Purified Blood Saved an operation in the following case. Hood's Sarsaparilla cured all others fail. It makes pure blood.

"A year ago my father, William Thompson, was taken suddenly ill with inflammation of the bladder. He suffered a great deal and was very low for some time. At last the doctor said he would not get well unless an operation was performed. At this time we read about Hood's Sarsaparilla and decided to try it. Before he used half a bottle his appetite had come back to him, whereas before he could eat but little. When he had taken three bottles of the medicine he was as well as ever." FRANCIS J. THOMPSON, Peninsula Lake, Ontario. Remember

CATCHING TIGERS. How an English Hunting Party in the Himalayas had Sport—Three Bengals in One Night.

The man who goes hunting tiger needs to be cool, ready for emergencies, well-armed and brave. Yet the first Bengal tiger has been caught in a canvas trap.

On a lively spot some 200 yards in front of the camp-fires a 20-foot square piece of strong canvas, oiled and painted to resemble a tiger, had been fastened to the ground by means of iron pins.

On the morning of the 2nd inst. the alarm was given, and the hunters, armed with their rifles and shotguns, gathered round the tiger.
