AGRICULTURAL NEWS P. E. I. Department of Agriculture

FIELD CROPS DIVISION... The Prince Edward Island Department of Agriculture is divided into ten main Divisions - namely, Dairy, Field Crops, Horticulture, Agricultural Engineering, Farm Improvement, Forestry, Women's Work, Poultry, Extension, and Veterinary Services.

I. L. TUPLIN, B.Sc., AGR., DIRECTOR OF FIELD CROPS

The Field Crops Division of the Provincial Department of Agriculture was created in May, 1951, to provide technical assistance for the production of field crops. With the appearance of a wide variety of new chemicals for the control of disease, pests and weeds, as well as new developments in all phases of farming neither the farmers nor the Agricultural Fieldman found it possible to keep themselves informed of such advances.

WEED CONTROL A substantial subsidy is paid on the purchase of 2-4-D to assist help ease the housing shortage. The banks went after the business - so much so, that some insurance companies were hard-put to get their mortgage funds invested.
