WEBSTER'S INTERNATIONAL DICTIONARY. The success of the "Unabridged" Ten years ago spent revising, 100 editors employed, and over 500,000 expended.

Everybody should own this Dictionary. It answers all questions concerning the history, spelling, pronunciation, and meaning of words.

A Library in Itself. It recognizes the facts often wanted concerning eminent persons, ancient and modern; noted fictitious persons and places; the countries, cities, towns, and villages of the globe; translation of foreign quotations, words, phrases, and proverbs; etc., etc., etc.

This Work is Irvaluable in the household, and to the teacher, scholar, professional man, and self-educator.

The Globe, Toronto, says: "This dictionary is the best work of its kind in the English language. For every family, the members of which have mastered the art of reading, its purchase will prove a profitable investment."

The Times, Hamilton, says: "This is the best dictionary in the world, and should be in every school and family in Canada."

Have your bookseller show it to you. G. & C. Merriam Co., Publishers, Springfield, Mass., U.S.A.

Scientific Notes. Telephone meter is the new word naming an instrument to register the time of each conversation at the telephone from the time of ringing up the exchange to the ringing-off signal. Such a system would reduce rentals of telephones to a scale according to the service, instead of a fixed charge to a business firm or occasional user alike.

Book Notice. To the many readers and admirers of Ben Hur it will be pleasing intelligence to learn that a new copy of the pen of its author, General Lew Wallace, will soon be issued from the press of Messrs. Harper & Bros. in the United States and England.
