**THE BRENT.**—The new steamer Brent is having the finishing touches put on her at Navigation Company's wharf. It is expected that she will be ready for her trial trip on Saturday next.

**IN HONOR OF McCARTHY.**—It is stated that movements are on foot in Barris and Collingwood, Ont., to erect monuments in memory of the late Dalton McCarthy. The Barrie monument is to be erected in the post office square.

**HEAVY FLOODS.**—The recent heavy rains in Northern Alberta and in the mountains have caused the Saskatchewan river to overflow its banks. The steamer Northwest has been wrecked and at latest accounts the river was full of miner's shacks, cordwood and lumber. Edmonton was partly flooded.

**A MAYOR MISSING.**—Mayor DeBlois according to one exchange, is still absent from Annapolis. He owes probably \$20,000. It is said that he had been going behind for a number of years, his deficiency being caused by a small income and somewhat extravagant habits. While enjoying the confidence of the community he misappropriated large sums set by him for investment.

**Was Henry the Traitor?**

**BERLIN, August 19.**—The Calogoe Gazette in an evidently inspired article on the Dreyfus court martial says: "As it is impossible to cast shame upon France by believing that witnesses who have held the highest offices of the state are prejudiced ruffians, of their obstinate disregard of publicly-stated facts, is only to be explained by their firm conviction that the facts in the dossier were communicated by an officer of the general staff. That officer could not have been Dreyfus. Suspicion involuntarily points to the late Colonel Henry, who resorted to forgery to strengthen the legend of the guilt of Dreyfus."

So much depends upon the purity of the blood that by taking Hour's Sarsaparilla many different diseases are cured.

**PERSONAL**

Helen Gould's income is the largest of any unmarried woman in the country. She does not spend much on herself. On churches and charities she spends \$100,000 a year.

Healthy happy children make better men and women of us all. A little care and a little planning before birth is often more important than anything that can be done after. On the mother's health and strength depend the life and future of the children. A weak and sickly woman cannot bear strong and healthy children. Most of the weakness of women is utterly inexcusable. Proper care and proper medicine will cure almost any disorder of the feminine organism. Dr. Pierce's Favorite Prescription has been tested in thirty years of practice. It is healing, soothing, strengthening. It is perfectly natural in its operation and effect. By its use, thousands of weak women have been made strong and healthy—have been made the mothers of strong and healthy children. Taken during gestation, it makes childbirth easy and almost painless and insures the well being of both mother and child.

Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary Medical Association, Buffalo, N. Y.
