THE ONTARIO LEGISLATURE was prorogued on Monday.

REMEMBER the entertainment in St. Peter's Hall next Tuesday evening.

AFTER LICENSES.—There are 122 applications for liquor licenses in the City of Halifax.

THE OLD CATHEDRAL.—The work of tearing down the old St. Dunstan's Cathedral, sold to Mr. Deroche some time ago, is well under way. The building is to be off its present site by the 1st of May.

JUBILEE STAMPS.—Last chance to obtain a set of these souvenir stamps. The Government have sold out, but you can obtain sets from E. W. Taylor, Cameron Block, from 30c to \$2.50. Apply early. Only a few sets left.

WALKED IN THE PROCESSION.—It is stated that when Mrs. John Webster, of Cambridge, King's County, N.S., was buried a few days ago, her mother, ninety-three years old, walked in the funeral procession.

SHORTHAND.—Mr. Arthur D. Moren, son of Mr. M. J. Moren, of the Customs Department, was one of the prize-winners in the students outline competition in connection with the Phonographic Institute, Cincinnati, O. Congratulations.

MARY QUEEN OF SCOTS.—To-night is the date of Rev. Mr. Fullerton's lecture on Mary Queen of Scots, in the Methodist Church. Do not fail to hear him and see the magnificent collection of stereoscopic colored views. Lecture at 8 o'clock.

FAST WALKING.—A number of men assembled on the ice at Lollar Lake, Nova Scotia, on Saturday to see Melvin Baker of Jeddore, walk six measured miles in less than an hour. He accomplished the feat with two minutes to spare, thus winning the bet of \$5. The walking was none of the best owing to slight drifts of snow.

BILLIARDS AND POOL.—A new billiard and pool room has been opened up on Queen Street, in the place lately known as the Hub restaurant. The tables are of the latest pattern, and the appointments throughout of the best description. Those who enjoy a game will find this an excellent place to have it.

AFTER THE FIRE.—The assessors of Windsor have finished their work. The valuation this year is \$1,214,120 compared with \$1,311,332 before the great fire.

James Reid, of Dorchester, N. B., has the contract for building the new academy at Windsor, at a cost of \$33,568; a residence for Mrs. E. Dimock, in place of one destroyed in the big fire, \$10,000, and also repairs to the court house amounting to \$5,000.

NOT ALL RICH YET.—Mayor Andrews says that there are a great many applications for work and relief this year; far more, in fact, than can be attended to by the city administration. A great many of the applicants seem to be in great distress, and in urgent need of work. He thinks the matter will have to be brought to the notice of the council and that some system of relief will have to be devised. This city is better off in this respect than many other cities, especially those in the east, but the problem of how to deal with the unemployed, is a difficult one and will require careful consideration.—Winnipeg Norwester.

THAT VACANT SENATORSHIP.

SIR.—It is not at all likely that Mr. Taplin, Mr. Pound or Mr. Gaffney will get the appointment or be invited to sit up higher. There is another view of the matter. We are entitled to four senators from P. E. Island. The men who are there now, denominationally speaking, represent the Catholics, Methodists and Baptists. The Presbyterians, who are fully one third of the population of the Province, are not represented. The Episcopalians are not represented, so that it would be nothing but fair to appoint a Presbyterian to the Senate when we have so many competent men. The Hon. Mr. Laird, a man who would do credit to the country, possessing large experience, extensive information and great ability. Mr. Pound is also a Presbyterian, Mr. McNutt, from Malpeque, another, and Mr. Rogers, from Alberton, I understand, another. With such an array of talented and able men I am now thinking a Presbyterian will be chosen. If not, an injustice will be done. The waves floated into the House of Commons 2 Catholics, 2 Episcopalians and one Presbyterian. The Government must therefore see that in order to balance affairs the vacant seat is due to the Presbyterians and not to the Episcopalians who have already two representatives in the House of Commons. A good practical mechanic would be of great service in the senate and would be able to watch estimates and expenditures upon repairs to either the Parliament or the Public Works. Besides why should we not have a knight or two on the Island? Mr. Laird would do credit to that dignity and Sir David would be highly eulphorous—it would bring our recollections back to the great psalmist, while Sir Louis would not in imagination carry us further than Lennox Island.

There is a good deal of speculation in the minds of the people about this matter; but as some one has said, vengeance is "just sweet" and that of the disappointed ones will be complete when East Prince is opened. Jacks are trump, and Mr. Yeo holds the ace they say, and therefore when the Bell rings the curtain will drop. We poor unfortunate country people will have to chew our cud with "live horse or cow and you will get grass." Farewell.

Prince County, January 18th, 1897.

KLONDIKE BAR.

Important Announcement Great Interest to Farmers.

The management of the Charlottetown Soap works, announce to the farmers of Prince Edward Island, that they have purchased at a very low figure for a term of years all the grease by product of the Charlottetown Pork Packing Factory, accumulated from time to time, and are in a position to supply farmers and others with a cheap soap far superior in quality to the home-made article, and at a price so low, as to make it scarcely worth while to worry about soap supplies hereafter.
KLONDIKE BAR will be for sale in a few days by all dealers, at the low price of ten cents per bar of three pounds.
THINK OF IT.—A first-class laundry and scouring soap only 10 cents for 3 lbs. It will be a waste of time and money for farmers to bother about soap making now. The grease he has sold to the Pork Factory for 5 cents per lb, will be returned to him, manufactured into a first class article of soap at a cost of a fraction over 3 cents per lb.
