

How Life May be Prolonged.

Poets and novelists go into ecstasies over what they romantically call "beautiful spring," and "gentle spring," and while, no doubt, every one is glad to see winter release its icy grasp, "beautiful spring" is, after all, one of the most deadly seasons of the year.

Old Gentleman (at head of stairs)—Sally, ain't it time to go to bed? Sally—Yes, father dear, don't put it off another minute; your health, you know, is not robust.

Nervous headache, female weaknesses, pale and sallow complexions, suppressions, etc., speedily yield to Dr. Williams' Pink Pills. They enrich the blood, restore shattered nerves, produce rosy cheeks and the glow of health.

Magnus Scott—I don't want your paper. Canvasser—If you will subscribe I'll have a good obituary of you written in the paper when you die.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button."

"Doctor, do you believe in this lymph cure for consumption?" "I'd rather not express an opinion before the inventor is Koch sure of it himself."

CLOSES APRIL 15TH.—THE 1, 2, 3, 4, 5.—The grand prize competition of the Canadian Fireside Weekly, in which 300 valuable prizes are offered, will close on April 15th. In addition, from now until that date a special daily prize will be given for the first correct list received each day.
