Treasurer.....Dan McAskill, Donagh 569-4351
Directors.....Peter Klaussen, Charlottetown 892-8625
.....Vacant

NEWSLETTERS are published bi-monthly. Articles, notes, reports, drawings, etc. are welcomed from members and non-members. If you have seen anything unusual, please share it with us. It is important to have your observations recorded so that others may learn from them. "Today's notations become tomorrow's history". All contributions should be sent to:

Dan McAskill
The Newsletter Editor
Natural History Society of Prince Edward Island
Charlottetown RR # 5
Donagh, P.E.I. C1A 8C1

The Natural History Society gratefully acknowledges the financial assistance from the Department of Tourism and Parks which enables the newsletters to be distributed to schools and libraries and to members.

The Natural History Society is an affiliate of the Canadian Nature Federation and has representation on the board of the Island Nature Trust. The Society is a registered, non-profit organization. Tax receipts are issued for donations to the Society and donations are used to further the work of the Society. Editors of other newsletters are welcome to reprint articles from the Island Naturalist (except when copyrighted) but acknowledgment would be appreciated.

THIS MONTHS COVER

The cold, wet weather of this spring delayed the appearance of new leaves and flowers on our deciduous trees but we are now being blessed with a profusion of flowering trees. The flowers depicted on this issues covers are from the sugar maple (Acer saccharum) and the striped maple (A. pensylvanicum). The sugar maple is capable of growing in heavy shade (shade tolerant) while the striped maple can withstand only limited shade.
