NEW YORK

NEW YORK (AP)—The stock market broke a string of three "blue Mondays" and advanced under the leadership of oils and rubbers Monday.

The market on average matched Friday's rise but did it on slightly better volume, 1,810,000 shares compared with 1,580,000.

A weekend statement by Gulf Oil which said the outlook for the oil industry was more optimistic and that there is no need for a cut in crude oil prices was the key development credited for the rise in oil shares.

The Associated Press average of 60 stocks rose 70 cents to $159.90 with the industrials up $1.70, the rails down 20 cents and the utilities up 10 cents.

Of 1,108 issues traded, 530 rose and 319 fell. New highs for 1957-58 totalled 21 and new lows 8.

Major Canadian stocks shared in the advance. International Nickel closed a point higher, Canadian Pacific — bucking the trend in U.S. rail shares—rose ⅝, Aluminium Ltd. was up ¾ and Walker-Gooderham ¼. Losers included Hudson Bay Mining, off ⅝, and Dome Mines, down ⅜. McIntyre Porcupine erased early losses to be unchanged.

American Stock Exchange prices were generally higher on volume of 500,000 shares compared with 510,000 Friday. Canadian oils didn't share the upward surge on the New York Exchange. Richwell and Scurry-Rainbow were up small fractions, Fargo was off slightly and Jupiter and Sapphire petroleums were unchanged. Among other Canadian issues, Molybdenite made a minor gain and Canadian Marconi eased.

Chatham Has Record Snowfall

CHATHAM, — (CP) — More snow fell in February this year than for the same month in any other year on the record books. The Chatham RCAF weather office says the month saw a record 54 inches, against the previous record of 44 inches in 1887. The total snow fall for this year to date was 118 inches.
