## DUTY OF COUNTRY BEFORE CHURCH

PARIS, Nov. 28.—In the Chamber of Deputies yesterday Premier Briand replied to a speech by Albe Gayraud member for Finistere, who had defended the action of the Episcopate concerning the public school question and voiced the sympathy of Catholics for the Pope. M. Briand said the time was rapidly approaching when, as several times has been the case in French history, monks and priests subjected to the domination of Rome would prefer to do their duty as Frenchmen, to their duty as Catholics.

"Young are being forced into the attitude which has become so harmful to this country at home and abroad that your consciences as Frenchmen should speak louder than your consciences as Catholics," the Premier declared.

"Warfare seems to be essential with some people. It is now a war of the schools. You speak of the possibility of arriving at a peaceful compromise but do you think the present attitude of the Catholic leaders is conducive to this end?"

KEITH & PROCTOR'S FIFTH AVE THEATRE, WEEK OF NOVEMBER 29, 1909.

The near approach of the holiday season of 1909 will bring tens of thousands of shoppers into New York City, and to provide entertainment for that vast horde is no small undertaking. The sort of amusement provided must be of the lighter sort for the busy suburbanite has no time for problems of any sort in a playhouse.

With characteristic forethought, Messrs Keith and Proctor at the Fifth Avenue Theatre have assembled a bill of excellent variety for the week of November 29. Everything to be presented will be of the light and airy sort, pleasing to the eye and the ear, clean, witty and mirth provoking. Besides, every feature engaged will be enjoyed by the children who must perform accompany their elders to the theatre. Since the days when vaudeville was in its infancy, W. C. Fields, has been a foremost performer and today his familiar eccentric juggling act seems funnier than ever. Every civilized nation on the globe has laughed at Fields' ludicrous comedy while executing most difficult feats of juggling and balancing. His acts are as much appreciated in Johannesburg as in London, while S. Petersburg roars with laughter as loudly as does San Francisco. During the week of November 29th, Mr. Fields will make his Broadway reappearance after a 52 week's tour of Europe, and his admirers must hasten to witness his turn, as another few weeks will find the remarkable fellow on his way to Manila Hong-Kong or some other foreign stopping place. Fields is assuredly a gloriator par excellence. A real sensational novelty is promised when "The Top-of-the-World Dancers and the original Collette Ballet begin their whirligig evolutions to the accompaniment of music, maddening in its lure. These agile young women have created more than a furore wherever they have appeared, and Broadway will certainly have to sit up and crane its neck when they disclose themselves to view. Right on their tripping heels or toes, Nellie V. Nichols, the American Marie Lloyd, in a widely appealing medley of song reviews. Further laughter will be served out by the perennial favorites, Jimmie and Mrs Barry in one long rural roar "At Hensfoot Corners." Mr and Mrs Barry are as reliable as the sands of time, and all of their offerings are of genuine worth. With a roistering burst of harmony, the Cadets of Gascony will render familiar grand opera arias and render them almost as acceptably as the \$1,000 a night artists do at the big opera house. For the little folk, Gruher's Animals consisting of a horse, an elephant and a pony will display almost human intelligence, while Lyons and Yosco should delight with their adept instrumentalization on the harp, mandolin and guitar. The Pedersen Brothers, comedy ring experts, will round out the program, in conjunction with new Keith and Proctor motion pictures.

VANCOUVER, Nov. 29.—Between 20 and 30 Japanese were killed when a working train went through a fill-in on the great Northern Railway between Vancouver and New Westminster. No white men were killed, the Engineer and fireman having jumped. The fireman in jumping landed on moving earth and escaped only by a miracle.

The Japanese were on a box car behind the engine. The locomotive fell off on this, cutting in two and exploding. Many bodies were mutilated. Seventeen dead Japanese were laid out on the bank of the stream, and portions of the bodies of others were seen in the wreckage.
