Sun Shines On Pilgrims In Bethlehem Christmas Day

BETHLEHEM (Reuters)—The sun shone on the little town of Bethlehem Wednesday as millions of Christians throughout the world celebrated the birth of Jesus.

Thousands of pilgrims from scores of countries wandered through the winding stone-paved streets in warm sunshine.

Religious ceremonies started in the Holy Land at midnight with a high mass in the chapel of the manger inside the tiny Church of the Nativity.

This morning a Protestant open-air service was held in the fields east of Jerusalem where the angels announced the birth of Christ to the good shepherds.

In one corner of the Holy Land the Christmas peace was marred by machine-gun and rifle shots.

Reports from the Israeli village of Gadoth, north of the Sea of Galilee, said the sound of firing and grenade explosions was heard along the Syrian - Israeli border.

There have been no reports of casualties.

In Gaza, troops of the United Nations Emergency Force had Christmas in the style of their homelands. Indian troops volunteered to stand all guard duties from Tuesday evening until this morning to permit Canadian, Brazilian, Danish, Norwegian and Swedish soldiers to observe the Christian holiday.

United Nations Secretary-General Dag Hammsrskjold is in Gaza for Christmas with the UNEF.

The annual Christmas service at the Church of the Nativity reached its climax when the Roman Catholic patriarch of Jerusalem, Msgr. Alberto Gori, placed a figure of the Christ child on a large silver star in the grotto, the place where tradition says the child was born.

The deacon of the church took up the figure of the infant. He stepped three paces, then down two worn steps and laid the figure in the manger. Church bells pealed, the choirs sang out the news, and the multitude prayed in thanksgiving.

Guests at services at Nazareth, the Galilee town where Christ spent his youth, included Christian Arabs in the Israeli army. At Haifa, Israel's chief port, sailors from Swedish, Finnish, German and Norwegian ships attended the Christmas service in Scandinavian Seamen's Church.

Carols Precede Midnight Mass

A half hour of carols preceded Midnight Mass at the Sacred Heart Church, Alberton, on Christmas eve.

The Mass was celebrated by Rev. Phelan McKenna. Leonard's Mass in E flat was sung by the choir. The solo parts were by J. H. Barrett, Raymond Ahearn and Albert Noonan and a duet by Mrs. E. E. Larter and Miss Helen Barrett. The Offertory was "Adeste Fideles."

Burglars Enter Convent Street Grocery Store

In the only breaking, entering, and theft case reported in Summerside during the entire pre-Christmas season, the convent Street grocery store of Verno Pineau was the scene of a break on Monday night—the fifth break at this store in three years.

Mr. Pineau, who sleeps at the store to protect his property, had gone to his father's home to wrap Christmas presents after closing the store about 10 p. m.

On his return for the night about midnight he found that a window in the back of the store has been smashed in, and that some $75.00 in cash, and an additional $75.00 worth of cigarettes and other merchandise, had been stolen. Among the articles stole was a wrist watch, cigarette lighter, pen, cuff links, and tie clip. The following morning a wallet and the empty cash box from the store were found on the ground a short distance from the property.

A few hours after the break was discovered two Summerside men were taken into custody as a result of police investigation into the break, and were remanded until after Christmas when they appeared in Police Court before Magistrate E. H. Strong on Tuesday.

The last break at this store occurred last spring when about $200.00 in merchandise was stolen, and in the five breaks in the past three years Mr. Pineau estimates that $700 to $800 in cash and merchandise has been stolen.

TO ELIMINATE HAZARD

A thundering explosion next spring will mark the latest effort to remove one of Canada's worst marine hazards.

Engineers hope the $3,000,000 blast will signal the end of Ripple Rock, a treacherous submarine mountain in the Seymour Narrows, 10 miles north of Campbell River, B. C., which has claimed 114 lives.

The project was started in 1956 by the federal government and involves setting off one of the strongest non-nuclear blasts ever attempted in North America. The explosives will be placed in an intricate network of tunnels that winds under the Narrows itself.

Ripple Rock is almost in the centre of the southern entrance of the Seymour Narrows, two miles long and a half mile wide. Vancouver Island is to the west and Quadra and Maud islands to the east.

Wor started with a 500-foot shaft straight down from Maud Island. Then a tunnel was blasted toward the West and at 1,900 feet was split, one arm heading for the north pinnacle of the twin-peaked rock and the other for the south. Smaller tunnels also were pushed upwards at various angles and will be used to house the 750 tons of special explosive used in the blast.

S'Side Police Are Praised For Rush Season Efficiency

With breaking, entering, and theft reportedly on an alarming increase in many places, members of the Summerside Police Department are receiving praise and commendation from citizens for efficiency in the prevention of crime during the pre-Christmas season, during which only one incident of breaking, entering, and theft was reported.

Contacted last evening in regard to this incident, Chief of Police Peter R. White said that this minimum of crime established a record of crime prevention in Summerside unequalled in almost 30 years that he has served here in police work.

He attributed this season's new minimum record of breaks to the efficiency and conscious efforts made by the police officers in his department, whose duties were concentrated on constant night patrol, which he said resulted in the prevention of numerous planned attempts on business establishments within the town which were prevented by The Police officers on several occasions during the pre-Christmas season. Some of these incidents were prevented by arrests for vagrancy and intoxication, and other suspects were frightened away by the approach of officers who were and are still continuously on patrol during the night hours.

Chief White said that there are still a number of potential "breakers" at large, and citizens should be alert at all times in regard to their property.

He said citizens could assist greatly in crime prevention by notifying the police immediately in regard to anything suspicous which might deserve investigation or attention of police.

Three Hungarian Immigrants Arrested Following Violence

QUEBEC (CP)—Police arrested three Hungarian immigrants following an outbreak of violence at immigration quarters Monday night. One immigrant and one detective were taken to hospital for treatment.

A scuffle between two Hungarian immigrants and a German immigrant sparked the trouble.

Immigration authorities called in municipal police while the fight was in progress. Two detectives placed handcuffs on the fighting Hungarian pair amid roars of protest from other Hungarian men, women and children in the building.

Detectives Ovila Bisson and Amedee Robert said the crowd punched them and one immigrant seized a clothes dryer and hit them.

Handcuff keys were taken from detective Robert while detective Bisson managed to reach a phone to call for assistance. Immigrants freed the two handcuffed men and hid them in a room.

HELP NEEDED

Some 30 constables in nine police cars raced to the building and used their nightsticks to disperse the group and restore order.

The two immigrants were located and taken into custody along with a third Hungarian who faces a charge of interfering with police.

One of the charged men and detective Robert were taken to hospital for treatment.

Names of the arrested men were not released pending their arraignment in court.

The Hungarians involved have been in Canada for some time and are living at immigration quarters here until they can be placed.

Former Top Actress Of Silent Screen Days Dies In Nevada

LAS VEGAS, Nev. (AP)—Dark-haired dark - eyed Norma Talmadge, whose flamboyant emoting made her one of the greats of the silent screen, died at her home Tuesday at the age of 60.

Her third husband, Dr. Carvel James, attributed death to pneumonia.

The couple led a secluded life since moving to a ranch - type home on the outskirts of this gambling resort a decade ago. Miss Talmadge was confined to a wheelchair wirth arthritis. Her husband said she had suffered a series of strokes recently.

In more than 200 films during a 20 - year career she demonstrated a tremendous range of emotions. Adept at both comedy and tragedy, she portrayed with equal conviction princess, pauper, clinging vine, woman of the world, southern belle, Spanish peasant, French duchess.

Among her best-known films: Ashes of Vengtance, Within the Law, The Passion Flower, Graustark, Kiki and Camille.

MARRIED JESSEL

Her first marriage was to movie mogul Joseph M. Schenck in 1916. Their separation was acknowledged when she made a series of appearance tours with comic Georgie Jessel in 1932. Her romance with Jessel made headlines for two years until she divorced Schenck and married Jessel two weeks later.

She divorced Jessel after five years and in 1946 married Dr. James, then a Beverly Hills, Calif., surgeon.

Norma was the most famous of three acting sisters. One, Natalie once was wed to comedian Buster Keaton, and the other, Constance, now is Mrs. Walter Giblin.

Miss Talmadge was reputedly one of filmdon's wealthiest alumnae. She earned $7,500 weekly when taxes were low and invested in real estate. Schenck is reported to have settled more than $1,000,000 on her.

Born in Jersey City, N.J., and reared in Brooklyn, she started as a bit player at Vitagraph Studios at the age of 14.

She retired in 1932 after making two talkies—New York Nights and Madame Du Barry.

CBC Dispute Reported Settled

OTTAWA (CP) — Settlement of a wage dispute between the CBC and the International Alliance of Theatrical Stage Employees was announced Tuesday by the labor department.

The terms of settlement include:

Overpass Built At Wrong Slant

TORONTO (CP)—The Ontario highways department said Tuesday an overpass was built with the wrong slant at Burlington, near Hamilton, and fixed at a cost of $12,000.

Chief engineer W. J. Clarke said the bridge was constructed to carry highway No. 25 over the Queen Elizabeth way as part of the approaches for the $2,000,000 Burlington Skyway.

Midway through construction it was discovered the slope of the bridge ran the wrong way.

Said Mr. Clarke:

"In reading the plans, there was some confusion about what was West and what was East. But before the top concrete was poured we noticed the error.'

The bridge was fixed by boosting one end and raising the approach road to the right level. Mr. Clarke said the overpass was completed three months ago and corrections cost $12,000.

Red Seal For Freetown Cow

Willowfarm Dora Colantha an "Excellent" cow has qualified for a Red Seal record with 122,553 lbs. of milk, 4,539 lbs. fat for owner R. A. Profitt of Freetown. The requirement for the Red Seal are 100,000 lbs. of milk and 3,400 lbs. of fat so Dora has qualified with plenty to spare.

This cow stands fourth in a list of 58 reported in the current issue of the Holstein-Friesian Journal as having qualified. She did it in ten lactations.

No Trace Of 17 Missing In Pacific

HONOLULU (AP) — The U.S. Navy announced Wednesday a starch failed to reveal any trace of 17 men missing in the Pacific crash of a big radar plane late Monday.

Four men have been rescued and the bodies of two recovered.

The search area was being enlarged, but surface winds were whipping up heavy seas.

The plane fell into the sea off Oahu with 23 men aboard, and sank quickly, a survivor told investigators.

"I don't think many got out of the plane," said aviation technician Franklin A. Henry, 22, of Kankakee, Ill.

An intensive air and surface search of rough seas 25 miles off Barbers Point naval air station, base of the ill-fated four-engined Super - Constellation, turned up only floating wreckage Tuesday.

A rescue boat plucked the four survivors and two bodies from the Pacific Monday night several hours after the plane ditched. The ditching came without warning during a fire drill near the end of a routine training flight.

Crippled BOAC Airliner Lands At Sydney, N. S.

SYDNEY (CP)—A huge British Overseas Airways Corporation airliner, crippled by fire which knocked out one of its four engines landed safely here early Christmas Day while most of the 22 passengers slept.

The fire ate through the motor of the Stratocruiser and caused a propeller to drop off when the plane was 220 miles south of here. Cause of the fire, quickly doused by Capt. Valentine Croft and his 10-man crew, was not known.

The airliner was en route from London to Bermuda and landed here at 7:45 a.m. AST. A Stratocruiser from New York was due here at 8 p.m. Wednesday to fly the stranded passengers on to their destination.

Capt. Croft and the crew will remain until the aircraft is repaired.

The 36-year-old captain said there was no panic. He said most of the passengers were asleep and the others "didn't know what was happening."

Man Charged With Murder In Fire Death

HALIFAX (CP) — Police charged Wilfred Merson, 57, with murder Christmas Eve after investigating the cause of a waterfront tenement fire that took four lives.

Merson, a laborer living in the same neighborhood, was arrested near the fire last Thursday night by a traffic policeman.

He pleaded guilty to a drunkenness charge Friday and went to city prison for 10 days.

Detectives brought him before a police magistrate Tuesday and charged him with the murder of Mrs. Viola Conrad, 38, one of the four fire victims

HELD FOR HEARING

After he heard the charge Merson was returned to jail for preliminary hearing Dec. 31.

Mrs. Conrad and her three-year-old son Orla died in a third-floor kitchen in the Upper Water Street tenement. Other dead are Frederick Walsh, 68, and Mrs. James Slaughter, 75. They died after being carried from the burning building.

Several of the 13 occupants were injured jumping from upstairs windows.

Firemen said they thought the fire started in a downstairs hallway near a fuel oil barrel. It spread to the second and third floors, which were badly damaged.

The same night city council approved a $6,000,000 slum clearance project for nine blocks adjoining the burned building.

Dispute Over Weaving Kilts In New Stage

LONDON (Reuters) — The dispute over whether two Scottish regiments should wear the kilt or trews when they are merged reached a new stage Tuesday night with the appointment of new colonels for each regiment.

The former colonels were asked to resign after refusing to accept an army council ruling that the merged regiment must wear trews. The dispute split Scotland down the middle.

The regiments are the Royal Scots Fusiliers, a trews-wearing Lowland regiment, and the Highland Light Infantry, a Glasgow regiment which wears the kilt.

Their merger was ordered under a plan to streamline British fighting regiments.

Brig. Archibald Buchanan-Dunlop replaces Maj. - Gen. Edmund Hakewill-Smith as colonel of the Royal Scots Fusiliers.

Maj. - Gen. Ronald Bramwell Davis replaces Maj.-Gen. Robert Urquhart as colonel of the Highland Light Infantry.
