—CARD PARTY—A very enjoyable evening was spent at home of Mr. and Mrs. Plus Croken when their neighbors and friends gathered together for a card game. There were nine tables in play. The ladies' prize was won by Mrs. Alfred Curley, gents by Thomas Hammill and the consolation by Mrs. Maurice Croken. A nice lunch was served by the hostess assisted by Mrs. C. W. Croken and Mrs. Wilfred Smith.

—MEETINGS PLANNED — Two weeks of "old fashioned" evangelistic meetings are planned for the first two weeks of December in the Church of Christ at Summerside. Evangelist Edward P. Benoit, a graduate of Alberta Bible College, will be the special speaker at all of these meetings. Before his recent appointment to evangelistic work among Canadian Churches of Christ, Mr. Benoit completed a ten-year ministry with his church in Yellow Grass, Saskatchewan. Mr. Benoit has been holding meetings in Charlottetown for the past two weeks and very large attendances have been reported. Evangelist William O. West, a Welsh tenor soloist and an outstanding trumpeter, will be in charge of the music each night during the evangelistic meetings. — S.

Y.P.U. Of Trinity United Church Elects Officers

—Trevor Calhoun was appointed president of the Y. P. U. of Summerside Trinity Church at a regular meeting in Epworth Hall on Wednesday evening. Others appointed were: vice-president, Gordon Rogers; secretary, Anna Smith; treasurer, Arthur Matheson; press reporters, Barbara Matheson and Patricia Clark; pianist, Ruth Huestis; Commission Conveners: faith and evangelism, Ladya Huestis and Heinz Weller; stewardship and training, Rowan Mercer and Keith Rogerson; citizenship and community service, Shirley Wallace and Ed Toombs; missions and world outreach, Barbara Forbes and Ross Armstrong. Gordon Rogers reported on the Y. P. U. Rally held at Rose Valley last week when he, with the other delegates, attended. Following the Worship Service, which was conducted by Clady Arthur, a film strip "The Story of Our Bible" showed development of the Bible from Old Testament times down to the present day. In a discussion which followed comparisons were made between the verses of the King James Version and the Revised Standard which was published this year.

A session of games was then conducted by Anna Smith and Rowena Mercer. — S.

Alberton and Vicinity

Mrs. Arthur Wright, Alberton, left yesterday morning for Toronto where she will spend the winter months.

Mr. Peter J. Gavin, Alberton, is a patient in the Western Hospital.

Mrs. Hunter Weeks, Alberton, is spending a few days in Summerside.

Friends of Mr. H. J. Cahill, Alberton, are glad to see him about again after being a patient in the Western Hospital.

An enjoyable card party was held Thursday evening in the Institute Hall at Alberton. Arrangements were made by a committee of the Institute and proceeds, which amounted to more than fifty dollars, are to be used in purchasing equipment for the school. Seventeen tables of bridge, auction, raffles and canasta were in play. Mrs. R. E. MacDonald was in charge of bridge, Mrs. Gerad Rooney of auction forty-fives and Mrs. Arthur Wilkie of Canasta Bridge auction winners were Mrs. John C. Matthews and Dr. O. H. Phillips, with consolation awards going to Mrs. J. H. Myrick and Mr. T. A. Clarke. In auction forty-fives the winners were Mrs. Norman Hardy and Mr. Edmund O'Rourke, with consolation awards going to Mrs. C. R. S. Leard and Mr. W. W. Currie. In canasta first prize was awarded to Mr. Hubert Campbell and consolation to Miss Shirley McArthur. The hall was attractively decorated with greenery and potted plants and delicious refreshments were served. The institute is indebted to a number of ladies outside its membership who gave much appreciated assistance. At the close of the evening there was a sale of food with Mr. Frank Bryan as auctioneer.

Embargo Is

kills home. They have been permitted to go into Canada but have been barred from bringing back animals killed while there.

Decision on lifting of the embargo was reached at a meeting in Denver this week. Reopening of the Canadian border as of next March 1 was recommended by an advisory committee of livestock producers.

Big Market For Canadians

Normally the U. S. obtains less than five per cent of its meat and livestock from Canada. But this represents a big market for Canadian producers.

Loss of the U. S. market resulted in a surplus of meat as well as an increase in milk production from dairy cows which would have been shipped to the U. S. had it not been for the embargo.

Beef and pork prices dropped in Canada and the government spent about \$18,000,000 buying and selling surplus pork. Agriculture Minister James Gardiner had indicated that the Canadian price-support program for beef would be dropped when the embargo is lifted.

Another step taken by the government to sell surplus meat was a three-way agreement with New Zealand and the U. S. This provided for New Zealand to sell meat to the U. S. instead of Britain while Canada filled the New Zealand and contract with Britain. Dropping of the U. S. ban will remove the need for continuation of this arrangement.

Canadian officials worked quickly to clean up foot-and-mouth disease after it was first reported last February. Some 1,343 cattle, 294 swine and 97 sheep were slaughtered and buried in Southern Saskatchewan from then until May 4. Then on Aug. 19 the Canadian Government lifted an embargo on movement of cattle between provinces meanwhile asking the U. S. for "early consideration" of lifting the international ban.

The building was completed and dedicated in 1869, and the priest incumbent from that year until 1885 was the Rev. George Hodgson, from 1886 to 1920 the Rev. Canon James Simpson, and from 1921 until this year, the Rev. Canon E. M. Malone.

The beautiful chapel of All Souls was erected in 1888 as a memorial to the Rev. George Hodgson, and the paintings which distinguish the interior were painted by the famous Island artist, Robert Harris.

Three former members of the Cathedral are among those who have earned recognition in the Church are the Rev. Cuthbert Simpson, Venerable Archdeacon Charles Harris of Nova Scotia and the Rev. Walter Cotton of England.

Solemn Induction

Continued from page 1

said the life of the priest, spent in taking care of his flock, should be "filled with joys and privileges."

He spoke sincerely of the excellent work already done by the incumbent in former parishes, and of his friendship with the distinguished father of the incumbent, Canon E. K. Moffatt of Bishop's University in Lennoxville.

Dean Ellis also paid tribute to the Rev. Canon E. M. Malone, who preceded the Rev. Canon Moffatt as incumbent and served the parish faithfully and well for thirty one years, describing him as "a distinguished and hard working official of the Diocese."

The service concluded with a procession and hymn "Lord Behold Us With Thy Favour", and the Episcopal Benediction.

Also among the clergy present in the Sanctuary during the service were the Rev. G. R. F. Ebbas, Crapaud, who carried the Bishop's staff, and the Rev. W. G. Hogg.

The induction service was attended by His Honour Lieutenant Governor T. W. L. Prowse and Mrs. Prowse, Premier J. Walter Jones and Mrs. Jones, and Councillor Roy Cudmore, representing His Worship Mayor J. David Stewart and Mrs. Cudmore.

Reception In Church Hall

Following the induction ceremony a reception was held in the Church Hall. Canon Moffatt spoke briefly, referring to the evening as a most happy and solemn occasion. He expressed gratitude for the many messages of good wishes received upon this occasion, mentioning in particular a telegram from the Rev. Canon Malone and Mrs. Malone.

Canon Moffatt introduced the Lord Bishop, who said of the new incumbent that he believed he would be found "a very worthy successor to the parish priests who have gone before him." He announced the appointment of the incumbent as a Canon of St. Peter's Cathedral, and the conferring of the same honour upon the Rev. J. T. Ibbot, commending him for the work he has done in bringing the parishes of St. Paul's and St. Peter's so close together. The Lord Bishop also paid tribute to the work of Canon Malone.

The Woman's Auxiliary of St. Peter's Cathedral served delicious refreshments at the reception.

Canon Moffatt is the fourth incumbent to be inducted into the incumbency of St. Peter's Cathedral, somewhat by enlarging the group of nurses in training. An endeavor is now being made to secure more suitable accommodation for them until permanent quarters are provided. — S.

Jury Reduces Charge In Manslaughter Case

Melvin Charles Ramsay, Campbellton, charged with manslaughter in Supreme Court at Summerside, was yesterday found "not guilty of manslaughter, but guilty of driving in a manner dangerous to the public."

He was sentenced to six months in Prince County Jail, a fine of \$300, or an additional six months in jail, and had his driver's license suspended for two years from date of sentence.

The jury took one hour and five minutes to reach their decision. The charge had been laid as a result of the death of James O'Meara, in an accident near Alberton on August 2nd.

O'Meara had been riding in the back of a light delivery truck driven by the accused when the truck left the highway and overturned, killing O'Meara.

The defence based their case on the evidence that indicated the accused, at the time of the accident, did not know O'Meara was on the back of the truck, and that therefore there was no special duty on the part of the accused towards the deceased, although there was, of course, a general duty to the public at large.

D. O. Stewart, senior counsel for the defence, in his address to the jury said that by the evidence, O'Meara made no comment when the intended trip to Alberton was discussed by the others, and that both Dr. Keeffe and the accused definitely stated they did not remember seeing O'Meara from the time they left the house until the body was discovered at the scene of the accident.

Mr. Stewart said that the first thoughts of the accused after the accident had been for the safety and welfare of his passengers.

He said that without thought or hesitation when informed of O'Meara's body under the truck the accused had said "That man was not with me."

Attorney General Walter E. Darby said the only doubt in the whole case was whether or not the accused knew O'Meara was in the back of the truck. He said this point was the only possible defence open to the accused.

He said Miss Keeffe's evidence indicated that O'Meara had left the house possibly a minute behind the other three to go to the truck leaving for Alberton. He said Dr. Keeffe and accused were the only two

who gave evidence on what took place between leaving the house and driving off in the truck, and that their recollection was not too good.

He said that evidence indicated the accused and Dr. Keeffe had themselves consumed about a quart and a half of whiskey in less than 2-1/2 hours on an empty stomach and that if the accused was not then affected by the liquor then never again will any P.E.I. court be able to convict a man for drunk-driving.

He said the case should not be difficult to decide because the jury knew the facts, what liquor was consumed, and what the results were.

Mr. Justice Mark R. MacGuigan, who presided at the trial in Summerside, said the case presented by opposing counsel said the points made by the defence were that the accused didn't know O'Meara was there; that the accused was not under influence of liquor, and that there was no evidence to show he was driving in a fast, reckless, or improper manner.

The points made by the prosecution were that the accused had a duty to all passengers in his truck, and that if not intoxicated he would have known or should have known O'Meara was there, and that he was driving at an excessive speed when he was not in a condition to drive fast.

In concluding his summation Mr. Justice MacGuigan said he thought there was evidence to justify the jury in bringing in a conviction of manslaughter but if the jury came to the conclusion he was not guilty of manslaughter they could find him guilty of driving in a manner dangerous to the public; or a third alternative of finding the accused not guilty.

The case for the Crown was conducted by Attorney General Walter E. Darby and J. Harold Goodwin, while the accused was represented by D. O. Stewart and J. A. Gallant.

Members of the jury were: Lorne Beaton, Summerside (foreman); William McGillivray, Malpeque; Percy Tucker, Bedouque; Robert H. Palmer, Conway, R.R.; Beecher Smallman, O'Leary; John Scott, Summerside; Erwin Chamblin, Kensington; Irving H. Hogg, Wilmot Valley; Allison Harper, North Valley; Elmer Phillips, Ham'Iton; Frederick Profit, Spring Valley.

Officers Named For S'side Business Women's Club

At the final organization meeting of the Summerside Business and Professional Women's Club, held at Mrs. Cunningham's in the form of a dinner meeting, the following officers were elected: president, Miss Helen Schurman; vice-president, Mrs. Ethel Compton; corresponding secretary, Miss Estelle Bowness; recording secretary, Miss Jessie Fraser; treasurer, Miss Clara Mountain.

Great interest in the promotion of the new club was evidenced, and more than twenty members attended the meeting which was presided over by Miss Helen Schurman. The election of officers was conducted by Miss Lillian Duchemin of Charlottetown who also carried out the impressive installation ceremony.

It was decided that future meetings of the club would be held the second Wednesday of each month at 6 p.m., place to be decided upon at a later date. The next meeting is to be held Wednesday, December 10th.

Minutes of the previous organization meeting were read by Miss Connie Enman, secretary pro tem, and routine business conducted. A letter of congratulations from the Charlottetown Business and Professional Women's Club was read.

At the conclusion of the business period, congratulatory remarks were expressed by Miss Gertrude Love, Charlottetown, who also said she felt that the Summerside Club has a bright future and would be a great asset to the international organization of B and P. clubs. Miss Lillian Duchemin also congratulated the Summerside ladies, and especially thanked Miss Helen Schurman, Mrs. Ethel Compton, Miss Edith Inman and Miss Connie Enman for the part they had played in assisting with the organization of the club.

To Discuss High School At Meeting In Kensington

A general meeting will be held at Kensington next Thursday evening when about 25 districts will be represented to discuss the possible establishment of a regional high school in that area. The people of Kensington and vicinity began a study of this project through the Home and School Association a few months ago and since that time Summerside and Borden areas have followed Kensington in indicating similar interests.

At a recent meeting of the Federation of Agriculture at Kensington this matter was given a top priority in the discussion period and a council of 12 was appointed to promote the project in the area around Kensington. About five automobiles have taken interested persons at their own expense to visit the new modern regional high school at Tatamagouche, N. S., a distance of about 100 miles, where a regional high school is located comparable to that suitable to the Kensington area.

The chairman of the Board of Trustees of the Tatamagouche School has been invited to attend the Kensington meeting on Thursday and Dr. L. W. Shaw, director of education for Prince Edward Island will outline details of the organization and other matters pertaining to administration and the government subsidy of 50 per cent of building costs and 25 per cent of operational costs. — S.

Inspection Of Old Hospital

At the request of the president and directors of the Prince County Hospital, Dr. O. W. Curtis, deputy minister of health, was in Summerside yesterday to assist them with suggestions regarding the furnishings of the old hospital.

While in Summerside Dr. Curtis made an unofficial inspection of the building and the work being done and he expressed himself as being highly pleased with the general appearance of the building, the exterior and the interior as well.

It is not yet known when the old hospital will be officially opened. Mr. Austin Scales president of the board said last night that it will not be for some time yet as there is a certain amount of work yet to be done on the interior.

Farr-Cockell Matched In Bout

LONDON, Nov. 28 — (AP)—The British Boxing Board of Control today picked Tommy Farr, battle-scarred, 39-year-old Welshman, and Don Cockell, an over-stuffed, 24-year-old heavy-weight, to meet in an elimination contest. The winner may get a title shot at British heavy-weight champion Johnny Williams.

The board said it will wait until after the two meet to decide whether Williams will be called upon to defend his crown against the winner.

Williams, meanwhile, is scheduled to meet Harry (Kid) Matthews of Seattle at Harringay Arena Tuesday night.

General Feeling

to be a general feeling that there is a strong chance of the conference emerging with some tangible results.

St. Laurent went from the meetings, held in Whitehall, to receive an honorary degree of Doctor of Laws at the University of London.

Prime Minister Churchill was unable to be present and Foreign Secretary Anthony Eden, in his capacity as deputy premier, presided.

ROUGH TREATMENT

TAUNTON, ENGLAND — (CP)—The speaker at a meeting here quoted a letter from a Sheffield woman who stopped her husband's lumbago by slugging him with slugging netles. Whenever the lumbago returns, she wrote, a few light taps with the nettles fixes it.

Relatives Flown To Bedside Of RCAF Patient In Hospital

Military organizations are usually pictured in people's minds as cold, efficient machines. That the armed force organizations do have a warm emotional heart is exemplified by a Royal Air Force scheme whereby a relative can be flown to the bedside of members of the R.A.F. who are seriously ill while serving abroad.

Such a case is that of Acting Pilot Officer Alex Kerr of R.C.A.F. Station, Summerside. Yesterday morning his father and mother were winging their way to Summerside aboard an R.C.A.F. Dakota, Mr. and Mrs. James Lambie Kerr of Galston, Ayrshire, Scotland, left the British Isles around six o'clock, Atlantic Standard Time the previous evening, aboard a British Overseas Airways Corporation aircraft. They arrived in Montreal yesterday morning where they were met by a Summerside Dakota dispatched there by the commanding officer of R.C.A.F. Station, Summerside, Group Captain A. G. Kenyon, C.D., under the R.A.F. scheme for such flights.

Mrs. Kerr is travelling as guest of the R.A.F. and is accompanied by her husband, who elected to defray his own travelling expenses.

On arrival the parents of P/O Kerr were met by the Commanding Officer, by S/L Blackmore, R.A.F. exchange officer and F/L the Rev. R. P. Condon. They were then sped directly to the Prince County Hospital, to their son.

That the town and sympathetic heart is shown by the offer of the Rev. Donald MacKay of the Summerside Presbyterian Church, who has offered to act as host to the British visitors during their stay here.

Pilot officer Kerr entered the Prince County Hospital on November 10th where he underwent an operation for acute appendicitis. Following the operation he developed generalized peritonitis and although he later showed signs of recovery he suffered a relapse which necessitated a second operation on November 23rd for intestinal obstruction and pelvic abscesses.

His condition last evening, however, was reported as much improved and high hopes are held for his recovery.

Pilot officer Kerr has been on the Summerside station since April of this year. — S.

FUTURE POWER

OSLO, NORWAY — (CP)—DR. Gunnar Randers, director of the Norwegian-Dutch Institute of Nuclear Research, describing the experimental atomic reactor built near Oslo says an atomic power plant would cost more to build but less to operate than types of power stations.
