YOU MAY HAVE WORMS AND NOT KNOW IT!

Fidgeting, nose-picking and a tormenting rectal itch are often tell-tale signs of Pin-Worms or Round-Worms . . . ugly parasites that medical experts say infest one out of every three persons examined. Entire families may be victims and not know it.

To get rid of these ugly pests, they must be killed in the intestines where they live and multiply. And clinical tests have proved that JAYNE'S LIQUID VERMIFUGE kills both Pin-Worms and Round-Worms quickly and easily. Then they are expelled from the system in a normal manner and you are free of them.

JAYNE'S LIQUID VERMIFUGE has a pleasant, fruity taste. Children love it—take it without fuss or fret.

Remember, Pin-Worms and Round-Worms are highly contagious and can spread through the whole family.

So, at the first sign of worms, be sure to ask your druggist for JAYNE'S LIQUID VERMIFUGE.

year contract with Central Royalty residents on the immediate outskirts of the village limits to supply water and sever services.

Another resolution authorized the village commissioners to increase the borrowing power of the village from $300,000 to $350,000 for completion of water and sewer supply for the village.

The financial statement was given by Percy MacDonald and showed an excess expenditure of $778.48 for the year and an estimated surplus revenue for 1959 of $11,130.58. Water and sewer construction for 1958 was $257,447.85.

MAY USE GRANT

Ian Webster chairman of the water and sewer committee reported that 34,837 feet of sewer line has been placed within the village. The remaining work—that of placing the outfall in the east river—will be carried out on top of the river ice. After the pipes have been connected, the ice will be cut to allow the pipes to sink to the bottom in their proper place.

Mr. Webster said the village hoped to take advantage of the federal assistance granted for winter employment projects.

The water line which is being laid for $1 per foot is also nearing completion with 19,225 feet of the total 22,000 feet now laid. The remainder will be laid as soon as spring conditions will allow.

RESERVOIR BUILT

Mr. Webster reported on the construction of a 200,000 prestressed water reservoir built on high land on the property of Wendell Wood. The system is fed by two wells.

One of these is a 10 inch well, 418 feet deep, located on the Brackley point road. The land was donated by Claude Smith. The other located on MacKay Drive is a six-inch well 347 feet deep and can pump 200 gallons per hour.

A reduction in fire insurance rates was predicted by the water and sewer commissioner. He said there were now seven hydrants installed with five more planned for next summer.

Mr. Webster expressed thanks for the efficient supervision of the water and sewer line laying by George Newman. He also expressed his appreciation for the close co-operation of the citizens as a whole.

NORTH RUSTICO

Joseph Gaudin was named chairman of the commissioners of North Rustico succeeding Ferdinand Doucette. New commissioners appointed were J. Vincent Blaquiere and Ferdinand LeClair.

Rustico last year purchased additional fire fighting equipment and this coming year will look into the possibility of securing a garbage disposal system. A town policeman was appointed during the year and was reported to have given excellent service.

VICTORIA

H.B. Wood presided at the annual meeting of the incorporated village of Victoria held in the institute room of the community hall.

The financial statement presented by the clerk, K.H. Wood, showed revenue of $925.22, expenditures of $824.84, and a surplus of $100.83. The budget for the coming year was set at $400.-00.

Mr. Wood was re-elected commissioner to serve with Victor Ferguson and Emerson MacDonald. Ivan Howatt serves as fire chief, and James MacLeod as deputy fire chief.

During the year the village moved and remodelled a building for a fire hall to house the fire truck and equipment. The fire department attended 10 fires, and was the means of saving much valuable property.

MURRAY RIVER

Eleven ratepayers of Murray River were present at a meeting to elect commissioners for the coming term. The new commissioner appointed to replace the outgoing member, Sterling MacKay, was Walter Fraser, who will serve with Dan Horton and Jack Ferguson. Assistant commissioners for the coming term are Dan Herring, Fred Keenan and Hermon Martin.

At the meeting in the village of Murray Harbour, S. D. Hugh was appointed as new commissioner to serve with Lorne J. Stewart and W. J. Harris. This meeting was well attended.

No new projects or changes were made at these meetings.

MORELL

The annual meeting of the incorporated village of Morell was held in the community hall with J.B. Jay presiding.

The financial report presented by E.G. MacKinnon showed receipts of $2520.01, expenditures of $2407.35, and a surplus of $112.66. The budget for 1959 was set at $1468.88. Mr. Aldius MacKenzie was re-elected commissioner and will serve with Mr. Jay and J. H. Blaxland.

Highlights of the year's activities were the purchase of land for a village square and a fire truck for the use of the fire department.

ST. PETER'S

The annual meeting of the incorporated village of St. Peters was held in the St. Peters' South school with the chairman D.J. Mullin presiding.

Revenue totalled $145.00 as shown by the financial statement, and expenditures were $725.64, leaving a surplus of $724.36. The 1958 budget totals $1050.00 which includes a $500.00 vote to the fire department.

Mr. Mullin was re-elected for another term to serve with Donald Anderson and Henry MacDougall.

Activities during the year included the purchase of the old rink property to be used as a childrens' playground, and the purchase of large portable fire extinguishers.

Discussions were held relative to the opening of a new street on each side of the bridge to provide further building sites and it is expected that these streets will be completed this year.

Joseph Lewis was named the village representative to work with the commissioners in an effort to have a wharf constructed in the village to effect trade with Newfoundland and Southern Quebec and Labrador. The wharf, it was stated would also be of great benefit to the fishermen and also assist in developing the tourist attractions in St. Peters village.

MOUNT STEWART

Harold MacDonald was elected to replace retiring commissioner Earl Jay on the village commissioners at the annual Mount Stewart meeting. Mr. MacDonald will serve a three-year term with Bruce Affleck and Warren McGuirk.

Twenty-eight ratepayers attended the meeting at which the clerk, Rod Innis reported a surplus of $252.60.

New projects discusssed included plans to install several new street lights and the possibility of introducing a sewage system into the village. It was reported new dumping grounds have been provided.

KINKORA

A surplus of $532.10 was reported at the annual meeting of the village commissioners of Kinkora, at which 35 ratepayers were in attendance.

Fred F. Coady was re-elected to serve as commissioner for another three-year period. Other commissioners are John R. McCabe and George Richards.

One of the highlights of the year was the installation of a reservoir tank in the center of the village with a capacity of 10,000 gallons. It was decided that the Kinkora Fire Department would continue its policy of giving aid to areas outside the village.

O'LEARY

A substantial surplus on ordinary account was noted at the annual meeting of the village of O'Leary last night.

During the previous year the sewage system was completed and a number of streets in the village resurfaced with heavy asphalt. Paving is to be requested on several additonal streets and additionanl roads are planned.

The budget for the coming year is approximately $7,000.

New commissioners appointed are Palmer and Winfred Bridges. Present commissioners are Harry MacWilliams, chairman, Dr. Charles Dewar, James Baglole and Emerson Smallman Retiring commissioners and Douglas Admas and Therin Ellis.

ST. ELEANORS

One new commissioner was elected to help administer the affairs of the village of St. Eleanors at their annual meeting held in the hall presided over by the chairman Earl Cannon.

Harry S. Cannon succeeds Lea Birch to the post of commissioner while the only other contested seat in the six-man council saw Edwin Bernard re-elected.

The other commissioners terms did not expire this year. These include Norman Johnson, William Maxfield, Wendell Rogers and chairman Earl Cannon.

During the well attended meeting money was voted for landscaping work at St. Eleanors Corner and for improvements to the Soldiers Memorial grounds. The tax rate for the coming year will be 20 cents per $100 plus the $2 poll tax.

It was also decided to purchase a fire siren for the village and extra hose.

TIGNISH

The number of commissioners for the village of Tignish was increased from three to six at the annual village meeting.

New commissioners are Adrian Richard, Aubin Gallant and Terence Gavin. The chairman, Hector Buote and E. C. Gaudette were re-appointed and Valmore Arsenault was elected to replace retiring commissioner Joseph A. MacDonald.

Hector Buote presided over the meeting which had the largest attendance since the village incorporated.

In his annual report Mr. Buote spoke highly of the work of the fire department and also the town policeman, Gordon Grady. The police report, presented by Constable Grady, noted a decrease in reckless driving in the village

Earle MacDonald, the report of

In the absence of Fire Chief the fire brigade was presented by Roy MacLeod.

The financial report, read by the clerk, Everett Broderick, indicated a budget for $5,000.

The tax rate is to remain unchanged at one per cent.

MISCOUCHE

Three new commissioners were added to the old three-man commission at the annual meeting of the village of Miscouche held in the public hall with a large attendance. Chairman Frank DesRoches presided.

The three new commissioners are Gerard Poirier, Tilmon S. DesRoches, and Elmer Gaudet. The only contested seat saw Eric DesRoches re-elected.

Business included a decision to purchase a new fire siren for the village as well as rubber boots and helmets for the firemtn. It was also decided to take out insurance on the firemen.

Improvements from a beautification standpoint included the voting of monies to go toward landscaping around the fire hall.

The tax structure remains unchanged at 75 cents per 100.
