MR. DALTON MCCARTHY may well recline upon the honours which he has won. It was a plucky thing of him to give up a certain seat like Cardwell and contest an immense riding in which he had been beaten two or three times. But pluck will tell. And Mr. McCarthy is perhaps more pleased to-day at representing North Simcoe than at anything else which could have befallen him. We congratulate him heartily on his noble fight and the way in which it ended.—*Toronto Mail.*

DOWN ON THE RUSSIANS.—The French journals are scolding Russia for her aiding and abetting those primitive Christians and savages—birds of a feather flock together—the Bulgarians, to improve the Mahomedans out of the world. Telling off soldiers to ravish women is perhaps the newest form of brutality. Making oriflammes of babies on the points of bayonets or lances is an ancient Cossack accomplishment. The French, too, are very sore at the manner they have been treated by Prince Lobanoff, declining to invite the French embassy at Constantinople to the review at San Stefano. The fewer European friends Russia has the better for civilization.

TON TON TERHUKUM'S Prairie Flower.

A CARD.—The undersigned hereby tenders his heartfelt thanks to his neighbors and friends, from both far and near, who turned out so manfully on the afternoon of the 18th, to assist, if possible, to save his dwelling house and any other property which might possibly be saved from the out-buildings, which, unfortunately, were totally destroyed with almost the entire crop of hay and grain, and a portion of the implements and machinery. Also, for the praiseworthy manner in which many of the younger men acted in staying the whole night endeavouring to put out the fire and watching the other effects from the devouring element.

I remain yours, ever truly,
Rustico, Sept. 20. DAVID MUTCH.

Enjoy Life.

What a truly beautiful world we live in. Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint are the direct cause of seventy-five per cent of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

Fatal Fire at Hamilton.

A terrible conflagration took place at the building known as the Buchanan Warehouse, Hamilton, occupied by W. G. Reid & Co., Alex. Harvey & Co., wholesale grocers, and Galbraith & Co., retail grocers. Before the alarm was given and the brigade could be got out, the building, with its contents, was a mass of flames. Attempts were made to save some part of the stock, but the smoke was so dense that very little could be done. One of the partners of the firm of Reid and Co. also senior member of Bireloy and Co's vinegar works, Mr. N. F. Bireloy, was asleep on a sofa up stairs when the fire broke out, and was burned to death. Great sympathy is expressed for his family.

The London papers are discussing the question of physician's fees. A correspondent says that he visited a doctor, and after consultation asked "What is your fee?" His reply was characteristic. Juggernaut is in a bad way since the English Government imprisoned for life for murder the hereditary protector of the god, a man of high rank, to whom the Hindoos pay divine honors. SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of the cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
