SOMETHING NEW.—There has always been great difficulty in getting water-proof coats to fit satisfactorily about the neck and shoulders, for stout and round-shouldered men. You can avoid this and have a perfect fit by leaving your measure with us. We have made arrangements with an English firm to have these coats made on our own patterns, so that we are in a position to warrant a good fit. We can show over 100 samples of the goods from which the coats will be made, ranging in price from \$8 to \$24. Every coat warranted to come the same as sample of goods shown. You can have better material and cheaper than buying ready-made goods.—John McLeod & Co., Merchant Tailors. Aug 27 H

ELECTRIC GLOSS.

FOR cleaning Solid Silver, Nickel, Brass, Copper and Plate Glass. Quick! Sure! Permanent! No dirt, no trouble, no labor. Being entirely free from grit and acids, it cannot injure the most finely burnished surface. It is the only preparation ever produced that will polish brass or copper without the use of acid. Nothing approaches it for removing grease and finger marks from Brass, Copper, Glass, etc.; while for cleaning Nickel or Stoves it is especially useful. Retail price, 25 cents per bottle.

MICA WASH.—This wash is the only thing of the kind ever invented. A stone may be as hard as a jewel and shine like ebony; but smoked mica lights will spoil it all. Day by day mica becomes scarcer and higher in price, and an article that will clean and preserve it is valuable to all concerned. Try this wash once, and you will always use it. Retail price, 25 cents per bottle.

The above household necessities are manufactured by The Electric Gloss Co., Philadelphia, U. S. A., and sold by every respectable Drug gist, Store Dealer, Hardware Merchant and General Dealer in Canada. The Canadian trade supplied by JOHN T. REED, 105 Water Street, St. John, N. B. Aug 6—6m 600
