

Fall Fest Tentative Schedule

Wednesday, October 31:

X-Men at the Barn from 9 to 1. This is a Costume (read Dress-Up) Main Event. The judges will be awarding a \$25, \$15, and \$10 prize when the first set ends. \$5 students.

Thursday, November 1:

Finnigan at the Barn from 9 to 1. Tickets \$5.
Do not miss the great Jock Sale in the Fishbowl (aka Robertson Library Lounge) at 12:30. Prime members of the soccer, basketball and hockey teams will be auctioned off for whatever dastardly purposes you can dream up.
Suicide skate follows the pub in the Rink.

Friday, November 2:

The long-awaited, much-anticipated, highly-rated Coed hits town! Starting at 9, the Dave Shepard Big Band will be entertaining you in a place as yet unnamed. Tickets \$8 couple. Should be a ball!

At the same time, the Panther Lounge is offering a Loser's Pub for all you shy or unlucky people out there who won't be going to the Coed. Hey, don't laugh ... Happy Hour prices will be in effect all night.

What do you call a highly rated men's hockey team such as the Panthers playing with one skate on, one boot, and a broomball stick, against a fully-equipped coed team? What else but Handicap Hockey?

Saturday, November 3:

Featured events today are ...

- Scavenger hunt
- Smurf game
- Special theme night at the Cafeteria
- Tug of war
- Coed softball
- Senior class Olympics
