GREAT ENGLISH REMEDY! The most valuable Spring and Summer Medicine in the World: Dr. Halsey's Forest Wine. Patronized by the nobility and medical faculty of England, and esteemed the most extraordinary medicine in the World. MEDICINE containing molasses or liquorice—like the boasted Sarsaparilla, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrup to give it consistency, but acquires its excellent flavor and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the WILD CHERRY, DANDELION, YELLOW DOCK and SARSAPARILLA, with other valuable plants whose properties are all most effective. Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility and sickness to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended in the strongest terms for all complaints of the stomach, Liver, Kidneys, Nervous Disorders, Billious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from bad blood and impure habit of the system.

SAVED FROM DEATH. Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J. Dr G W Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with dropsy, piles and asthma. My physician had given me up as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs which were greatly swollen became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicine for about a month, the Piles and Asthma were completely cured. The Dropsy, through which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. Yours, respectfully, N MATHEWS. Newark, N J, December 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS' STANDING. New York, January 9, 1848. Dr Halsey—Dear Sir:—Having taken your Forest Wine and Pills to remove a disease of the Liver from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke disparagingly of my case, and tried to persuade me from making use of any advertised remedies; and I doubt not, that there are hundreds who are dissuaded from taking your excellent medicines in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men in flaming advertisements. But, what a pity it is that the deception used by others should be the means of dissuading many labouring under disease from making trial and being cured by your excellent remedies. Humanely speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of Pills, and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies. Yours, &c., JAMES WILTON.

NERVOUS DISORDERS. Are diseases of the mind as well as of the body, usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompanying nervous disorder. The Forest Wine and Pills are an energetic remedy in these complaints. Extracts of a letter from Mr. Joseph C. Paulding, dated Philadelphia, September 7, 1848.

Mr G W Halsey—Dear Sir:—Your Forest Wine and Pills have cured my wife of a dreadful nervous disorder with which she had been affected for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times labouring under the delusion that something dreadful was about to happen her. By the use of four bottles of the Wine, and a box of the Pills—she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever. J C PAULDING. Dr David Marcin, a celebrated practitioner of New York, declared publicly that one bottle of Halsey's Forest Wine contained more virtue than fifty of the large bottles of Sarsaparilla Messrs S S Lampman & Co., one of the largest and most respectable druggist in Syracuse—in a letter says:—"From what they have heard and seen of Halsey's Forest Wine it is an excellent and good medicine, and will undoubtedly become the leading medicine of the day." The Forest Wine is put up in large square bottles, with Dr Halsey's name blown in the glass, \$1 per bottle, or six bottles for \$5. Gum coated Pills, 25 cents per box. Agents are authorized to retail, as well as wholesale, on as favorable conditions as the proprietor, No. 161 Duane St. Corner of Hudson New York. W R WATSON, General Agent. May 28, 1855.
