Cousins-MacGregor Wedding

A pretty wedding at the home of the bride's aunt, Mrs. Heath Warren, Summerside, was solemnized by Rev. James Cross, a former minister of Malpeque, when Shirley Jean, daughter of Mr. and Mrs. Joseph MacGregor of Exeter, N. H., and Arthur Ramsay Cousins, son of Mr. and Mrs. Robert Cousins of Darnley exchanged marriage vows. The double ring ceremony was performed at 6 o'clock Saturday evening, August 30. The living room was tastefully decorated with a profusion of pink and white gladioli and mixed flowers.

Entering the room on the arm of her father to the strains of Lohengrin's Bridal Chorus, the bride was charming in a suit of silver cloud gabardine, a hat of navy velvet trimmed with points of white lace and sequins, and a corsage of Hilltop roses. She was attended by Miss Edith Cousins, the groom's sister, who was attired in a suit of royal blue with white accessories and a corsage of Queen Elizabeth yellow roses. Mr. Donald MacGregor, brother of the bride, was groomsmen.

Mrs. MacGregor chose for her daughter's wedding a navy suit with matching accessories and the groom's mother wore navy with white accessories. Their corsages were Better Time roses. Following the ceremony a reception for forty guests was held at Birch Hill Lodge where the bride's table was centred with a beautifully decorated three-tier wedding cake, encircled with bouquets of sweet peas and lighted tapers.

Mr. and Mrs. Cousins left by automobile on a honeymoon trip to Cape Breton. On return they will reside in Darnley where the groom is a successful farmer.

Prior to her marriage the bride was tendered a miscellaneous shower at the home of Mrs. James Hickey, Darnley, and received many lovely gifts.

Royal Aces Win Trophy

Before an estimated five hundred spectators at St. Roch yesterday the powerful and undefeated Tignish-Mimimeneah Royal Aces scored a brilliant victory over Alberton-O'Leary all stars by a score of 16-1, thereby winning the first four games in the six round robin series of the Prince County Intermediate "B" League. By winning this game the Royal Aces won the trophy donated by the Department of Physical Fitness. However two games remain to be played between Kensington-Kinkora Ball Club and Alberton-O'Leary All Stars, the first taking place at Kensington this Wednesday and the second at St. Roch next Sunday. So far neither of these two teams have won a game in this series but are very evenly matched and the games will be worth watching.

Fall Fashions Parade Features Store Opening

The reopening of the newly modernized and enlarged store of M. L. Frank MacKenzie last Thursday was highlighted by a parade of fall fashions. Miss Mary Silliphant, Miss Mary Hogan, Mrs. Ensor Bonness and Mrs. Frank MacNeill modelled some of the newer fall coats, dresses and sportswear and furs from the Scotia Furs, Toronto.

Soft music was played during the showing and the proceedings were broadcast over C. J. R. W. by Bob Taber.

Because many could not be admitted during the afternoon, it was repeated during the evening. Many favorable comments were heard from those who have visited this very modern fashion center and Mr. MacKenzie gives full credit for the improvements to James Thompson, supervisor of Holman's building service and Mr. Ken Ingles the capable foreman in charge.

Concert Held At Victoria Hall

On Wednesday evening, September 3rd, Victoria Hall was filled to overflowing and a number of people were turned away, when Pipe Major Wallace Roy of St. John's, N.S., accompanied by Mrs. Allison Lea, delighted her audience with two solos, "The Road to the Isles" and "Bonnie Dundee".

All summer at the Nova Scotia border, Pipe Major Roy and his bagpipers have welcomed incoming tourists to that province, and Victoria was privileged indeed to have the music of his pipes at their Scottish concert.

The concert, under the chairmanship of Mr. Keith Boswell, opened with the playing of "Bonnie Dundee" by Pipe Major Roy, followed by a quartette of four Scottish lassies, Sylvia and Betty Boulter, Eleanor and Margaret Hart, singing "Loch Lomond" and "Roaming in the Gloaming".

Bonnie Little Della Ferguson of Hampton very capably danced the Highland Fling, and Miss Donalda MacLeod of Victoria, accompanied by Mrs. Allison Lea, delighted her audience with two solos, "The Road to the Isles" and "Bonnie Dundee".

Other talented soloists were Mr. Stephen MacLeod of Bonshaw, accompanied by Mrs. Alan Stewart, who made Highland Mary live again in the hearts of his listeners.

Also the "Reel of Tulloch" by Sylvia and Betty Boulter, Eleanor and Margaret Hart, singing "Loch Lomond" and "Roaming in the Gloaming" and other numbers with such feeling or humor as the context indicated that he was encored again and again, and Miss Ruthie Boswell, who very sweetly sang "The Lass With The Delicate Air" and "Comin' Through the Rye".

In their inimitable style, the famous Cornwall Trio also rendered several selections, accompanied by Mrs. Gordon MacMillan on the piano.

Feature attractions of the evening were the traditional highland dances rendered by the pupils of Mrs. Donald Hart of Victoria and accompanied by Pipe Major Roy.

Their numbers included the "Highland Fling" by Della Ferguson of Hampton, the "Sword Dance" by Margaret Hart of Victoria, the group dancing of the "Highland Fling" by Barbara Dunford, Sara MacQuarrie, Helen Merrill, Edith Campbell, Ruthie Cannon, and Marjorie Ferguson of Hampton, Eleanor and Margaret Hart of Victoria, and Barbara and Mary Lee-Stewart of Stratgartney.

Also the "Reel of Tulloch" by Sylvia and Betty Boulter, Eleanor and Margaret Hart of Victoria, and the "Sword Dance" by Barbara and Mary Lee-Stewart of Stratgartney, by Barbara and Mary Lee-Stewart and Eleanor and Margaret Hart.

Readings by Mrs. Wm. Jones of Tryon and Mrs. Evan Wright of Victoria were much appreciated and the capacity audience, and completed an evening of entertainment which will be long remembered by everyone.

The many lovely gifts were brought in a basket trimmed in pink and white and were opened by Mrs. Don Johnson, Miss Anne Hicken and Miss Elaine Vandierstine, and the verses were read by Mrs. Harold McSwain.

Eric on behalf of his bride thanked the people for their kind remembrance. He was then given a thorough bouncing, which was followed by all joining in singing "They Are Joining in Singing". A delicious lunch was then served by the ladies and the remainder of the evening was spent in dancing. Music was supplied by Mr. Roy Gormley and Mr. Preston Jackson. All are wishing Helen and Eric many years of married happiness.

Daks Defeat Better Halves

Ruth Chaster's looping Texas Leaguer over first base in the bottom of the seventh and final inning scored her battery mate, Chisholm, with the winning run, and the Daks defeated the PMQ Better Halves by the score of 5-4 at the R.C.A.F. softball diamond in a noon-hour game on Saturday. The win tied the final series for the Summerside ladies softball title at a game apiece. The series is a best-three-out-of-five affair.

Chaster also stole the pitching spotlight from her speedball rival, Marilyn Major. The Dak hurler allowed only one hit to Major's force. A strong wind frequently laden with dust blew squarely into the faces of the batters, and may have accounted for the scarcity of bingles. Chaster led her team's attack with two hits. White and Peters got a bingle each, Peters' hit being good for three bases. MacKinnon got the lone base hit for the PMQ's.

The errors were fairly even, the Daks committing five miscues and the Better Halves six. The work of Jackson at first base for the married women stood out. She pulled down two wild throws to her base and showed a lot of hustle generally at the initial sack. Peters, the other first sacker ran a long way for a foul fly that the wind was chasing out of her reach, but she snared it after a brilliant effort.

Chaster struck out ten and walked only one. Major fanned eight, but two of her victims reached first base, one on her own error, a wild pitch, and the other on an error chalked against Finlivan, her catcher, who let the ball get away from her. The PMQ flash walked four. The teams are scheduled to play the next game of the series on Wednesday at 6:15 p.m.

Line-ups: PMQ's: Stone ss, Clarke 3b, Mason 2b, Finnegan c, Jackson 1b, MacKinnon lf, Major p, Chambers rf, Hunter cf.

Daks: White cf, Wheeler 3b, Crowe ss, Chisholm c, Chaster p, Johnson lf, MacGregor rf, Baddock 2b, Peters 1b.

Umpires: Plate, Atkins; bases, Devine.

Debris Falls

Show. The Air Show carried on in the rain today before another huge crowd, estimated at 150,000.

While long queues of relatives of missing persons tried to identify bodies laid out in an old air raid shelter, jet planes whistled overhead. At least one, a Hawker Hunter piloted by Sqdn. Ldr. Neville Duke, exceeded the speed of sound at the end of a drive he started eight miles above the earth.

Derry had skirted the airfield, turned, banked steeply and started a second low run over the heads of the spectators when the De Havilland 110 blew up.

Plane Disintegrates

It disintegrated in a flash. The twin tails splintered apart and the cockpit hurtled on, smashing into the main runway. The barrel-like engines, each weighing more than a ton, spiralled wildly into the air and then whizzed to the ground, spitting flames.

One engine buried itself in the middle of a hillside thick with people. The pieces of exploded wreckage sprayed the crowd with machine-gun effect.

For a moment there was stunned silence, then came the screams of the injured and dying. Pieces of bodies covered the hillside. Dozens of blood-spattered survivors fainted.

The hillside looked to one witness, H. A. Dunk, "like a blitz, only without the brick and rubble."

One of the plan's engines dug a crater four feet deep. The disaster quickly exhausted emergency drugs and a police car had to race several miles through crowded roads to bring fresh supplies.

Shortly before the plane disintegrated observers heard a couple of thunderclaps or "booms" as Derry cracked the sonic barrier.

The cause of the blow-up was a mystery. A joint statement by the Royal Aircraft Establishment and the Society of British Aircraft Constructors discounted any idea of conflict with sound waves.

"There is no apparent reason for believing that the accident was associated with the supersonic flight which preceded it," the statement said. "The distinctive sonic boom now associated with exceeding the speed of sound is known to be in no way harmful to the aircraft or its crew."

The statement said the plane had made more than 100 flights at supersonic speed and had flown more than 150 hours since it was launched a year ago.

Four years ago Saturday Derry became the first British pilot to exceed the speed of sound — about 12 miles a minute — and live to tell about it.

His death recalled a similar accident in 1946 when British jet pioneer Geoffrey De Havilland was killed in a De Havilland 108 over the Thames.

Appointment of Judges Discussed

VANCOUVER, Sept. 7 - (CP) - Justice Minister Garson lost a case Thursday before a sectional meeting of the Canadian Bar Association now in annual conference here.

The question was: Who should appoint members of the judiciary?

Mr. Garson wanted to maintain the status quo in the appointment of judges—the appointments now are made by the cabinet.

Gen. J. A. Clark of Vancouver, president of the Bar Association, at the opening session had advocated a change—the appointments to be made by the Minister of Justice.

At a meeting of the civil justice section today about 100 lawyers supported Gen. Clark, voting 2 to 1 against Mr. Garson's "no change" proposal.

HALIFAX - (CP) - The keen nose of a Royal Canadian Mounted Police dog located two men lost for two days. The dog sniffed its way through three miles of bush to find Kenneth Archibald of Arvida, Que., and Beresford Parker, lost near Parker's home at Middle Musquodoboit.

They were found by a search party which exceeded the speed of sound — about 12 miles a minute — and live to tell about it.

His death recalled a similar accident in 1946 when British jet pioneer Geoffrey De Havilland was killed in a De Havilland 108 over the Thames.

Dwelling And Shop At Mount Carmel Destroyed

A \$20,000 fire Saturday destroyed the home and blacksmith shop of Mr. Clarence Richard, Mont Carmel, and also consumed the contents of the home. All that was saved was some personal clothing and a few records of the nearby cannery factory, owned by Mr. Richard.

The fire is believed to have started from a spark from the nearby cannery factory which ignited a blaze in the blacksmith shop. Within a matter of minutes it had spread to the residence, only 15 feet from the shop, and the entire group of buildings was turned into an inferno fanned by the gale winds blowing at the time. The Fire Department from Wellington responded to a call for aid and was responsible for saving the outbuildings.

Mr. Arseno Richard, son of the owner, said last night that his father owned a compressed air fire extinguisher which drew its water supply from the cannery factory. However, failure of the mechanism, he thought, made it impossible to save the home. The family for special sight-seeing trips every Sunday.

Death Saturday Of Well Known O'Leary Man

The residents of O'Leary were shocked and saddened on Saturday morning, Sept. 6th, when the sad news became known that Mr. Leslie MacAulay had died from a heart attack. His passing was totally unexpected as the night before he had attended choir practice of the O'Leary United Church of which he was a valued member.

The late Mr. MacAulay was the capable and efficient clerk of the village of O'Leary and secretary of the O'Leary School Trustees. He was also a member of the O'Leary United Church Trustee Board and a member of the Brae Cemetery Committee.

Possessing a kindly and genial disposition he was beloved by all who knew him. Mr. MacAulay was 58.

He leaves to mourn his loss besides his sorrowing widow, a son Gwendolyn with the R. C. A. F. in Moncton; a daughter, Mrs. Cedric Crockett (Thelma) Montreal; and a daughter Mrs. Stephen Sinkinson (Rita) North Bay, Ontario.

Funeral arrangements were not completed last night.
