ANNOUNCEMENT After careful study of the usage of Assurance Companies at home and abroad, and of the experience of this Society in all the varied reforms introduced by it, the EQUITABLE LIFE ASSURANCE SOCIETY has combined in one form of policy all the advantages and guarantees which can safely and properly be united, and now offers it to the public under the name of the

FREE TONIC POLICY. If you desire Assurance on your Life, you should secure one of the Equitable's Free Tonic Policies; because (1) it is

INDISPENSABLE, and you buy a Certainty instead of a Possible Law: (2) it is UNRESTRICTED, and you are not, as in ordinary cases, prohibited from going where and doing what you please; (3) it is NON-FORFEITABLE, and you can never be deprived of a just indemnity even on surrender; (4) it is

PAYABLE IMMEDIATELY after death, thus providing against even temporary embarrassment; (5) it is PRE-EMINENTLY LUCRATIVE, in many cases providing Assurance in later life for nothing, or yielding back the whole, or nearly so, of what has been paid in by those preferring to withdraw; (6) the form of policy is SIMPLE and shorn of needless formality; (7) the advantages offered under the policy are

NOT OBTAINABLE IN ANY OTHER COMPANY or under Any Other Policy. For Tables of Rates and full Explanations, apply by letter or in person to
