in professional football this season, confidently piloted Ottawa Rough Riders to a smashing 26-12 win over Montreal Alouettes Wednesday in the Big Four league's sudden-death semi-final.

It was there that the game was won. The young quarterback who came up from McMaster University in Hamilton ripped through for two touchdowns himself and sent Don Pinhey scooting across for another.

Mac Yoho booted field goals from 16 and 31 yards and also contributed a convert. Gary Nesbitt lofted a long punt that went for a conceded rouge.

The Alouettes trailed all the way, at one time in the second quarter by 18-0. They pulled to a 18-6 margin on Pat Abbrizzi's touchdown before half-time and struck for another in the fourth quarter before Jackson coolly took charge again and raced over for the squelcher.

Jackson's handling of the Riders was a brilliant exhibition of clear thinking and cool strategy against a team that had been favored to win by nine points.

The Riders ran up an amazing 326 yards gained along the ground, against only 72 by Alouettes.

As expected, Etcheverry frequently went to the air. With Als always trailing and Montreal ground plays getting nowhere with any consistency, the passing became more and more desperate with Etcheverry trying to pull them in front.

Etcheverry tried 27 passes, Bobby Judd, Dave Theles and Don Pinhey were the men Jackson sent most often knifing through and around the Alouette line. There seemed little the Als could do, except stall the drive now and then and try to strike back.

Given magnificent support by a hard-charging line and slashing, driving runs by his backfielders, Jackson quickly sensed that Ottawa's route to victory lay along the ground.

Defenceman Tom Johnson, centre Jean Beliveau, right-winger Bernie Geoffrion and centre Phil Goyette for the Habs. It was Goyette's first goal of the 1958-59 campaign.

Centre Billy Harris accounted for the Leaf goal, jabbing the puck under Montreal goaltender Jacques Plante during a goal-mouth scramble at 10:39 of the middle period.

Defence great after that he wasn't worried, particularly after his team had bourn-d into a lead and had shown him they were at their best defensively.

Ballymoss Is Scratched Up

LAUREL, Md. (AP) — Ballymoss was roughly up physically as well as suffering a blow to his prestige in Tuesday's International horse race.

"He suffered some small scratches when he hit the bushes at the clubhouse turn," reported trainer Vincent O'Brien Wednesday. "It's not serious."

Cards Shut Out Japan All-Stars

SEIZUOKA, Japan (AP) — Ernie Broglio, a righthander acquired by St. Louis from San Francisco just before the Cards started their Japanese tour, shapes up as a man who can help manager Solly Hemus's pitching staff.

Broglio, who played for Toronto Maple Leafs of the International League last season, teamed up with Sad Sam Jones to shut out the Japan All-Stars Wednesday.

Haps Recapture Top Spot, Down Maple Leafs 4-1

TORONTO (CP) — Montreal Canadiens banged back into first place in the National Hockey League race Wednesday night with a 4-1 victory over Toronto Maple Leafs.

The Montrealers, who had dropped their last two games and allowed Boston Bruins to slip into the league leadership, had all their old fitness against Leafs as they scored two goals in the first period and two more in the second.

Penalties: Horton 10:23, Moore 18:19. Second period: 3. Montreal, Goyette (Promovost) 7:10; 4. Toronto, Harris (Duff, Aldcorn) 10:39; 5. Montreal, Geoffrion (Johnson) 16:13. Penalties: Harvey 11:35, Horton 16:02.

Third period No scoring. Penalties: Brewer 2:33, Provost 14:45. Stops: Plante 8 8 5-21 Chadwick 8 5 10-23

Eskies To Miss Pfeifer In Opener With Bombers

EDMONTON (CP) — Edmonton Eskimos came through the Western football semi-final with comparative ease, but they won't be at full strength when they meet Winnipeg Blue Bombers here Saturday in the opening game of the final.

Halfback Ralph Pfeifer will be missing, having left Edmonton suddenly Tuesday night after receiving word that his father had been killed in an auto accident in Kansas.

The fleet backfielder, who came here in mid-season from New York Giants of the National Football League, may join the club in Winnipeg in time for the second game of the best-of-three final.

SPORTS FRONT

FOOTBALL FANS throughout the Maritimes will be pulling for a St. F.X. victory when they clash with Lakeshore Alouettes Saturday in the Eastern Canada intermediate final in Montreal.

After Shearwater's terrific showing last year, the Xaverians will have to be considered tough customers. The Antigonish university has assembled its greatest team in history and they should be even stronger than the Flyers were in 1957.

Second game is scheduled Wednesday night and the third, if necessary, the following Saturday afternoon. The first game opens here at 2 p.m. MST (5 p.m. AST) Saturday.

THE MARITIME CROWN came ridiculously easy to the new champions on Tuesday. They swamped the New Brunswick representatives Saint John Wanderers 7-0 in a rain and snow storm in Antigonish.

Wanderers could hardly be blamed for their poor showing. Nobody we talked to had expected them to do any better than they did. Some football followers predicted that the Xaverians would win by at least 100 points. And chances are they would have, if the day had been a little more favorable for football.

Coach Bud Grant of Winnipeg says he expects Eskimos to throw a fresh and healthy club against the Bombers.

WE ARE NOT suggesting for a moment that U.N.B. would have wiped the field with them. The Fredericton scholars were a mighty formidable outfit and they would have given St. F.X. a much more satisfactory argument than did the punchless Wanderers.

After all, Saint John beat nobody in the New Brunswick league all season except the Moncton Hubs and you have some idea of the Monctonians' strength when you recall that Mount Allison overwhelmed them something like 78-0.

"It wasn't what you'd call a real bruising semi-final such as we had against Calgary last year," he said.

IT'S TOO BAD indeed that this farce of Tuesday had to happen. But now that it has occurred, officials should take steps to prevent any recurrence in future years. After successful seasons in both the Nova Scotia and New Brunswick leagues, what happened Tuesday has no business happening.

Now is the time to start making certain that such nonsense is not repeated in 1959. Tuesday was once too often.

Coach Bud Grant of Winnipeg says he expects Eskimos to throw a fresh and healthy club against the Bombers.

THE WORLD FAMOUS House of David basketball team—beards and all—are coming to Prince Edward Island next week and will perform at Summerside air station and Saint Dunstan's University gym.

Friday night, November 21, these great performers will play R.C.A.F. Sultans and on Saturday they will be hosts of the S.D.U. boys.

These visiting players have a great reputation and folks are certain to enjoy every minute of the action against Sultans and the Saints.

THE VISITORS' ability is not only in making baskets, passing and fancy ball handling. In addition, they keep the fans in a real uproar with their side-splitting antics. Their hidden-ball trick is one of their best acts. They all get in a huddle and the basketball disappears from sight.

After their Ottawa appearance, one of the capital city's sport scribes had this comment: "It was basketball, but the mighty Barnum would have been interested. With whiskers at the alert and a new trick at every dribble, the touring House of David quieted nightmared the University of Ottawa before a standing-room-crowd. Bobby Roth's passing and juggling act with a basketball had to be seen for confirmation."

ANTIGONISH, N.S. (CP) — The Maritime champion St. Francis Xavier football team will leave here by bus today for Montreal where they meet Lakeshore Alouettes Saturday for the eastern Canada intermediate title.

SO BASKETBALL FANS there you have it. This is probably the greatest treat to come our way in years. Folks in the vicinity of Summerside can see these great performers on Friday night of next week and those people nearest to the capital city can witness the fun the following night.

THE ISLAND HOCKEY picture is still very much blurred. There is no progress to report from when we last gave out with the information that three teams were anxiously awaiting a fourth to join them in the formation of an Island hockey league. Summerside, Saint Dunstan's and one Charlottetown entry are all set, but three teams are not enough to go ahead with a loop.

That is all an annual subscription to the "Weekly Scotsman" would cost you, and for it you would receive a wealth of lively information of particular interest to overseas Scots.

HOWEVER, although no action has taken place as yet, those who want the Island circuit are still optimistic about it coming into existence. We really think that it will too.

We understand that a meeting of about a dozen interested persons will take place this week in Charlottetown and from that meeting something definite in the way of 1958-59 hockey plans should be forthcoming.

THE news of the week as it affects Scotland, beautifully reproduced picture features, reviews of the Arts, eminently readable articles and women's page, make the

Says Griffith: "Our club isn't interested in hiring Bill Veck. He was a genius in Cleveland but a flop in Saint Louis. With the Browns, Veck spent \$2.50 to make \$2. That doesn't make sense."

Promoter Quinn Warned To Comply With Regulations

MONTREAL (CP) — The Montreal Athletic Commission has warned promoter Eddie Quinn that if he doesn't comply with "certain regulations concerning boxing matches" in Montreal his permit for the Durelle - Moore fight Dec. 10 may be refused.

The warning was declared Wednesday when the commission released the text of two letters sent to Quinn, who heads Canadian Athletic Promotions arranging the light-heavyweight fight.

The world title bout matches British Empire champion Yvon Durelle of Baie Ste. Anne, N.B., and Archie Moore, world light-heavyweight title holder.

Quinn was out of Montreal Wednesday, and was not available for comment. But Louis DeZwinc, vice - president of the promoting outfit, said that in his view his group has "complied with all the rules set down by the commission."

He said that he disagrees on certain points with the commission. However, these are being investigated and a ruling is awaited on points of law.

Leopold Pigeon, commission chairman, said in one letter that Nov. 20 is the deadline for Quinn to send in copies of contracts with boxers, television agreements, a \$10,000 deposit to guarantee the boxers' purses, five per cent of the "total gross consideration of the television rights."
