STRAWBERRY FESTIVAL.—A strawberry festival and an apron fair in aid of the Charlotte-town Hospital will be held on the 13th July next. Donations will be thankfully received by the ladies of the above mentioned Hospital.—B. Blake, Sec'y of Committee.

THAT CELEBRATED CASE.—The suit of Mayor DeBuss, of Yviro, vs. the Legislature of Nova Scotia, ended on Saturday. Thomas claimed \$50,000 damages. The jury awarded \$200. His case will be appealed at once to the supreme court en banc by the legislature and carried to the privy council if necessary.

A MONEY CURIOSITY.—The Moncton Times says: Mr. Arthur Bray, of the post office, has in his possession a United States' bill, which from the date it bears, shows it to be 115 years old. It is dated at Philadelphia, 1777, and is signed by J. Davidson. The face value of the note at the time it was made was six ten shillings. On one side of it below the engraving are the words "To counterfeit is death." The bill is quite a curiosity and is, no doubt, quite valuable to collectors of ancient money.

A FATAL MISTAKE.—A despatch from Fredericton says that a man named Robert Neil, belonging to Gibson, was found dead on the sidewalk near the Catholic Church, on Sunday evening about nine o'clock. Neil's death is supposed to have been caused by taking carbolic acid. He was on the way to his home in Gibson and had in his pocket two bottles, one containing a remedy for sleeplessness and another carbolic acid. It is thought that on the way home he took what he thought was the sleeping powder but got hold of the wrong bottle.

Few people have any idea of the care with which tobacco has to be attended to in its growth. It will in the course of almost any kind if placed near the source of them. A pig sty, for instance, near the place where the planter stores his crops will impart a disagreeable flavor, which no care afterwards will drive it of. Among the many precautions taken to obtain the best leaf for the "Myrtle Navy" brand is to ascertain carefully the methods which every farmer adopts with his crops in the sections of Virginia where the "Myrtle Navy" leaf is grown.

DAMAGE BY THE STORM.—Reports of the damage by the storm of last week continue to come in from the country districts of New Brunswick. At Lutz Mountain, parish of Moncton, Abner Lutes' new barn was flattened to the ground and the roof of Charles Lutes' barn had a hole stove in it. A barn belonging to Ezra Steeves was laid low, smashing a truck wagon, but strange to say a number of pigs in the barn escaped uninjured. Samuel Randall's barn at Indian Mountain was also blown down. Lightning also struck the house of Wilson Spencer, intramural section man at God Branch and the gable end was badly shattered. Mr. Spencer was knocked senseless for a time, but not seriously injured.

SAD DROWNING ACCIDENT.—The Summerside correspondent of the Guardian says:—A very sad drowning accident occurred last Thursday afternoon at Le 11 shore, by which two young men named Crossman and Peters lost their lives. It appears that they left Milligan's lobster factory Thursday afternoon in a sailboat, with the intention of going to Crossman's house, Keynor's Creek, Lot 19. Nothing further was known of their whereabouts until the body of Peters was picked up on the shore Saturday in a nude state. It is supposed that the boat swamped, and they were drowned in the attempt to swim ashore. Crossman has not been found up to latest accounts.

NEW CHURCH.—A photograph of St. John the Baptist Church at Miscouche was shown THE EXAMINER to-day. This church is one of the finest in the province. The style of architecture is the Gothic, carried out in the clerical form. It has a seating capacity of seven hundred persons. There are two apses and three large main entrances. The work of plastering the interior of the building is now in progress, and will be finished before the big trees come off on the 19th July. The plans for the church were made by Mr. Geo. E. Baker, of Summerside. THE EXAMINER congratulates "Father John" and the good people of Miscouche upon their new church.

POOR FELLOW!—A New Glasgow correspondent of the Halifax Herald says: The Charlottetown people expect a great influx of visitors to their firm's tournament. Hadn't they better advertise reasonable rates at their hotel, and make it felony for boarding house sharks to charge more than \$2 a day each for four in a room in a kitchen garage, with dinner at the exhibition grounds? People who visited all their exhibition last fall have reason to all their exhibition charges made, and if the people of Charlottetown want them to return, they better take some means to determine reasonable rates for board and lodging. This hint don't cost them anything, although it did the writer.

THE FASTNET.—The steamer Fastnet, Captain Hopkins, will be due here on her regular trip from Halifax to-morrow (Wednesday) morning, at nine o'clock. She will proceed to Summerside about noon, and will arrive at Charlottetown on her way back to Halifax about daylight Thursday morning, sailing hence about four o'clock.

POLICE COURT.—This morning two drunks were fined \$1 or 4 days each, and a woman for selling liquor to an Indian was given a month's imprisonment without the option of a fine. The countryman arrested on a charge of larceny of a watch and hat was honorably acquitted, there not being the slightest evidence upon which to substantiate the charge.

HUNTER RIVER TEA.—A special train will run in connection with the tea at Hunter River on the 23rd, leaving Summerside at 8 o'clock, a. m.; returning will leave Hunter River for Summerside at 5 15 p. m. standard time, connecting at Emerald morning and evening with Cape Traverse train. Return fares: Summerside and Barbara West, inclusive, 60c; Kensington and Fredericton, 50c; Emerald, 40c; Bradalbane and Clyde, inclusive, one single first-class fare.—D. McKinnon, sec'y.

POST OFFICE BURGLARIZED.—About one o'clock on Monday morning the post office at Sackville was entered and the safe blown open and rifled. Soon after a fire caught, but was noticed by parties driving past in time to extinguish it before it had made too much headway. Eleven registered letters and a small amount of money was taken. A number of stamps and postal cards were destroyed. The mailing room is a complete wreck.

FROM MONTREAL.—The steamer Coban, Captain Robert Fraser, arrived here from Montreal this morning about one o'clock, with a general cargo and the following passengers: Rev. Mr. Fraser, Master Fred Brown and Master Willis and John Bishop. She left for St. John's via Sydney shortly after twelve to-day, with a cargo which included 1 cow and a quantity of potatoes, oats, apples, cheese, bacon, etc. The principal shippers were Blake Bros., Carvell Bros., John Kelly & Co., and Wheatley Bros.

NEVER FORGOT HER.—The wife of Thomas B. McClain, Methodist minister at Madisun, Ind., has been bequeathed a fortune of \$2,000,000 by an old-time lover. When she was Miss Louise Bowman a young foreigner became infatuated with her, but sought her hand in vain. Six years ago he died a bachelor and left his property to be hers if she lived seven years after his death. Next year Mrs. McClain will receive the legacy. Mrs. McClain is the Indians' poetess for the World's Fair.

THE MARKET.—The market to-day was more largely attended than for some time past. Business was brisk throughout the morning but fell off somewhat during the afternoon. The egg supply was fair with a good demand for the article at 10 to 11 cent per dozen. Butter, fresh, on hand in extra large supply with the demand a little lower. The ruling prices being 17 to 18 cents per lb., white in a few cases of exceptionally good lots, 19 and 20 cents per lb. paid. Fowl were scarce at 50 cents per pair, and were quickly bought up. Hay still holds at 50 to 55 cents per 100 lbs., but was rather scarce to-day. Oats are scarcely moving at all. What offered brought about 33 cents per bushel. Young pigs were on sale but the demand was poor.

A CRANK HEARD FROM.—Some very queer letters are received at Ottawa by Ministers and others on all sorts of subjects, but probably one mailed in St. John, N. B., on the 3rd inst., and addressed to "John McDonald, prime minister, Ottawa," is about as curious a production as has ever been received in the capital. It was opened by Mr. Joseph Pope, Sir John's executor, and by him forwarded to Mr. H. G. M. P. Here is a copy of it:

St. John's, N. B., May 27th, 1892. Chief of Police Marshall get my brother murdered 8 years ago and he got my sister poisoned at the same time and the man that murdered him are not arrested. Chief of Police Clark, has taken my life. I want him arrested right away. I remain, your obedient servant. JAMES POWERS, Union St.
