

114th Meeting Of Diocesan Church Society Held Here

The 114th annual meeting of the Diocesan Church Society was held yesterday afternoon in St. Peter's Cathedral Hall, with the president, the Right Rev. Bishop Waterman in the chair. There was a large attendance of clergy and laymen present. The Hon. F.W. Hyndman, Lieut. Governor and Patron of the Society was welcomed, and made a suitable reply. As the Rev. Mr. Ebsary, Rector of Crapaud and Springfield has been transferred to a parish in Nova Scotia the Bishop announced that the Rev. David Minton will succeed him.

Rev. Mr. Ebsary who was chairman of the Church Center committee will be succeeded by Mr. Eric Lowther of Crapaud.

Reports were given by chairmen of the various Departments of the Society.

Rev. Canon Ibbott explained what had already been accomplished by the committee appointed to make arrangements for the Session of the Diocesan Synod which will be held in this City on 4th and 5th of June.

Miss Green, Diocesan youth worker gave a very interesting and instructive address dealing with Christian work and education, mentioning the necessity of home teaching, worship and teaching in the Church schools, edification and the need of follow

up work after confirmation.

Mr. Henthorn of Summerside gave a report of what had been accomplished by the committee on stewardship which was appointed last October. Several of the clergy spoke words of appreciation of what had been accomplished by this committee in their Parishes.

Mr. Henthorn was requested to continue as chairman of the committee, which is composed of a representative from each of the parishes on the Island.

It was announced that the Missionary apportionment of the Island had been paid in full and exceeded.

As the Bishop had to leave to attend a meeting of the Women's Auxiliary, the Venerable Archdeacon Harrison took the chair and after some additional business had been transacted dismissed the meeting with the Benediction.

New Glasgow Jr. Farmers Present Variety Concert

A capacity crowd congregated in the New Glasgow Hall April 18 to witness the first presentation of the Junior Farmers Variety Concert. A sum of \$75 was realized. The next presentation will be in Hunters River Hall on Tuesday, April 22, sponsored by the Hunters River Y.P.U.

The programme commenced by the group singing the Junior Farmers theme song written by Mrs. Wilbur MacKay of Stanley Bridge.

A duet was rendered by Shirley and Clara Arsenault, "My Shoes Key Walking Back to You." Shirley accompanied on guitar.

Two square dances "When You Wore A Tulip" and "Tennessee Gal" were presented in a pleasing manner by 4 couples Elbert and Shirley, Lionelle and Shirley, Charlie and Jean and Melvin and Alma. A skit "Introducing the

1958 model car" caused a great deal of laughter.

Instrumental selections by Shirley Arsenault, Billy Andrew and Horrie Coles was heartily applauded.

"A Date with Molly" a one act play was well acted and proved very entertaining. In her pleasing manner Alma Chandler rendered a solo "Have I Told You Lately That I Love You". During intermission the Ladies of New Glasgow W.I. sold chocolate dips.

Horrie Coles who capably accompanied the song selections on the piano throughout the concert,

ended the intermission with a piano solo.

FASHION PARADE

The fashion parade was the highlight of the evening with all the latest fashions gracefully modeled by carefully selected celebrities.

The male members of the group sang "John Peel".

"The Doctors" a dialogue proved entertaining to the audience. All joined in a melody of old favourites. Clara Arsenault was very graceful in tap dancing selections. Sterling MacRae presented Monologue "Life gets Tedious". The voices of Jean MacRae and Alma Chandler blended in singing "How Great Thou Art".

The chairman told many amusing stories between the items of the programme and expressed the thanks of the group to the attentive audience and to our capable accompanist. The closing chorus and Queen completed the evenings entertainment.
