

Road Deaths Total 382

OTTAWA (CP)—Motor vehicle accidents in Canada during May took 382 lives, an increase of 37 over the previous May, the Dominion Bureau of Statistics reported Tuesday.

Quebec reported the most deaths—126—and also the biggest increase, 23, over the previous year. Ontario accidents claimed 116 victims this May compared to 113 in May, 1963.

The totals by province, with last May's totals in brackets: Newfoundland 13 (11), Prince Edward Island 2 (1), Nova Scotia 22 (26), New Brunswick 12 (12), Quebec 126 (103), Ontario 116 (113), Manitoba 17 (8), Alberta 27 (21), Saskatchewan 12 (16), British Columbia 35 (24), Yukon and Northwest Territories nil (nil).

Soviets Defer Threat Decision

MOSCOW (Reuters)—The Soviet Union has agreed to defer a decision on a threat it made during the weekend to abandon its role as co-chairman with Britain of the 1962 Geneva conference guaranteeing the neutrality and independence of Laos.

Informed sources said Tuesday the agreement by Premier Khrushchev came after a "powerful appeal" by visiting British Foreign Secretary R. A. Butler who arrived Monday for a five-day visit.

Butler conferred with Khrushchev Tuesday after talks with Soviet Foreign Minister Andrei Gromyko, whom he warned a chaotic situation in Laos would benefit "only those who are not necessarily our friends."

The Soviet government called during the weekend for a new Laos conference to meet next month and said rejection of this might force the Soviet Union to give up the co-chairmanship of the 1962 conference.

Gromyko expressed alarm over the Laotian situation but said Moscow had not made any final decision on how to deal with it.

The sources said Butler told Gromyko Dr. Pitta was not against a 14 nation conference on Laos but wanted further discussions on how it would be organized.

Butler said it was first necessary to unite the Laotian factions under neutralists Premier Souvanna Phouma, arrange a cease-fire and get troops back to their former positions.

Gromyko said the 1962 Geneva agreements had been violated and the United States continued to interfere in the country's affairs. Gromyko also said Souvanna was a prisoner of reactionaries.

The sources said the two ministers agreed to continue discussions at the United Nations in the fall on a new Soviet plan for a standby UN peace-keeping force consisting of neutral, Western and Communist troops under the control of UN Security Council.
