

POTATO BOOTH IS SUCCESS AT FAIR

George Howatt of French River, producer member of the P.E.I. Potato Marketing Board attending the P.E.I. potato booth at the Royal Agricultural Winter Fair held in Toronto recently. This is the 10th successive year the Potato Booth has sponsored this booth. It has grown in popularity from year to year and during the period of the fair thousands of housewives receive a recipe book and a

sample of P.E.I. potatoes. Many farmers, school children and the general public stop by there to chat. Other persons attending the booth and not shown in the photo are David Smith of the P.E.I. Department of Agriculture, Frank Brown of Charlottetown, Miss Gladys MacLean, Central Lot 16, and Mrs. J.T. Benham of Toronto. David Smith told this paper the general reaction of the housewife to P.E.I. potatoes

is really good. Many of the visitors asked that the variety of the potato be stamped on the bag, and that the printing supply information as to whether the potato is better for boiling or baking. The visitors to the Island booth also kept asking at what retail stores they could buy the Island spuds. "Most people assure us," Mr. Smith said, "that they would buy no other potato if the P.E.I. spuds are available."

Next Friday, the national vice-president of CUS will visit the campus. He is David Jenkins, a graduate law student from the University of Alberta. While he is here, he will interview the

manager will remain intact, but George MacMillan will enter the third line with Marcel Belanger and Roger Callie on the wings. Coach Kane will probably use Gerard Smith in the nets tonight, and if he plays well, he should get the call Sunday against Saint Thomas.

HOCKEY TEAM OFF
Jack Kane has his varsity hockey team in Fredericton today for the first inter-collegiate game of the season. The opponents of course, are the UVB Red Devils, a team much improved over last year, according to the scouting reports. Coach Kane said that he would have liked to play one more exhibition game, but there wasn't the time.

He has made six changes since last Saturday's 7-5 victory over the Summerside RCAF. Colin McMillan is on defence, paired with Vince Mulligan. Taking Vince's place with Billy McMillan and Gordie Whitlock will be Denis DeCarufel. The

ROLLO BAY

Lloyd MacAfee has returned to his home in London, Ont. after attending the funeral for Francis W. Deagle of Rollo Bay. Mr. and Mrs. Bobby Galloway of Souris West and Mr. and Mrs. Remegius Grant, Souris, are receiving congratulations on their recent marriages at St. Alexis Church, Rollo Bay.

Mr. and Mrs. George Christian were recent visitors to Monticello. William White, Rollo Bay is at the Charlottetown Hospital.

Mr. and Mrs. Ivan Arsenault of Charlottetown, are spending some time with Russell Perry and family Rollo Bay. Mrs. Sarah Deagle, Souris was a recent visitor to Rollo Bay.

THE WEEK AT SDU

Seniors, Freshmen Set Pace In Bowling League

By CHARLEY McMILLAN
Bowling manager Bob Weeks has released the standings and statistics of the SDU bowling league. The Senior "A" team is in first place with 20 1/2 points, followed by the Freshman "A" team, the Engineers, and the Co-eds, all with 16 points. The Juniors are in third place with 14; the Senior "B", 10 points; the Sophomores 9 1/2; and finally the Freshman "B" crew with 6 1/2 points. The top five bowlers in the league, who have bowled 10 games, are: Mike Quint, Freshmen "A", 213; av.; J. Blinckhorn, Senior, 204; av.; Paul Murphy of Seniors, 200.6; Art Strang, Freshmen "A", 197.3; and J. Callaghan of the Seniors, 198 point average. The high single leader is Bob Weeks of the Seniors with 342. Mike Quint has high triple with 730.

The St. Dunstan's Alumni sponsored a musical concert last night featuring Mrs. Catherine Judah Daniel, contralto, and William Adee, pianist. Both musicians are from the Mount Allison Conservatory of Music and have played in many metropolitan centres across Canada and the United States. The concert was well attended by students and townspeople alike. The Alumni Association is to be congratulated for their fine work at this concert, especially Rev. W. W. MacIntyre, who promoted the affair with so much zeal. It was Father MacIntyre who impressed upon the students the cultural benefits of this performance, and the students responded to his invitation with a good attendance.

KENNEDY DEATH
The sudden and tragic death of John F. Kennedy was deeply felt by the students at Saint Dunstan's, and particularly by the American students on campus. Mr. Kennedy, I think, had a special devotion to college students, and he particularly liked to associate with them. This was natural, of course, because he had an active part in college life, as a student. There are just no words which can describe the shock of his assassination when it occurred last Friday. Some of the classes were cancelled, and on Monday, the vice-president of the university, Rev. R.G. Ellsworth said a Requiem Mass for the late President. Rev. L.W. Laurinigan delivered the eulogy.

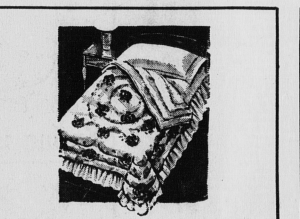

Students Union president John McMillan reports that the first general meeting of the school year will be held next Wednesday afternoon in the gymnasium. There is supposed to be a meeting every term, and the executive feels that this is the best time to have one. "We hope to have reports on the societies which we feel that the students aren't too familiar with," the president said. "The students sponsor some organizations by direct fees, yet they get little opportunity of getting first hand knowledge on them."

White appeared yesterday, and at the outset, I must say that it is a tremendous improvement over the first edition. The chief change in the paper, of course, is its change of status from a monthly newspaper to a bi-monthly edition. This is the best policy that Red and White has taken in a long time, and if the students would just contribute a few articles, their Saint Dunstan's would have a top class university newspaper.

Rolph-Clark-Stone Appointment
