

A SEVERE LECTURE

Tonight at 7.30 pupils in grades 7 and 8 at the Queen Charlotte High School present "Tom Sawyer" their winter project in drama, to the public in the Q.C.H.S. auditorium. Proceeds from the play will benefit the school library.

Above, Aunt Polly (Patsy Kipping, RIGHT) gives a severe lecture to mischievous Tom (Rowan Fitzgerald, LEFT), while Huck Finn (Merrill Weale) and the Widder Douglas (Kathy Stewart) look on with concealed mirth. Mrs.

Donald McAuley, drama teacher at Queen Charlotte, is very pleased with the children's reaction to the school's drama program. Queen Charlotte presents a Christmas play every year, and have twice played at the Confederation Theatre.

Market Operator Addresses Group

"The most important factor in a supermarket's battle for survival is organization," said supermarket operator Bill Ellis at yesterday's regular Rotary luncheon, speaking on the general topic of buyer, seller and competitor relations and specifically on grocery retailing.

"Lack of organization is the main reason for supermarket failures these days — and failures are becoming fewer all the time. And one of the main reasons for the decline in numbers of the independent grocer is the

large amount of bookkeeping the government forces him to do — organizing, recording, collecting and contributing to such things as income tax, social insurance, worker's compensation, unemployment insurance, etc."

Mr. Ellis noted that the national average profit for supermarkets is only 1 1/2 per cent, that the average housewife spends \$17.80 a week at her regular supermarket and of this amount 23 cents is profit to the supermarket. With this tiny profit margin it is absolutely necessary for a modern supermarket to have a large sales volume, which in turn makes necessary a large number of customers.

GROW LARGER

Forecasting the future of grocery retailing, Mr. Ellis said that supermarkets will continue to grow larger, will add 300 or more lines every year, will add more vending machines and non-grocery articles, and that small grocery stores will continue to go out of business at the rate of several hundred a year. He noted that push-button, fully automatic marketing is possible right now, and the only thing holding it back is housewife acceptance.

The speaker was introduced by the chairman of the meeting, James Cery, and thanked by John W. MacKenzie.

At the beginning of the meeting it was announced that \$15,032 had been collected for the Easter Seal fund, and with final returns not yet in, the record total continues to grow.

Eight Cases Discovered

As the result of the mammoth Glaucoma Clinic held jointly by the Charlottetown and Parkdale Lions Club at the Confederation Centre Sunday night, Dr. William Moreside, announced yesterday that a total of 8 definite Glaucoma victims were discovered and 28 others will require follow-up tests at later dates.

Five other doctors and 11 nurses worked continuously throughout the clinic to test upwards of 1,000 people, and when Glaucoma was suspected in their testing, the patients were sent to Dr. Moreside for further tests at another part of the clinic set up for that purpose. It was through this co-operative effort on the part of all six doctors present and the extra testing and consultation that enabled the above mentioned results to be established while the clinic was in progress.

In the 11 separate clinics that have been held since the Lions launched their Glaucoma program nearly two years ago this was the first time that this added service has been used to greatly increase the efficiency and effectiveness of the program. The Sunday night clinic has now brought the total number of people tested in this province to just slightly under 6,000.

Other doctors participating in the clinic were: Dr's. G. G. Houston, Brodie Lantz, Frank Burke, Raymond Grant, and David Stewart.

Queen's MP Flies Home

OTTAWA (Special) — Queen's Heath Macquarrie flew to Prince Edward Island Monday so as to be one of the speakers at the nomination convention of the Fourth Queens Progressive Conservative Association to be held in Eldon.

On the weekend Mr. Macquarrie addressed two meetings in central Ontario. He spoke to the Progressive Conservative businessmen's luncheon in Barrie and the same evening addressed the annual banquet of the St. George's Society of Orillia on its celebration of St. George's Day.

Kenneth Rice Elected President

Kenneth Rice of Charlottetown was elected provincial president of the Red Cross Youth Alumni at its organizational meeting held at Red Cross headquarters in Charlottetown last night and attended by some 25 former delegates to the Atlantic Provinces Red Cross Training Centres from all parts of the province.

Other officers elected were Nancy George of Charlottetown as secretary, and the following vice-presidents — Earle Arsenault of Richmond for Prince County, Mary Power of Souris for King's County, and Sandra Doiron of Charlottetown for Queen's County.

The purpose of the Alumni, as decided by those in attendance at last night's meeting, will be to bridge the gap between the High School Red Cross and the Senior Red Cross. With their

background information and experience in High School, Red Cross they will attempt to spark interest in the high school Red Cross in their own areas and to generally assist Mrs. W.W. Reid who is the provincial director of Red Cross Youth.

Miss Inghenie Arsenault, provincial Red Cross commissioner extended a hearty welcome to the group on behalf of the P.E.I. Division of the Canadian Red Cross Society.

Guest speaker for the occasion was Dr. Kenneth A. Parker, chairman of the Red Cross

Youth Advisory committee, who gave a talk in which he outlined the important function of the volunteer in today's society.

Plans were made to have a general meeting of the P.E.I. Red Cross Youth Alumni in the spring and fall preceded by a meeting of the executive whose function will be to co-ordinate the activities of the county organizations.

New Home Recipe Reducing Plan

It's simple how quickly you may lose pounds of unsightly fat right in your own home. Make this home recipe yourself. It's easy, no trouble at all and costs little. Just go to your drug store and ask for four ounces of Naran Concentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Take two tablespoons full a day as needed and follow the Naran Plan.

If your first purchase does not show you a simple easy way to lose bulky fat and help regain slender more graceful curves; if reducible pounds and inches of excess fat don't disappear from neck, chin, arms, abdomen, hips, calves and ankles just return the empty bottle for your money back. Follow this easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.
