Local and Other Items.

FOR DRILL.—The Engineer Corps will meet for drill this evening.

PROVINCIAL TEA at Alberton to-morrow. Don't fail to attend.

AT BARBADOES.—Private advices from Barbadoes report the safe arrival at that port of the Ida Maud, Captain Purdy.

ISLAND HORSES.—The St. John papers report that Mr. McKie, of this city, has arrived in that city with a carload of very choice horses.

POLICE COURT.—The abusive language case of Theo. L. Chappelle vs. Michael J. Dalton, was disposed of this morning. Dalton was fined five cents and costs.

TO ALBERTON.—Some eighty or ninety persons left in the special train for Alberton this morning, and will return this evening. Most of them are attending the session of the Grand Division, S. of T., which met at that place at noon.

AQUATIC.—A London despatch says that a race has been arranged between Henry Searle, the Australian oarsman, and Wm. G. O'Connor, the Canadian champion. They will meet in September.

TALL CLOVER.—A stalk of clover grown from Island seed on the farm of Mr. Alexander McMillan, at Eldon, has been forwarded THE EXAMINER. The stalk measures five-and-a-half feet. It is certainly a splendid specimen of the hay in that vicinity.

VORACIOUS CATERPILLARS.—We regret to learn that an ugly and voracious caterpillar is destroying the hacmatac trees throughout the country. Fortunately the worm confines its operations to the hacmatac,—if not, we should soon mourn the loss of our remaining woods.

RECIPROCITY IN DEGREES.—It is stated that Dr. Hingston, of Montreal, has been requested by the College of Physicians and Surgeons of Lower Canada to continue correspondence looking to reciprocity between the province of Quebec and England in its recognition of medical degrees.

COMPLIMENTARY CABLE.—The leading merchants of Summerside, Messrs. R. T. Holman, Rogers and others, the President and Manager of the Banks, and the citizens of the town, have cabled to Senator Carvell in London, complimenting him upon his appointment as Lieutenant-Governor.

TELEGRAPHIC.—The Anglo-American Telegraph Company are now doing business in their new premises, on the corner of Queen and Water Streets, directly opposite the old stand. The building has been thoroughly refitted and remodeled, and the arrangements throughout are very complete.

THE EVENT OF THE SEASON.—The Provincial Tea to be held at Alberton to-morrow promises to be an immense success. The fare is low, the run through a beautiful stretch of country very pleasant, and the treatment on arrival will be all that the most fastedious might desire. By all means attend.

ICE CREAM CONVIVIAL.—We see that the Salvation army are going to have another special time at their barracks on Thursday evening. Staff-Capt. Southall and wife are farewelling from their division. Captain Archibald and others will be present, and a pleasant and profitable time is expected.

PICNIC.—At this season of the year there are but few places that possess such natural beauty as our own West River. The many shades of color with the varieties of grass and grain, the undulating banks on either side of the water, combine with the winding of the river to make a beautiful piece of scenery. You can enjoy it to-morrow at its very best by going to the Methodist Picnic.

TWO BIG CRUISERS.—The United States navy department has issued proposals for the two 3,000 ton cruisers authorized by Congress. The ships are to have a maximum speed of at least 19 knots an hour, and are to be built according to plans provided or adopted by the navy department, and completed in two years. The cost will be $1,100,000 each.

MEDICAL.—The commencement exercises of the medical department of the University of Vermont were held in the Howard Opera House at that place on Monday evening last. There was a large attendance, and the exercises were very interesting. Dr. W. A. Judson, of Alexandra, Lot 49, was the marshal on the occasion.

VETERANS OF THE WAR OF 1812.—A return to an address of the Senate, dated 19th March, 1889, and just issued by the Queen's printer, gives a list of the veterans of the war of 1812, who received the pensions voted by parliament during the session of 1888. The list comprises 86 names. Of these, 37 reside in Ontario, 42 in Quebec, 3 in the United States, 3 in New Brunswick and 1 in Nova Scotia.

A NOVEL INDICTMENT.—A woman named Mary Brady has recently been indicted by a Hudson County, N. Y., grand jury on a charge of being a common scold. The indictment is based on an old law which has never been repealed, and the penalty prescribed is a ducking stool. Mrs. Brady pleaded not guilty, and was bailed for trial. Whether the punishment prescribed by law will be inflicted, if she should be convicted, is doubtful.

OPENING LETTERS.—Two clerks in the Kingston, Ont., post office—one an old and prominent official—have been suspened. Their offence is the opening of letters, not to extract money, it is said, but to gain knowledge of their contents. The evidence against them is that they expressed in conversation what was in the letters. Their case has been referred to the Postmaster General. It is said that the opening of letters for this purpose has been going on there for some time.

TEMPERANCE.—We understand the visit of the Rev. R. A. Temple, M. W. P. of the National Division, to Prince Edward Division last evening, was highly appreciated by the large number of brethren assembled. The address of the rev. gentleman was not only eloquent but practical and convincing, and can only tend to the greater stability of the grand old Order in Charlottetown and throughout the Island. The M. W. P. this morning accompanied the excursion party to Alberton, and is to-day attending the meeting of Grand Division in that place.

The auction sale of the Double Tenement House and Premises on Upper Hillsborough Street, to-morrow, Thursday, July 18th, at 12 o'clock, noon, offers a good opportunity to secure a pleasantly situated property at a bargain.—A. McNeill, Auctioneer.

SPECIAL DESPATCHES TO THE EXAMINER.

The Wheat Crop.

LONDON, July 16.

Monday's weekly report from Bombay by cable settled the fact that the Indian wheat crop is going to be nowhere at all in the question of the world's 1889 supply. A sudden and anxious effort is being made to get at the facts upon which to base an estimate of what the world's crop will really be like. England and France both promise a harvest considerably better than last year. Spain also will be above the average, and Italy only a trifle under, and Germany east of the tenth parallel is about as good, but there the favorable picture abruptly stops. West of that line the wheat crops have all gone to pieces. The two great exporting countries, Russia and Austro-Hungary, all this year find it difficult to feed themselves. There is, therefore a fearful interest in what the American crop will be like. The shortage over here will be so great that the market will be more at the mercy of the United States than ever before, and the next report from the Washington bureau is regularly watched for, as an indication of how severe a squeeze may be expected. During the last few days Russian wheat has been going up there, and a panic is only prevented by the fact that everybody in America seems so confident.

GRAFTON, Dak., July 16.

The wheat crop of Dakota is thirty million bushels short, caused chiefly by the exceedingly dry weather.

Summoned to Appear.

PARIS, July 16.

Boulauger, Rochfort and Count Dillon, have been summoned to appear within ten days. If they do not appear within twenty days they will be declared outlaws and their property confiscated until they surrender. It is stated that the trial is fixed for August 10. The judgment will be final, no appeal being allowed. The indictment charges the accused with instigating the issue of a manifesto against the Government.

From Wimbledon.

LONDON, July 16.

The winner of the Queen's Prize in the rifle shooting at Wimbledon to-day was Private Reid of the First Lancashire Regiment, his score being 281. The Duke of Cambridge to-day inspected the Canadians taking part in the rifle matches at Wimbledon, and congratulated them upon the loyalty which led them to take part in successive contests at Wimbledon.

Director of Railways.

SHANGHAI, July 16.

The Emperor has decided to issue an edict for the construction of the Tungihow railway. Marquis Tsung has been appointed general Director of all Chinese railways. It is considered almost certain that construction on a large scale will be the policy of the Government.

Another Cashier Disappears.

WICHITA, Kan., July 16.

Edward Paul, cashier of the Pacific Express Co. has disappeared. He has $50,000 of the company's funds with him.

Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of **Ayer's Pills.** Leading physicians recommend these pills for Stomach and Liver Troubles, Costiveness, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no calomel; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

"I have used **Ayer's Pills** for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house."—R. D. Jackson, Wilmington, Del.

Headache,

from which I was long a sufferer.—Emma Keyes, Hubbardston, Mass.
