Teeth inserted on Gold, Silver and Vulcanite, the Vulcanite, although a new thing here, has been used long enough elsewhere to prove it to be one of the most valuable improvements ever made in MECHANICAL DENTISTRY.

Many persons who cannot wear Gold and Silver in the mouth can wear the Vulcanite with ease and comfort.

The acids of the mouth have no galvanic action upon it whatever.

It is free from all taste or smell.

It being one continuous piece, there is no possible chance for the lodgement of food or the secretions of the mouth.

It is kept clean with much less trouble than Gold or Silver.

It possesses more strength than a base of Gold or Silver and is at *the same time much lighter*.

In case of great absorption of the gums, the cheeks being thereby caused to look hollow and unnatural, this base can be built out so as to give the cheeks their former fulness in appearance.

The expense of the Vulcanite being much less than Gold is placed within the reach of those of more limited means.

[EXTRACTS FROM NEWSPAPERS.]

On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567, being upwards of £1000 more than paid by any other office ever yet established in this City.

[From Gore's General Advertiser, Oct. 24, 1861.]

"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement, we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."

[From the Civil Service Gazette, Nov. 2, 1861.]

"Among these important institutions stands eminent for its solidity, as well as for its success, 'the Queen Insurance Company,' which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained: and it attests at once the excellence of its management, and the public confidence in its constitution."

[From the Liverpool Mercury, Nov. 2, 1861.]

"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met, testifies to their financial ability and the care and prudence which marked the investment of these funds."

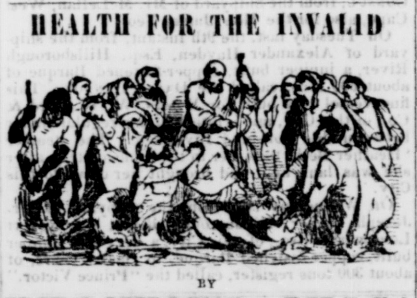
HEALTH FOR THE INVALID



BY

HOLLOWAY'S PILLS!

Loss of Appetite—Loss of Strength —Loss of Health.

The marvellous effect of this fine medicine upon the system is such as to immediately rally all the vital functions, the appetite is soon restored, a full flow of spirits quickly follows, the body becomes immensely invigorated, with a certainty of restored health: fresh air and a little exercise are necessary to bring about a permanent state of things. Holloway's Pills imparts tone and energy to the most delicate constitutions, and in a manner as to astonish all who take them. By their extraordinary virtues they have obtained the largest sale of any medicine in the world.

Head, Heart, Lungs and Stomach.

Look to the regularity of the functions of these foundations of vitality. Holloway's Pills restore to order the slightest departure from the proper action, and, therefore, may be considered as the regulators of the mainspring of human life. Apoplexy can always be prevented if the proper action of the bowels be attended to, which this famous medicine never fails to accomplish. Disorders of the head and heart often terminate suddenly and fatally from obstructions in the system, which might generally be prevented by taking small and regular doses of this fine corrective.

Female Disorders.

No medicine can be so infallibly relied upon for overcoming all obstructions as these Pills; they never fail to restore a healthy action throughout the system. The printed instructions will enable all to correct the first symptoms of disease, and avert many serious maladies. Holloway's Pills soon change the sickly and sallow complexion, thus renewing the bloom of health. To females entering into womanhood, or at the turn of life, these Pills will be found invaluable. They should be taken two or three times a week, as a safeguard against dropsy, headaches, palpitations of the heart, and all nervous affections, so distressing at certain periods.

Sick Headache, Indigestion or Foul Stomach, and Disordered Liver.

In such a deranged state of health, the food is decomposed instead of being digested, and proves poisonous rather than nutritious. This derangement can be at once set right by a course of these purifying and digestive Pills, which have acquired for themselves an imperishable fame for the mastery they have constantly exercised over the digestive organs. Holloway's Pills increase the appetite, regulate the liver, repress biliousness, healthily stimulate the kidneys, and move the bowels in a more wholesome and natural manner than any other medicine.

Disorders incidental to Children.

The liver and stomach of children are, from many causes, often out of order, as they are allowed to eat many things that would disagree with their parents, hence their blood becomes impure, and liable to take any disease that is prevalent, and that in the worst form. One Pill, reduced to a powder, and put in a little water, given occasionally to children of twelve months old, and to those of three or four years, three Pills, and to others of seven years of age, four Pills — will always make children look blooming and healthy. Seventy-five out of every hundred do not reach the age of maturity. Holloway's Pills would not only preserve their health, but save the lives of thousands. Many people foolishly think that children only require a little medicine twice a year.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Female Irregularities	Scrofula, or King's Evil
Asthma	Fevers of all kinds	Sore Throats
Bilious Complaints	Fits	Stone & Gravel
Blotches on the Skin	Gout	Second'ry Symptoms
Bowel Complaints	Head-ache	Tic-Douloureux
Colics	Indigestion	Tumours
Constipation of the Bowels	Inflammation	Ulcers
Consumption	Jaundice	Venereal Affections
Debility	Liver Compl'nts	Worms of all kinds
Dropsy	Lumbago	Weakness, from whatever cause &c., &c.
Dysentery	Piles	
Erysipelas	Rheumatism	
	Retention of Urine	

Sold at the Establishment of PROFESSOR HOLLOWAY, 244, Strand, (near Temple Bar,) London; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices: — 1s 1½d, 2s 9d, 4s 6d, 11s, 22s. and 33s each Box.

N. B.—There is a considerable saving by taking the larger sizes. Directions for the guidance of patients in every disorder are affixed to each Box, and can be had in any language, even in Chinese.

Judson's Pills!

IMPORTANT TO FEMALES.

DR. CHEESEMAN'S PILLS.

THE combination of ingredients in these Pills are the result of a long and extensive practice. They are mild in their operation, and certain in correcting all irregularities, Painful Menstruations, removing all obstructions, whether from cold or otherwise, headache, pain in the side, palpitation of the heart, whites, all nervous affections, hysterics, fatigue, pain in the back and limbs, &c, disturbed sleep, which arise from interruption of nature.

Dr. Cheeseman's Pills

was the commencement of a new era in the treatment of those irregularities and obstructions which have consigned so many to a PREMATURE GRAVE. No female can enjoy good health unless she is regular, and whenever an obstruction takes place the general health begins to decline.

Dr. Cheeseman's Pills

are the most effectual remedy ever known for all complaints peculiar to Females. To all classes they are invaluable, inducing, with certainty, periodical regularity. They are known to thousands, who have used them at different periods, throughout the country, having the sanction of some of the most eminent Physicians in America.

Explicit directions, stating when they should not be used, with each Box—the Price One Dollar per Box, containing from 50 to 60 Pills.

Hunnewell's Great Remedies.

Hunnewell's Eclectic Pills.—THE TRUE FORM OF A CATHARTIC.—By the application of true Medical Laws, both character and economy are combined in this most valuable Pill. To prevent putting into the stomach such quantities of indigestible and injurious drugs usually contained in Pills that require from four to six to get a decent cathartic, and to prevent the *Griping Pains* so erroneously judged to be evidence of character, was the study in this development. The dose seldom exceeding *one* and never more than *two* Pills, settles the question of economy, and confidence is asked to test their true character in *Dyspepsia, Costiveness, Biliousness, Liver Complaints, Piles*, all derangements of the *Stomach* and Bowels, and as a true Family Pill. For *Worms* they are a sure cure.

Hunnewell's Universal Cough Remedy.—The basis of this truly wonderful preparation, now of such well-earned celebrity, is a freedom from every component calculated to debilitate, and by such to allow the greatest freedom of use, day or night, as the only true theory by which *Throat* and *Lung Complaints* can be effectually cured.

To prevent asking attention to long stories of great cures, when local causes make almost all such complaints different in effect, I would ask confidence which will be sacred, in *Colds, Coughs, Hoarseness, Sore Throat, Bronchial* and *Asthmatic Complaints, Whooping Cough*, and to all *Throat* and *Lung Complaints*, which, when neglected, end in *Consumption*. Testimonials from Physicians of the highest respectability, and from invalids, can be seen at my office by all interested.

Hunnewell's Tolu Anodyne.—This justly celebrated preparation, which has so truly earned the name and fame of a *True Anodyne* by results which had baffled every other attempt at cure or relief in *Neuralgia, Gout, Nervous Headache, Tooth* and Ear Ache, Cholera Morbus, Pains in the Stomach or Bowels, Hysteria, Distress after Eating, Loss of Sleep, General Nervous Debility, Paroxyms in Asthma and Whooping Cough, now declared to be largely nervous, and the pains in Monthly Menstruation, also declared to be one of the most important points in medicine. *A lady writes from* New York, "were it ten dollars a drop, I would not be without it in my family, and not one should be without it."

DR. LA'MERT

ON

SELF-PRESERVATION.

PRICE WITH ENGRAVINGS AND CASES, 1s 6d., BY POST, 3s. CURRENCY.

SELF-PRESERVATION: A popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence.

By Dr LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner whose name stands on the 'Medical Register,' (the sole test of medical qualification) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secresy and safety to any address.

MOFFAT'S LIFE PILLS

AND

PHŒNIX BITTERS.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and indulging them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither *Mercury* nor *Antimony* nor *Arsenic* nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual Costiveness with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudices of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind. *Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Langour*, and *Melancholy*, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrane.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully on these important organs, and hence they have ever been found a certain remedy for the worst cases of *Gravel*.

Also *Worms*, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and *Consumption*, by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases.

Scurvy, Ulcers and *Inveterate Sores*, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and *Bad Complexions*, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of *Salt Rheum*, and a striking improvement in the clearness of the skin. *Common Colds* and *Influenza* will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS, and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by there medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints.

General Debility, LOSS OF APPETITE, AND DISEASES OF FEMALES—these medicines have been used with the most beneficial results in cases of this description:—KING'S EVIL and SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.

THE NEW FRENCH REMEDY.

By Royal Letters Patent, under the special sanction of Her Majesty's Government, and the Chiefs of the Faculté de France.

THERAPION:—or CURE OF CURES, This successful and highly popular medicament, as employed in the continental hospitals by Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed. Devoid of *taste odour*, and *appearance* of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion Each package contains full instructions for every case.

THERAPION, No 1, in three days only removes gonorrhœa, gleet and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief, where other well-tried remedies have been powerless.

THERAPION, No. 2, for syphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of blood, scurvy, pimples, spots, blotches, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth; and ruin of health. Under this medicine every vestige of disease rapidly disappears: and the skin assumes the pleasing softness of infancy.

THERAPION, No. 3, for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot, unhealthy climates, &c It possesses surprising power in restoring strength and vigour to the debilitated. To those who are prevented entering the marriage state by the consequences of early error, it will render essential aid by subduing all disqualifications, and restoring the lost tone to the system. Therapion may be procured at 11s, and 33s per package, through all medicine vendors, or in £5 packages for foreign shipment, direct from London only, by which £1 12s. are saved; and £10 packages for the more inveterate cases, by which a still greater saving is effected. In ordering the above, the purchaser should state which of the three numbers he requires.

HER MAJESTY'S HON. COMMISSIONERS have graciously permitted the Government stamp, bearing the word "Therapion" in white letters, to be attached to each package; thus insuring the public against fraudulent imitations, and securing to the proprietor the sole right of supply throughout her dominions; and any infringement of which they will prosecute with the utmost severity.

AGENTS FOR ENGLAND, Thomas & Co., 7, Upper St. Martin's-lane, London; Raimes & Co, Liverpool; Apothecaries Comp, Glasgow; Ferris & Co, Bristol; Cornish & Co., Plymouth; Rowe, Devenport; Randall & Co., Southampton; and obtainable through all medicine vendors in the known world, or in case of difficulty, by enclosing a draft or order for £5 or £10, according to the nature of the case, payable in London to Messrs. Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

PREMATURE DECAY OF THE SYSTEM, and its perfect restoration, whether arising from youthful imprudence or the excesses of adult life, infection, climate, &c. Observations on marriage, the prevention and removal of certain disqualifications. Rules and numerous prescriptions for self-treatment. Sufferers who are prevented from matrimony by the consequences of imprudence should read this work, as pointing out the sure way to restoration of health. Sent post free in an envelope on receipt of 3s, by Mr. Lawes, Medical Publisher, 14, Hand Court, London.

The Cause and Cure of Premature Decline.

Sold by all the Agents for Dr. De Roos' Medicines, or sent post free, secure from observations direct from the Author, for 2s 6d.

THE MEDICAL ADVISER on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr. W. DE ROOS, M. D., M. R. C. S., L. S. A., &c., *of the Ecole de Medicine, Paris, Graduate in Medicine, Surgery and Midwifery; Licentiate of the Royal Society of Apothecaries, &c.*

REVIEWS AND NOTICES.

"To be your own counsel or your own doctor, entails risks that have become proverbial to a degree that prevents much good resolution from taking any benefit or advantage when reasonably offered. Suspicion begets irresolution, and where there is no confidence good results seldom follow. Medical books are a field for the faculty alone, and the public act wisely in refraining from their study. 'Drink deep or taste not the Pierian spring,' is good advice where the uninformed mind, listening to its own apprehensions is oftener ready to imagine than use its cool judgment. There is one class of medical lore, however, that stands in a position somewhat exceptional to our remark, and which treats on disorders and irregularities in which morality is offended. For this reason the patient too often suffers in secret, or pursues in ignorance practices that daily bring him into a more hopeless condition for want of friendly advice. To such we recommend a perusal of the 'Medical Adviser' of Walter De Roos, M. D., of London, an established Physician, graduate and licentiate of all the regular institutions of London and Paris; and who has made nervous disorders and their baneful origin his particular study, and obtained such a practice in this branch of therapeutics as qualifies him to be a safe and competent adviser.—*County Chronicle, May 7th, 1861.*

"The MEDICAL ADVISER, by WALTER DE ROOS, M. D., for the class of diseases upon which it treats is undoubtedly the best and most soundly practical book which has come under our notice. The author is a man of most enlarged experience." —*Derby Telegraph, June 29th, 1861.*

To those who contemplate marriage its perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late.—Cure is certain in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost.

From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated. Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, whilst to all who need such aid he offers every assurance of speedy restoration.

FOREIGN RESIDENTS can be successfully treated by correspondence, on sending the detail of their cases, with a Bank note or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case, may be sent out by next mail, thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR. DE ROOS' GUTTÆ VITÆ OR LIFE DROPS; *Protected by Royal Letters Patent of England; Seals of the Faculté de France; Royal College of Prussia, &c*, have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, languor, lassitude, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business; indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones, and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected become chronic or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles, cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price, 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, by which a saving of £1 12s is effected, will be sent from 25, Bedford Place, only on receipt of the amount per draft on a London house or otherwise.

Extracts from letters which can be seen by any one. "I am happy to say that I am now quite well, thanks to you and your medicine of medicines."—*D. P. St. Asaph.* "I am happy to say that I shall not require more, thank God, and I hope He will reward you for what you have done for me."—*A. C., Hartlepool.* "If my tongue could speak, or my pen could write to express my gratitude to you I should feel happy, but neither tongue nor pen of mine can do so."—*H. A. Birmingham.* "Without you I should have been in my grave, but now I am a happy man again."—*D F.F., Inverness.* "I can never thank you sufficiently; had I never read of the Guttæ Vitæ, where or what I might have been now, I cannot tell."—*W. G., West Pelton.*

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c., have utterly failed. 2s 9d., 4s. 6d., 11s., and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

"I have taken your Pills and always derive great benefit from them."—*W. W. H., Queen's College, Cambridge.* "I have taken your Pills with the most happy result."—*B. H., Cork.* "Your Pills do me great good, I feel better this last twelve months than for years before."—*F. G., Wareham, Ashford.* "Your Pills did me more good than anything I have taken."—*M. J Dursley.* "I have tried your Pills and derived the greatest benefit therefrom."—*T. G., Navy Hotel, St. Helier's.*

CAUTION.— There being highly injurious imitations of the above, sufferers should guard against the recommendation of other medicines by dishonest vendors, who thus obtain a larger profit. To PROTECT THE PUBLIC AGAINST FRAUD, HER MAJESTY'S HON. COMMISSIONERS *have directed that the words* "WALTER DE ROOS, LONDON," *be printed in white letters on the Stamp affixed to the above, to imitate which is felony.*
