Latin Seen On Way Out In RC Church

VATICAN CITY (Reuters)—The Vatican ecumenical council has voted amendments to a decree which, it is reliably believed, will allow Latin to be replaced by local modern languages in large sections of Roman Catholic worship.

The assembly of more than 2,000 prelates voted 11 major amendments to the first chapter of a draft liturgy decree that occupied them from Oct. 22 to Nov. 13.

A council communique referred specifically to only four of these amendments, all approved by overwhelming majorities, and said one dealt with "questions of the language to be used in the liturgy."

Sources close to the council said the first chapter, laying down general principles for renewing Catholic worship, was expected to allow for the further introduction of the vernacular to replace Latin.

Final amendments to the first chapters of the decree—dealing specifically with the mass and the sacraments—will be voted on next year.

48 Caribou Aircraft Are Sold

OTTAWA (CP)—A $27,000,000 contract from the United States Army for 48 Caribou aircraft, produced by de Havilland Aircraft of Canada near Toronto, was announced Wednesday by Defence Production Minister O'Hurley.

It brings to 162 the number of Caribous ordered for the U.S. Army. This year 34 were delivered and 53 are slated for delivery in 1963.

TEST YOUR PLAY

1. You are declarer with the West hand at Three Notrump. North leads the queen of hearts, South playing the king, and you duck. South returns the eight of hearts. You win and cash the A-K of diamonds, learning that South started with three diamonds to the jack. How would you now play the hand?

West		East
♠ A J 10 9	N	♠ Q 6
♥ A 3	W E	♥ 6 5 4 2
♦ 10 9 7 6	S	♦ A K Q 5 2
♣ A K 7		♣ 8 3

2. You are declarer with the West hand at Six Spades, South having overcalled your partner's diamond bid with one heart. North leads the four of hearts and you win the king with the ace. How would you play the hand?

West		East
♠ A Q 10 9 7 5 4	N	♠ K J
♥ A Q 7 3	W E	♥ 9 5 2
♦ —	S	♦ A Q 9 8 7
♣ A 2		♣ Q J 6

1. It would be wrong to take a spade finesse at this point, because if it lost, you would go down, losing four hearts and a spade. The sure way to make the hand is to lead a heart and discard a diamond on it. This permits you to cash all of dummy's diamonds eventually — something you can't do at the moment because the suit is blocked. The previous plays indicate that North has at most a five-card suit. The worst that can happen on this line of play is that you lose four heart tricks.

2. There is no positive way of making the hand, but there is a best way to play it that is practically certain to win. Cash the ace of clubs and lead a spade to the jack. Then discard the two of clubs on the ace of diamonds. Now play the queen of clubs.

If South plays low, discard one of your heart losers. If the queen wins the trick, you've made the hand. Eventually, after drawing trumps, you lose a heart trick. If the queen loses to the king, the jack becomes established in the process, and the last heart loser can later be discarded on it.

If South covers the queen with the king, you ruff it, enter dummy with a trump, and discard a heart on the jack of clubs. This brings you to twelve tricks.

It would be dangerous to play the hand otherwise. Suppose you won the opening heart lead and immediately entered dummy with a trump, discarded a heart on the ace of diamonds, and then led the queen of clubs and finessed.

If the finesse lost to the king, you would surely be defeated by a trump return. You would have no entry to dummy to cash the jack of clubs.

DAILY CRYPTOQUOTE — Here's how to work it:

AXYDLBAAXR
is LONGFELLOW

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
