## Drugs: a one way trip...

**Travel carefully. Don't join other Canadians in prisons abroad.**

Using or transporting drugs abroad carries serious penalties including the death sentence. Even if you are travelling with others who are carrying drugs you can be found guilty by association.

The Canadian government cannot intervene in a foreign legal process. It can only try to ensure that you get the same treatment as local residents. So, travel carefully. Please.

## La drogue: un voyage sans retour...

**N'empportez pas de drogue dans vos bagages. N'allez pas rejoindre vos compatriotes qui moisissent dans des prisons étrangères.**

Dans certains pays, le trafic de drogue est passible de la peine de mort. Si vous êtes pris en compagnie d'autres personnes qui transportent de la drogue, vous risquez d'être condamné pour complicité.

Quand vous êtes pris dans l'engrenage judiciaire d'un pays étranger, le gouvernement du Canada a les mains liées. Tout ce qu'il peut faire pour vous, c'est de veiller à ce que vous soyez traité comme un citoyen de ce pays. Alors, pour l'amour du ciel, ne faites pas de folie quand vous voyagez.
