PRINCE EDWARD — TODAY — TUE. — WED.

Dear Patrons:—

"A PLACE IN THE SUN" is the story of today... a drama of three young people uncontrollably in love—who risked everything to get that love! It is the story that mirrors all lovers—the story that belongs to everyone.

It is rare that any motion picture has captured so magnificently the fire and fever of youth. Even rarer, has any screen drama spoken so freely and frankly of the compelling needs and desires of young people, driven by instincts they can neither resist nor understand.

Here is the story of a young man who was too ambitious, even in love, and of the two girls who cared for him too much!

These three emotion-packed roles are portrayed by the most exciting young stars it has been possible to combine in one film in many years. Here is a remarkably revealing picture—one you'll remember and love... completely.

Sincerely,
G. A. WALTERS,
Manager.

Q. S. S. Forfeits Game After Leading Montague 4-1 In Third Period

With ten minutes to go in the last period, the score 4-1 for Charlottetown, Queen Square School forfeited the game to the Montague High School at the Montague Rink Saturday night, after a spectator jumped on the ice to mix it up with the Charlottetown referee during a melee at the southeast corner. This was the second occasion during the game in which spectators interfered with the players.

During the second period two Montague fans manhandled one of the visiting players, and when the third period episode occurred the Queen Square coach ordered his charges to the dressing room to remove their uniforms. The two coaches discussed the matter at some length in the dressing room, but the Queen Square coach decided against letting his team resume play because of spectator interference, and the game was forfeited, with his consent, to Montague.

The game was marred by a series of fights during the three periods which called for a liberal number of penalties, two of them majors.

Sparked by B. MacGuigan, the visitors were well in control of the play during the game, and only the outstanding work of Stewart in the Montague net kept the score from being greater.

*MONTAGUE LEGION MEETING—The regular monthly meeting of the Montague Branch Canadian Legion was held in the Legion Hall Thursday evening with Comrade R. Martin presiding. There was a goodly number present despite the bad roads. The minutes for the last meeting were read and approved. The secretary read a letter from the Canadian Red Cross re their current campaign for funds and after some discussion he was authorized to donate \$25.00 to this cause on behalf of the branch. A \$50.00 donation was also authorized for the "Canadian Legion Book Service". It was explained that this was a very worthy cause as the troops now serving in Korea have no recreation facilities other than that is provided in the rear of the front lines. Books and magazines are essential.

A lengthy discussion then took place concerning the Legion room being used for a school room, and a committee was appointed to wait on the School Board at their next meeting to discuss the situation. The meeting then adjourned and the members enjoyed the remainder of the evening in playing cards and informal discussion of the present international situation and other worthwhile subjects.
