

NO DOUBT REMAINS

That Dodd's Kidney Pills are the Only Unfailing Cure

For all Kidney Diseases—They Have Cured All Cases for Which They Have Been Tried—No Other Remedy has This Record.

BRIDGEWATER, N.S., Nov. 25.—There can be no doubt in the mind of any unprejudiced man or woman that Dodd's Kidney Pills are the greatest Kidney remedy on earth.

In every township, village, town and city in the Dominion, Dodd's Kidney Pills have been used in cases of Kidney Disease, and every time they have been used they have cured.

If there should be anyone who still doubts that Dodd's Kidney Pills will positively cure Kidney Disease of any form, that person should ask Mr John S Morgan, of this place, what his opinion is.

Mr Morgan has written the story of the case—for he was a victim of Kidney Disease, and was made sound and well by Dodd's Kidney Pills, when the doctors had given up trying to help him.

For eighteen years Mr Morgan endured the terrible agony of this complaint. The doctors could do him no good and patent medicines were worse than useless.

Finally, in despair, he began to use Dodd's Kidney Pills. Almost immediately he was relieved. In astonishment he continued the use of the medicine, and when he had used twenty boxes, health and strength had returned to him.

Dodd's Kidney Pills are sold by all druggists, at fifty cents a box, six boxes \$2.50, or sent, on receipt of price, by The Dodd's Medicine Co, Limited, Toronto, Ont.

A SERIOUS CHARGE.

Libelling Owners of the Mohegan.

LONDON, Nov 23.—Captain Purdy, who was arrested a few days ago charged with criminally libelling the owners of the recently wrecked steamship Mohegan, in having written a letter to the survivors of the Mohegan asserting that the ship had been "put away" in accordance with the orders of the owners, was arraigned in the Criminal Court, "Old Bailey."

In answer to the charge Purdy declared that he would plead justification.

The Common Sergeant said that Purdy's accusation was of a most serious nature, and meant that the owners had deliberately scuttled the ship. The Common Sergeant called the prisoner's attention to the fact that his plea involved a highly technical proceeding, and advised him to reconsider, but Purdy again said that he should proceed on the lines of justification.
