Dominion Alliance for the Suppression of the Liquor Traffic.

CONVENTION IN CHARLOTTETOWN, P. E. I., TUESDAY JULY 19, 1881.

The Canada Temperance Act was introduced and carried through Parliament in 1878. It has since passed the ordeal of the courts, and has been pronounced constitutional by the highest tribunal of the country. The Act has been brought to vote in 27 different counties and cities and has been carried in 23 of them, while many constituencies are preparing to vote for it. The organization to which this Act is due in a greater degree than to any other is the Dominion Alliance, formed in February, 1876, of which, from its inception, the Hon. Alexander Vidal has been President.

The Alliance welcomes all to its work and membership, without prescribing any other tests than agreement with its aims and objects; it works through a Council, formed of representatives from the various Provinces of the Dominion.

Each Province is expected to have its own Branch of the Alliance. There are branches already in Ontario, Quebec, Nova Scotia, Manitoba, and steps are being taken to organize in New Brunswick and British Columbia.

It is desirable that there should be a Prince Edward Island Branch,

principally with a view to the enforcement of the Canada Temperance Act that has already been accepted by the people, and to a closer connection through the Council with those in other Provinces who are laboring for the same ends. An organization extending from the Atlantic to the Pacific, having one name, one object, and whose various Branches are acting together as far as concerns matters affecting the Dominion at large, cannot fail if wisely and energetically managed to advance the cause of Prohibition.

We, therefore, on behalf of the Council of the Dominion Alliance, and with the approval of the Central Temperance Committee of Prince Edward Island, hereby call a Convention to be held in the Y. M. C. A. Hall, Charlottetown, on Tuesday, the 19th July, 1881, commencing at 10 o'clock, a. m.; afternoon session at 2.30 p. m., for the purpose of organizing a Provincial Branch of the Alliance, electing officers, adopting by-law, and discussing questions of provincial interest and importance.

It is desirable that Temperance Societies (close and open) should send delegates, and that clergymen of all denominations and all who favor the work should attend.

The Secretary of the Alliance, Rev. Thos. Galea, of Montreal, is expected to attend, and will explain the character and scope of the work proposed by the Alliance, the relation of the Branches to the Council, etc.

Signed by order of the Council of the Alliance,

A. Vidal, President; A. Longley, Vice-President; J. R. Dougall, Chairman of Executive; George May, Treasurer; Thos. Galea, Cor. Secretary; John Wood, Recording Secretary.

Yesterday there was buried in the potter's field in the Oak Hill Cemetery, San Jose, Cal., an old Mexican. His name was Gabriel Burroso, and the burial certificate gives his age as 120 years. Wm. Searle, an old pioneer of that State, and for twenty-five years a resident of San Francisco, died yesterday morning in San Jose.

Local and Other Items.

SUGAR has declined a quarter of a cent per pound since last week.

Seven hundred and forty Mormon immigrants, mostly Scandinavians, arrived in New York Thursday. The women refused to go any further.

A MONTREAL despatch says:—A French company with \$10,000,000 of capital is being formed in Paris to develop the mineral resources of Canada.

It is understood that a contract has been entered into with a syndicate of New York financiers for the construction of the Manitoba and South-Western railway. Fifty miles of the road—the total length of which will be a trifle over three hundred miles—are to be completed by the 1st of January next.

MR. HENRY G. VENNOR writes to the Montreal papers regarding approaching storms which he predicts. He says:—“While here we are upon the verge of excessive heat and storms of wind, hail and lightning—England and Ireland are likely to be swept by heavy rain storms, and general electrical disturbances. After the 25th day, I expect on this side, a cool to cold wave, with further storms, and in sections fall-like weather.”

SEVEN GIRLS AT A BIRTH.—NASHVILLE, Tenn., June 22.—An authentic account is received of the birth, in Jackson county, in this state, of seven children at one birth. They were delivered at periods of ten minutes to five hours apart. All were girls, weighing four to five pounds each. All are healthy and well developed. The physician was greatly excited, and the people for miles around flocked to see the woman and her babies. The husband is small and thin; the wife strong and healthy.

VALPENTORY SERVICE.—Rev. B. Chappelle, who has been for the last two years pastor of the Portland Methodist Church, left the city by last night's train en route for the Nicola Valley Circuit in British Columbia. A valedictory service was held in the Queen Square Church last evening. Rev. D. D. Currie occupied the chair. Revs. Dr. Pope, J. Reed and B. Chappelle delivered addresses. Prayer was offered by Revs. H. Daniel, G. B. Payne and J. R. Narraway. Mr. Chappelle leaves behind him many friends in this community, who will be glad to hear of his success in his new home.—St. John Sun 12th inst.

HEALEY'S Hibernian Minstrels will open at the Academy of Music, in this city, for a short season, commencing Thursday, the 24th inst. The Company is well known here, and on its recent tour of the Provinces has had much success. The St. John Telegraph says:—Another large audience witnessed the performance of Healey's Hibernian Minstrels at the Mechanic's Institute last evening. There was an entire change of programme and the specialties were all new. Ned West in his soldier act and Lancashire clog hornpipe was very funny and created much laughter and was loudly applauded. The Murphys, in their sketch of Irish felicity, was particularly good, their songs being excellent. If anything, the performance and singing of Mr. and Mrs. Braunan were better than the preceding evening. They were ably assisted by Captain George Liable, the smallest of comedians. The entertainment was concluded with the farce Fitts, which kept the house in a continual roar of laughter. The other performers were all good in their various parts, and the entertainment was most pleasing in every way. This evening the Minstrels appear with another change of bill and deserve a crowded house, which they will undoubtedly have.

BAPTISM IN THE IRON DISTRICTS.—A puddler went the other day to get his child christened. “What name,” asked the parson shall I call the child? “Thoo can call the kid owt thou likes,” said the father. “Well,” says the parson, “I think Benjamin is a very nice name.” “Varry well,” says the father, “call him Benjamin.” The puddler came out of the church with his friends and child, highly delighted with the name, when a thought struck him. Rushing back into the church, and overtaking the parson walking down the aisle, he exclaimed, “Hey, mister, the young squeaker's a lass.” The parson was at a loss what to do under the circumstances. However, he put in an a at the end of the name, and they call the child Benjaminia.

“Which is the train for Lone Mountain Burying Ground?” asked a stranger, rushing through the ferry gates and upsetting a small boy in his hurry. “There,” returned the gamin, pointing to a hearse, and dodging the toe of the stranger's boot with surprising agility.

Sailor husband (jokingly)—“Oh, I'm the mainstay of the family.” Wife—“Yes, and the jib-boom, and the—and the—” Small boy (from experience)—“And the spanker, too, mamma.”
