INFORMATION WANTED.

Sir,—Your demand for the publication of the bargain made between the Local and Dominion Governments to build a bridge across the Hillsborough is commendable. It certainly looks suspicious that neither of them will let the electors know the exact terms and conditions on which the bridge is to be constructed. This is particularly the case when they are appealing to the voters in Belfast and Murray Harbor on the merits of their bridge and railway policy. It is a matter that affects every taxpayer on the Island. The sum of \$400,000 is to be added to our already large debt and surely the public ought to know what we are to get for it. Mr. McKinnon states that he spent several days with Mr. Blair in Moncton closing the deal. If so, why does he not take the electors into his confidence and let them know what he really did do? It seems to me preposterous that an intelligent elector should be asked to vote away such a large amount of money in such a blind way. I expected the Independent Guardian to speak out on this matter; but he appears to be as dumb as an oyster.

INDEPENDENT.

Letter From Senator Ferguson.

Sir,—I see by the Guardian of this morning that the Attorney-General is reported to have said at a meeting held at Grand View that the Liberals in this province have abolished the bar in the Speaker's room which the Tories used to have. In regard to this statement I wish to say that it is grossly untrue. There never was a bar in the Speaker's room at any time while I was in the Legislature. It is true that the Speakers may, on rare occasions have treated in their private rooms, and I am informed that, to quite as great an extent as heretofore, such has been done since the Liberals came into power.

Regarding the bar of the Commons and Senate at Ottawa it is true that the latter has not been abolished, although I with others did our best to close it. Nor was the vote a party one as Liberal Senators as well as Conservatives voted for its retention.

I am yours,
D. FERGUSON.

ST. ANDREW'S DAY

And a' Wha Honored it—Dinner at "The Davies."

Last evening the Caledonian Club gave their annual dinner in honour of St. Andrew's day. About seventy-five gentlemen sat down to a bountiful repast served in the spacious and beautiful dining room of Hotel Davies. The President of the Club, Mr. John McPhee, had at his right Lieut. Governor McIntyre and at his left Chief McLaren. In the absence of the Vice President, Capt. Ronald McMillan, James Paton, Esq., acted as croupier. The Haggie was ushered in with the usual ceremony, under the auspices of Piper Ferguson, and was addressed by Mr. Webster, of the E-dale Foundry and Machine Works. In the course of his introductory remarks, previous to the toast to the Queen, the President referred in fitting terms to those members of the society, the late Archibald McNeill, Esq., and the late John Andrew McDonald, Esq., whose deaths occurred within the year, and to the Rev. James Fullerton and others now away in South Africa. The absence of the United States Consul, the Hon. Mr. Vail, on account of the death of Vice President Hobart was regretted, and the toast to the President was for the same reason drunk in silence. His Lordship the Bishop of Charlottetown and Dr. McMillan were unable to be present because of the death of Father McPhee. As the feast of reason and the flow of soul began, the following telegram was received and read by the President:

HALIFAX, NOV. 30.

President P. E. I. Caledonian Club.
"And here's a hand my trusty fiere,
And gie's a hand o' thine
And we'll take a right good willie-waught
For Auld Lang Syne."
Your fellow clansman,
JAMES D. IRVING.

The post-prandial speeches were generally excellent, the more eloquent, being those of Mr. David Small, who spoke for "The day and a' wha honor it," Mr. J. E. B. McCready, "The Land of the Heather," and Rev. J. J. Teasdale, "The Land we live in." Senators McDonald and Ferguson, responded ably for the Governor General and Parliament of Canada, and Governor McIntyre and Premier Fairbairn for the Lieutenant Governor and Provincial Legislature. Lieut. Colonel Moore and Lieut. McDonald responded in fitting terms to the important toast of the Navy and Army, the latter delivering one of the best speeches of the evening. Dr. Taylor, responding for the "Island Contingent," made an able and forcible plea in justification of Great Britain's part in the South Africa war and Messrs James Paton and Alexander McDonald each delivered a capital address on our commercial and agricultural interests. Mr. D. O'M. Reddin responded for Sister Societies, Messrs Cotton, McCourt and Nash for the press, and Messrs W. D. Ross and Harry McKenzie for the ladies. In conclusion the health of Mr. and Mrs. J. J. Davies was heartily drunk—and Auld Lang Syne and God Save the Queen were sung.

The speeches were relieved by patriotic songs, which were well sung by Mr. Stanley and Mr. Lamont, (Mr. Watts presiding at the piano and playing the accompaniments) and a recitation by Mr. T. A. McLean.

Yesterday the students of St. Dunstan's College celebrated the Feast of Scotland's Patron Saint in brilliant style. The day was a grand *conge* for the students, and the dinner in honor of St. Andrew was a select number of the day's programme. Among the guests present were His Lordship Bishop Macdonald, Rev F X Gallant and Dr. Conroy. The rev. rector presided and introduced the various toasts after ample justice had been done to the excellent table that had been set. Speeches in reply to the several toasts were made by Bishop Macdonald, Rev. A. P. McLellan, Rev. Dr. Monaghan, Rev. P. C. Gauthier, Dr. Conroy, K. C. McPherson, T. Trainor, P. T. McIntyre, J. M. Raftery, J. J. McGowan, W. E. Cameron, A. Laliberte and J. Donahoe. The concert to have been given in the evening was postponed on account of the death of Father McPhee.

Rev. Dr. Robert Lowry, the well-known hymn writer, died at Plainfield, N. J., recently, at the age of 73 years.

Rev. P. P. Arsenault, of Mount Carmel, and Mr. Anthony Arsenault, of Wellington, recently visited St. Joseph's College, Memramcook. They were heartily welcomed, says a Memramcook correspondent.

SUPREME COURT.

FRIDAY, DEC. 1.

Ronald McMillan vs. the City of Charlottetown. The argument on the demurrer in this case is still being heard. Morson Q. C., finished yesterday afternoon on behalf of the city, after which McLeod, Q. C., was heard for the plaintiff. He concluded at recess today, and Stewart, Q. C., is now following on the same side. After the conclusion of Mr. Stewart's argument Recorder Haszard will close for the city. The case will likely continue tomorrow, and, being the last on the docket, will close the term.

ORIENT DIVISION.—S. of T. will meet this (Friday) evening at 7.30, sharp, when a visit will be paid by the Young Temperance Crusaders. A full attendance is requested.

SCHOONER PURCHASED.—Capt. Richard Moran, whose schooner was stranded near Summerside some weeks ago, has just purchased the schooner Daisy, owned by parties in Gaspe. The Daisy is a comparatively new schooner of seventy tons register, and has already taken in a load of railway scrap for Picton. Captain Moran is to be congratulated on securing so fine a schooner.

KNIGHTS OF PYTHIAS.—Officers of Empire Lodge were last evening installed as follows: Chancellor Commander, Dr. H. D. Johnson; Vice do. A. G. Peake; Prelate, Rev. J. W. McConnell; Master of Work, A. McBeth; Keeper of Record and Seal, G. Lane; Master of Finance, W. W. Clarke; Master of Exchequer, J. L. Thomson; Master of Arms, Kenneth Finlayson; Inner Guard, F. P. Newsome; Outer Guard, J. W. Sutherland; Trustees, E. Chabert, B. Sterart, A. J. McLean; Vice Chancellors, J. R. McKie, T. A. McLean.

SAD DEATH.—A very sad death is reported from the west. Little Celena Gaudet, sister of Mrs. Doiron, the much-loved music teacher of Alberton, went up to St. Louis to visit her sister, the wife of J. B. Gaudet, Esq., at that place. She soon became ill and Dr. Ross attended her. On Wednesday night she passed away quite suddenly, and as nobody expected death, her friends were greatly shocked. But "in the midst of life we are in death." We extend our sympathy to the afflicted family and grieved friends of the deceased.

THE CONCERT CO.—The Shamrock Concert Co. opened their engagement at the Opera House last night. The company comprises about a dozen very clever people. For good singing, grand dancing, funny comedians, clever women, acrobatic juggling and other vaudeville features the company is certainly a good one. They produce an original farce-comedy every night. They are advertising the famous Shamrock Remedies, which are an excellent line of medicines. The Co. will be here for two weeks, and will give a change of programmes each evening. The admissions to all parts of the house is 10 cents. There will be a grand matinee Saturday at 2.30, for ladies, gentlemen and children.

THE OLD WAY.—The following marriage notices appeared in the Halifax Recorder in 1832:

At Liverpool, on 21st Oct., by the Rev. J. T. T. Moody, James Spencer Mountain to the very pretty Julia Ann, third daughter of Michael Turpin.

In ancient times, the God's, we're told Turn'd folks into a fountain; A greater wonder here behold— A maiden made a mountain.

At Shelburne, on the 4th Nov., by Rev. W. Webb, Wesleyan Minister, Wm. Bingay to Ann Amelia, daughter of Isaac G. Enslow, Esq., after a courtship of 14 years.
