Coach Hopes To Be Ready For Tiger-Cat Strategy

By BERNARD DUFRESNE
Canadian Press Staff Writer

OTTAWA (CP)—Coach Frank Clair stressed defensive manoeuvres as Ottawa Rough Riders worked out Tuesday night in preparation for the second game of the Big Four football final Saturday.

One of the things for which Riders will try to prepare themselves is Hamilton Tiger - Cats' new "lonesome quarterback" formation.

It caught Riders somewhat by surprise here last Saturday when Ticats scored an easy touchdown with it, and went on to win the first game of the total-points series 35-7. Kickoff time for the second game in Hamilton is 2 p.m. AST.

ADAPTION EFFORT

Hamilton coach Jim Trimble admits the new formation is an "adaptation" — an euphemism for steal — from Chicago Cardinals' offence. The Cards' coach, Frank (Pop) Ivy, has said the formation is an American adaptation of the system he established a few years ago at Edmonton where he formerly coached the Eskimos.

The formation offers quarterback Bernie Faloney a potential of six pass receivers—two ends and two flankers split wide on each end, and two backs close up to the tackles in a sort of wedge-shaped line. The quarterback takes the snap about six or seven yards behind centre.

Clair said there was nothing "new" in the formation.

"We've usel the same thing for a month now, with a variation.

It was reported Clair heard about the Ticats' new play shortly before last Saturday's game and did not have the time to work up a solid defensive play against it.

NEW DEFENCE

He hopes to have one ready for next Saturday, but there is no assurance that Trimble will use it again. Instead, the imaginative Hamilton coach may try something else.

Clair gave his Riders a day off Monday, except for a skul. session with the films of Saturday's game.

"There wasn't too much to be said," Clair said. "We got whomped but good and all we can do on Saturday is to give a real try."

It will take a mighty effort to overcome the cozy 28 - point cushion Ticats hold and go on to the Grey Cup game in Vancouver the following Saturday.

NHL Expansion Is Long Way Off

NEW YORK (AP)—Expansion of the National Hockey League to the west coast is still "a long way off," Clarence Campbell, president of the six-team circuit, said Tuesday.

Commenting on a report that a Los Angeles group is seeking to obtain a franchise in ice hockey's big league, Campbell said the transportation problem would be too difficult to overcome at present.

"Air travel in the winter is something you can't figure. Bad weather could ground a club and throw our schedule out of order.

"We must have both the Montreal and Toronto teams at home almost every Saturday night. The Canadiens have sold out every game for the last 14 years and Toronto every one of the last 12. They can easily get to Chicago or Detroit for a Sunday game but the west coast is another thing."

HEADED BY INVESTOR

The Los Angeles group is headed by Chuck Johnson, 40, an investor.

"Much more practical would be a two-division setup, one in the east and one in the west. The western division would include Los Angeles and perhaps San Francisco and Denver. But that's likely to take a couple of years."

Campbell is here to attend a special meeting of the American Hockey League's board of governors. The discussions involved possible termination of the annual drafting of American League players by the National League and Western League players by the American League. No positive action was taken, however.

SPORTS FRONT

By PIUS CALLAGHAN

A FIVE-TEAM Island basketball league for the 1958-59 season came into being on Monday night and judging by the enthusiasm displayed at the organization session, a good year is in store for basketball players and fans.

It's a senior 'C' league and composed of Charlottetown Trotters, Charlottetown Y.M.C.A., R.C.A.F. (Summerside), Prince of Wales and St. Dunstan's Juniors. The schedule is expected to get underway on or about November 26.

THERE SEEMS to be more basketball interest than was in evidence for quite some time. If this interest can be maintained, then there shouldn't be any doubt about the success of the league.

However the greatest difficulty around these parts, as far as basketball is concerned, is to work up spectator interest. It seems strange that this sports-minded Island has always been slow to arouse in this game of basketball. Other places pack them in for hoop tilts but here on P.E.I. it's been a most difficult task to entice people out to the games.

This is indeed unfortunate because basketball is one of the fastest games you can witness. It has loads of spectator appeal as evidenced by the huge crowds that turn up for games in the United States. There seems no logical reason why we should react any differently on Prince Edward Island.

But we do. And that's it.

PLAYERS AND OFFICIALS intend to do their part in the attempt to bring out more fans. They have taken measures to deal with teams who default games without making any arrangement whatever with their opponents. No league can operate with any degree of success if teams decide to show up just when it suits them. Any team that pulls that stunt this season will hand over $10 to the league treasurer. That should put a halt to such goings-on, since no basketball team has any amount of money to throw away.

The representatives of last year's league, the Trotters, proved they were tops in their class in the Maritime provinces when they won the tournament staged here last May against the New Brunswickers and Nova Scotians. The Trotters will be favourites to repeat as champions of this year's loop but they'll find the going plenty rugged on the road to the crown.

Our good friend Bill Ledwell has been selected as league president. Bill has associated with him hard working officials who will do their darndest to see that the league is a success all the way.

You, the fans, can help put this affair over in a big way by attending the games.

How about it?

WHILE WE ARE on the subject of basketball, we wish to remind you once again of the great treats in store for you this coming Friday and Saturday.

On Friday at the R.C.A.F. station in Summerside and Saturday at St. Dunstan's gym, the spectacular House of David team will be performing. These bearded gentlemen are terrific entertainers and have been acclaimed by basketball fans wherever thy have appeared.

Their showmanship, ball handling wizardry, shooting, passing and the clowning of Bobby Roth will have the fans in a continual uproar. It's a show that you just can't afford to miss.

This Roth is the midget of the men with the whiskers. But Bobby is the only one of the players that is under six feet. The next smallest guy is 'little' Perry Reynolds, a mere 6 ft. 3 in. The giant of the outfit is Moose Cooley who goes six feet 7 inches above the ground.

THIS FELLOW COOLEY will make a big hit with the fans. He is very deceptive on the pivot and will have the fans in an uproar with his tricks. He has the ability to hand the ball to the opposing player and then retake it from him all in the same motion.

All the other players on the famed visiting team are equally as brilliant as Roth and Cooley. They'll be pulling out all the stops to provide Friday and Saturday's patrons with the greatest basketball treat in years.

Remember the dates are Friday in Summerside and Saturday at St. Dunstan's for this stellar attraction.

CHARLIE HOGAN has Civic Stadium in Summerside operating full steam ahead and Earl Nicholson hopes to open the Sports Arena to the public the latter part of this week.

Both these winter playgrounds are certainly necessary in our community and are performing a real public service. Charlie had his Stadium all tidied up from top to bottom and early season patrons have commented on the fine appearance of the ice palace.

Earl has done likewise with the Sports Arena and we were agreeably surprised with the new look when he paid 'Nick' a call Monday. The exterior and interior of the building have been given the paint treatment and the result of the brushes has made a terrific difference. Canteen, ladies and men's rest rooms, dressing rooms all have been remembered by the painters.

THESE RINKS definitely need not apologize for their appearance or their facilities. The owners and their managers are endeavouring to serve the public efficiently and courteously. We think they are accomplishing that in fine style. It's so easy to criticize when some small thing goes wrong. Yet, when everything is rosy, no plaudits are forthcoming.

If the operators of Civic Stadium and the Sports Arena decided some of these days that they had enough, we don't think they would be crowded with prospective buyers. Persons with 'get rich quick' ideas would not be among those who might be interested in taking over these arenas.

Both these winter centres on Prince Edward Island are doing a splendid job and here's hoping they can continue to do so.

How would we manage to get along without them?

WELL WHITEY FORD didn't manage to win any world series games last month yet you will find lots of fellows who are ready to call him the best pitcher in the American League. Some will go farther and term him the best in the majors.

Washington's Eddie Yost is among the admirers of the Yankee southpaw. Says Yost:

"Whitey Ford has the kind of control which puts all the burden on the hitter. You can't afford to take anything he throws and hope to get lucky. He always gets a piece of the plate. He walks nobody. With a lot of pitchers, you get a chance to think a little. They might have a pattern and if you've seen them enough you can expect certain things. But with Ford you have to expect any pitch at any time. He mixes them up. Fast ball... slow curve . . . then a good curve . . . then a change-up. Or the other way around. He gets you out."

Well, there you've heard from Eddie. Is Whitey Ford still a top pitcher in your book?

CAHA Asked To Suspend Player For Life

CHATHAM, Ont. (CP) — The Canadian Amateur Hockey Association has been asked to suspend Chatham Maroon forward John Bailey for life following his attack on the team's playing coach, Johnny Horeck, during Monday night's OHA - NOHA senior A game against Sault Ste. Marie.

Horeck said Tuesday he phoned George Dudley, CAHA secretary-manager asking that Bailey be suspended from all hockey in Chatham," Horeck said.

Bailey's attack occurred during the second period of the game, won 3-0 by Chatham. Prodded by Horeck to backcheck, Bailey was said to have used profane language on the ice.

When he returned to the bench, Horeck told him to stop using obscene language or go to the dressing room. Bailey was said to have replied "I will" and started throwing punches as he passed Horeck.

Empire Stadium Offered For 2nd W.I.F.U. Game

VANCOUVER (CP) — Empire Stadium has been offered as a site for the second game of the best-of-three Western Interprovincial Football Union final series if weather conditions make it impossible to hold the game at Winnipeg tonight as scheduled.

Herb Capozzi, general manager of the British Columbia Lions of the WIFU, said Tuesday he had made the offer in telegrams sent to football commissioner Sydney Halter of Winnipeg, Edmonton Eskimos and Winnipeg Blue Bombers.

The Bombers defeated Eskimos 30-7 in the first game at Edmonton Saturday. The second game is set for Winnipeg. However, a fierce blizzard has dumped more than 16 inches of snow on the city.

N.H.L. President To Open Tenth Annual Hockey School

Last evening officials of the Provincial Physical Fitness Division announced that the tenth annual hockey school for coaches and referees of the Atlantic Provinces will be held in Charlottetown at the Charlottetown Hotel and Sports Arena, December 1st to 3rd inclusive.

Mr. Clarence Campbell, president of the National Hockey League is giving his usual full support to the school and after being diappointed in being unable to attend the last two years, plans on being on hand this year to deliver the key-note address and officially open the school.

Chief instructor this year will be chief NHL referee, Roy "Red" Storey and supporting him will be another well-known former NHL player-coach.

As usual, all Island and Maritime centres are invited to send coaches and referees to the school. Any chap who is interested in officiating or handling a team should take advantage of this year's school. No effort is being spared to make it the best yet and here is a chance for every community to get two or three officials of their own to look after local games.

The annual hockey school, supported by the NHL, MAHA and Provincial Fitness Division has always created a goodly amount of interest among mangers, coaches and officials.

This year's effort will be no exception and it is expected a record-sized group will be on hand to get the benefit of seasoned veterans' instructions and take part in discussion of the latest rules of the game, etc.

In addition to Mr. Campbell, local officials expect a goodly representation of MAHA officers to be on hand.

Tiger-Cat Coach Has Something On Bombers

HAMILTON (CP)—Coach Jim Trimble of Hamilton Tiger-Cats believes he has "something" on Winnipeg Blue Bombers. At any rate, he plans to scout the Bombers Wednesday night at Winnipeg for the second time this season.

Trimble said Tuesday he made an undercover trip to Winnipeg last Sept. 29 and watched the powerful Bombers wallop Edmonton Eskimos 43-13. Bombers and Eskimos meet tonight in the second game of the best-of-three Western Interprovincial Football Union with Bombers one game up.

Trimble's Ticats are expected to advance to the Grey Cup final for the second straight year after Saturday's final game against Ottawa Rough Riders in the Big Four union's home - and - home total-point final series. Ticats won the opener at Ottawa 35-7 last Saturday.

Trimble revealed that he made his September trip to Winnipeg under the name of "Deacon." He bought a $2 bleacher ticket and watched the game through binoculars.

"I think I picked up something on the Bombers which we'll be able to use in the Grey Cup final if Hamilton plays Winnipeg," Trimble said. "I picked up the same thing last Saturday on television in the Winnipeg-Edmonton playoff game."

Red Schoendienst Definitely Has Tuberculosis

MILWAUKEE (AP) — Tests have disclosed that second baseman Red Schoendienst definitely has tuberculosis and probably will not play baseball next season, the Milwaukee Braves announced Tuesday.

Donald Davidson, Braves publicity director, said the announcement came from Dr. Ray Martin, Schoendienst's physician. Schoendienst now is a patient at Mount St. Rose sanitarium in St. Louis.

Davidson quoted Dr. Martin as saying, "It is quite likely that he might not play next year, but we are optimistic about a full recovery."

The 35-year-old infielder, who led the Braves to the 1957 world championship, entered a St. Louis hospital about 10 days ago for a checkup.

Don Newcombe Fails To Appear In Court Tuesday

NEWARK, N.J. (AP) — Don Newcombe failed to appear in court again Tuesday to plea to an atrocious assault and battery indictment.

Essex County Judge James R. Giuliano said he will issue a bench warrant for the Cincinnati Redlegs' hurler if he doesn't show up in court by Monday.

STANDINGS

National League

	W	L	T	F	A	Pts.
Montreal	9	5	2	59	42	20
Boston	7	7	4	57	52	18
Detroit	9	8	0	42	36	18
New York	6	6	5	49	48	17

Toronto	5	9	1	32	45	11

Supple Scores Easy Victory

LONDON (Reuters)—Canadian bantamweight champion Pat Supple pounded out an easy victory over Eddie O'Connor of Dublin in an eight-round bout here Tuesday night.

The young Montrealer wore down his opponent with solid body punches. At the end O'Connor was beating a steady retreat rather than mix in close with the Canadian.

WIFU Game May Be Played Today Despite Violent Storm

WINNIPEG (CP) — The second game of the Western Interprovincial Football Union best-of-three between Edmonton Eskimos and Winnipeg Blue Bombers will go on as scheduled tonight despite a violent blizzard which has dumped about 14 inches of snow on the city since Saturday night.

Football commissioner G. Sydney Halter of Winnipeg said Tuesday that "present plans are to proceed with the game."

Stewart MacPherson, general manager of Winnipeg Enterprises which operates the football stadium, announced earlier that he had some doubts as to whether the football game would go on as scheduled.

Bombers won the first game 30-7 at Edmonton Saturday. The series winner represents the West in the Grey Cup final at Vancouver, Nov. 29.

MacPherson said unless the storm blew itself out Tuesday afternoon he felt it would be impossible to have the football field, stands and parking area cleared in time for the game.

Football officials checked the playing field, covered by giant tarpaulins since last week, and found it in good condition.

Eskimos are expected to have import halfback Ralph Pfeifer back in the lineup. He missed the first game when he returned to his home in Kansas to attend the funeral of his father, killed in a car accident. But the other first-string half, Don Flynn, still is a doubtful starter. Flynn also sat out the first contest with sore ribs.

Bomber coach Bud Grant's biggest problems are halfback Leo Lewis and fullback Charlie Shepard, both of whom came out of Saturday's game with injuries. Lewis suffered a painful toe injury and is expected—if he starts—to be running only at three-quarter speed. Shepard reinjured his hip and may be held to punting duties as in the latter stages of the opener.

Red Wings Blank Bruins; Wilson Flips In Three

DETROIT (AP)—Johnny Wilson scored three goals—the second time he has done so in eight NHL seasons—to spark Detroit Red Wings to a 6-0 victory over Boston Bruins Tuesday night.

Goalie Terry Sawchuk was spectacular in the nets and shared the limelight with Wilson by making 26 saves, three crucial ones coming in the final minute when his teammates were frantically trying to protect his shutout.

Wilson scored in the first period, coming from behind the Boston net and getting a loose puck near the goal mouth. He got his second goal by converting his own rebound, then got Detroit's third goal on a brillia individual effort.

Nick Mickoski, who scored one goal and assisted on four others, intercepted a pass at centre ice and shoved the puck to Wilson. The veteran skated around defenceman Jim Morrison and beat goalie Don Simmons with a 10-footer. Just 36 seconds later as the second period was closing, Mickoski lifted a shot past Simmons, who was screened out.

The Wings finished off their best night of the season with two final period goals, rookie Charlie Burns scoring on a power play and Jack McIntyre getting a breakaway 30-footer.

The victory bunched up the close NHL race even more so with just four points separating first and fifth place.

The Red Wings moved into a tie with the Bruins for second place, each with 18 points—two less than first-place Montreal.

SUMMARY

First period: 1. Detroit, Wilson (Burns, Mickoski) 14:02. Penalties: Boivin 11:05, Mackell, Ullman 18:11, Howe 19:09.

Second period 2. Detroit, Wilson (Mickoski, Goegan) 8:41; 3. Detroit, Wilson (Mickoski) 19:22; 4. Detroit, Mickoski (Burns, Wilson) 19:58. Penalties: Kennedy [illegible] 17:19, Labine 8:32, McCormick 1204, Morrison 1242, Topp[illegible] 1401.

Third period: 5. Detroit, [illegible] (Mickoski) 3:21; 6. Detroit, [illegible] Intyre (Holmes) 5:57. Penalties: Pronovost 16:35, Labine 19:[illegible]

Stops	
Simmons	4 5 [illegible]

Kelowna Packers Battle Moscow Wings To 1-1 Tie

MOSCOW (AP) — Canada's Kelowna Packers and Moscow Wings of the Soviet Union battled their way to a 1-1 tie Tuesday in a free-wheeling exhibition hockey game.

A crowd of 12,000 excited fans cheered, jeered and shouted as the players scrambled all over the ice in the Lenin Sports Palace to try to break the tie that came on the Soviet squad's goal in the third period.

Tom Stecyk scored Kelowna's goal at 3:18 of the second period. Vladimir Grebennikov pushed through the Soviet Wings' goal to equalize the score at 11:16 of the final period.

The night's star was Canadian goalie Dave Gatherum whose nimble footwork kept the Soviets from piling up a higher count.

Five penalties were called against the Kelowna squad, two of them against Russ Kowalchuk for slashing. The Soviet Wings had one penalty against them when Nikolai Karpov was sent to the box for roughing.

SHARED PENALTY

Karpov's penalty for roughing was shared with Kelowna's Jim Middleton in the hectic final minutes of play—at 18:22 of the third period.

The game got off to a fast start as the eager Canadians tried to make up for Sunday's 4-3 loss in the first game against another Russian squad. But the Canadians found themselves outplayed by the Soviet team in the first period, which ended with no score.

Gatherum was the crowd's favorite as he made some spectacular saves. He dropped to the ice when a whizzing puck struck him in the head after just five minutes' play, but he picked himself up and finished the game.

The Soviet team's goalie, Evgeni Erkin, also won cheers from the fans for his sharp work.

The Soviet team's passing and team work were superior to the Canadian squad's throughout the contest.

DOWN THE BACK STRETCH

A despatch from the U.S.T.A., Columbus, Ohio, dated November 11, states that an all-time record for miles in two minutes or faster already has been set this year, with nearly three weeks remaining in the 1958 harness racing season. Records compiled by the U.S.T.A. for all tracks in the United States and Canada show that 72 "magic miles" have been clocked, eclipsing the previous high of 70 set in 1953.

Shadow Wave's 1.56 3-5 victory in the second leg of the $75,000 American Pacing Classic at Hollywood Park, Inglewood, California, last Saturday and a 1.58 4-5 time trial by the trotter, Charming Barbara, earlier in the day on the same track, accounted for the new record. Shadow Wave's time is also a world's record for a three-year-old pacer.

It was Shadow Wave's sixth effort in two minutes or better this season. U.S.T.A. figures show that nine trotters and twenty-six pacers have contributed to the record-breaking 72 total in 1958.

Shadow Wave was driven, in all the above miles, by our native son, Joe O'Brien, and we believe Shadow Wave has the record for the most two-minute miles this season.

LARGE ENTRY

John F. Cruikshank, race secretary at Sackville Downs track near Halifax, has had exceptional success in securing entries for the Haligonian Stake No. 1, to be raced at Sackville Downs in late August or Early September, 1959.

The nominees were required to be two-year-olds in 1958, and the Stake, when raced, will be for three-year-olds. Thirty-nine entries make up the list. Among those sent in by owners in the province are: six by True Hal; seven by Abner T. Clegg; one by Argot Pointer; one by Russell Hanover; three by Watchim; one by Simcoe Harvester; and one by Cyclonic

We wish to draw the attention of owners of foals of 1958 to the desirability of registering them in their yearling form. By so doing, the fee is only five dollars. After that, and until Janurary 1 of the following year, the registration fee is ten dollars, and thereafter, fifteen dollars.

The two latter figures apply only to Maritime bred foals, an exception having been made in fees for registration because of a motion proposed by the writer and seconded by Joe O'Brien at a meeting of the U.S.T.A. directors that these fees apply to the Maritimes.

Fees for yearlings in United States is fifteen dollars, and thereafter, twenty five dollars. For those who find difficulty in completing registration forms, we are fortunate in having one who has taken a great interest in registration and has been a valuable assistant in the judges' stand at the Charlottetown track. We refer to Mrs. Ida Yeo, 70 Longworth Avenue, Charlottetown, who has informed us that she will be available to give the above assistance up to December 1st. So get busy, breeders!!! And remember that if you want to make a sale, the possession of a certificate of registration is a big help.

Our friend, Colonel Jim Calkin, who is thoroughly familiar with harness horses and whose father was one of the mainstays of the sport years ago, writes a column in the Hartland (N.B.) Observer titled: "Notes from the tack room", from which we quote:

"Les Stiles' good pacer, Poplar Veep, was a recent winner at Rockingham Park for Bob Ryan, time 2.06 1-5, which is a record for fall racing at the New Hampshire Oval. The purse was $1,500, and the Valley Stable's Hal's Man won his race in 2.11 for trainer Clayton Killam for a purse of $800 at the same track".

From the same column we note that Norman Woolworth paid the top price at the Lexington sales, held in late September—$27,000 for the yearling filly "Yankee Sweetheart". She is now at Clearview Farms, Maine, being given early lessons by trainer Earl Avery, formerly of Woodstock, N.B.

MAKE PURCHASE

Two of our well known horse lovers, Willard MacDonald, of Summerside and Rankine MacLaine, Charlottetown, have purchased the very fast pacer, Mighty Lee, 4, 2.04 1-5, that has been meeting some of the better pacers at Roosevelt and Yonkers Raceways. He is five year old, and last year had 10 first, 4 seconds and 5 thirds, with winnings of $4,665.

Speaking about him with well informed harness racing men, they expressed the opinion that he should pace our track in 2.07 or possibly faster.

The Standardbred sale at Harrisburg set up new records for total money paid for horses, also the average price, and the top figure ever paid for a yearling at auctin. The yearling was Dancer Hanover, a half-brother to Thorpe Hanover 3, 1.58 2-5, and to Bachelor Hanover 3, 1.59 2-5 that went to $105,000.

The purchasers were young trainer - driver Stanely Dancer, New Eypt, New Jersey, and several other horsemen who formed a syndicate. There were 867 head sold, and they brought $2,514,850. The best previous total was $2,132,845 in 1955. The average of $2,901 repleced the $2,376 set in 1956 for 847 head. Last year's sale total was $2,100,100 for 928 head, which averaged $2,263.

BEST FOR YEARLINGS

This year's sale also has the record of being the best for yearlings. The 496 youngsters sold for $1,733,350, an average of $3,491. Sixteen head by Adios brought $370,100 for an average of $23,131. Twenty-four head, the get of Hoot Mon, principal trotting stallion at the Hanover Shoe Farms, brought $148,000 for an average of $6,183.

We are sure our Maritime friends who were present must have got a great "kick" out of the actions of the veteran auctioneer, George Swinebroad, when Dancer Hanover, by Adios, dam "The Old Maid", by Guy Abbey, was brought into the ring. His sire is well known as the greatest in the world, at present, but we may say something about his dam—The Old Maid.

She has had seven foals; two took marks of two minutes, four of 2.01 or better, and her ancestry is brimming with speed.

The buyer was the youthful driver, Stanley Dancer, who is rapidly making a name for himself and can be placed among the top four or five drivers. He was born at Edinburg, New Jersey, July 25, 1927, and was one of the busiest drivers in the United States last year making 708 starts and winning 130 firsts, 121 seconds, and 110 thirds. His winnings in 1957 amounted to $425,199.

The Hanover Shoe Farm yearlings, which numbered 129 at Harrisburg, sold for $894,500 for an average of $6,934. The former record for Hanover Shoe Farms, made in 1957 when 115 trotters and pacers faced the auctioneer, brought $639,850 for an average of $5,564.

This was the first year that Hanover Shoe Farms offered the get of Adios, which they, and others, purchased for $500,000 from Del Miller, who remained as a part owner. This year Adios yearlings sold at the above sale, and a few elsewhere, brought a total of $438,000 for an average of $23,804.

Altogether, over the years, 178 yearlings by Adios have been sold for a total of $1,792,600.
