METHODIST CONFERENCE.

At Friday's session of the Methodist Conference at Moncton Dr. Courtois stated that the 20th century fund now amounted to \$850,000. It is expected that the million mark will be reached by the first of next January. New Brunswick and P. E. Island have contributed over \$30,000.

The official board returns and the amounts raised by the different districts for the connexional fund were submitted. Charlottetown's contribution to the latter was \$4,963.66, a decrease of \$436.80; Summerside, \$2,788.33, an increase of \$32.98. Charlottetown contributed \$10,396.64 for circuit purposes, an increase of \$966.56; Summerside, \$4,653.52, a decrease of \$46.84. For all purposes Charlottetown raised \$20,259.30, and Summerside \$11,451.87. The total amount raised for conference by all the circuits is \$128,850.22. Last year it was \$128,555.06.

Rev. Dr. Stewart and Dr. J. R. Inch were elected clerical and lay delegates, with Rev. G. W. Fisher and Dr. Allison alternates, to represent the conference at the Ecumenical Council in London in 1901. Tributes were paid to ministers who had died during the year. Among these was Rev. D. H. Lodge, of Charlottetown. The secretary was instructed to send letters of sympathy from the conference to the widows of the deceased ministers. The financial statement in connection with educational work showed a total amount of contributions during the year of \$933.44, as against \$1,181.79 last year, a net decrease of \$248.35. The St. John contribution showed an increase of \$6.29 and St. Stephen an increase of \$26.95. All the other districts reported decreases.

ZION CHURCH

Timely Sermon by the Rev. Mr. Laird.

Last night the Rev. Mr. Laird, of Brockville, Ont., occupied the pulpit of Zion Church, and preached a very able sermon from the text, "If I forget thee, O Jerusalem etc." He pointed out that the highest patriotism called for purity in the administration of the laws, as much as in the sacrifice of life on the battlefield in maintaining those principles of British liberty which we now possess. He said the great danger to our country did not lie in the power of the guns of foreign foes, but in the corruption that was rampant in the political life of our country. "We do not," said he, "want men in positions of trust or responsibility that have their price and can be bought." The political atmosphere must be pretty bad when the ministers of the Gospel all over our fair Dominion seem to believe that the pulpit must take a hand in purifying it.

The reverend gentleman's words are so more applicable to Brockville than they are to P. E. Island, and it would be well if his words could be heard by all young men, and his advice, to regard their franchise as sacred as their life, heeded by them at the present time when all the powers of an unscrupulous administration are about to be exercised to retain power.

—The Provincial Government has called in a doctor. The doctor may be professionally skilful, even if politically foolish. But he cannot save a body that is already engaged in the death struggle.

RUNNING FOR COVER.—It is reported in the Provincial papers that Sir L. E. Davies is endeavoring to secure an appointment on the bench of the Supreme Court of Canada. This may be taken as another sign of the down-fall of the Laurier Government, the members of which are beginning to see the handwriting on the wall.

FOR THE CONVENT.—The Empire Tea and Fancy Sale in the hall of the Benevolent Irish Society to-day and tomorrow is for the benefit of Notre Dame Convent. It is promoted by the different societies connected with the Convent, and everything that can be done will be done to make it a success. The various tables are well stocked and no one need come away disappointed.

COMING THIS WAY.—A large number of bicyclists, probably 200, all members of the Providence, Rhode Island, Bicycle club, contemplate visiting the provinces next month. E. Island and New Brunswick, returning to Boston via Halifax and the Plant Line.

A DELIGHTFUL OUTING.—The annual Baptist Sunday School picnic will be held on Wednesday, July 4th, on grounds near West River Bridge. The steamer Southport leaves Ferry wharf at 9.30 a. m. and 2 p. m. Dinner and tea may be had on the grounds, and there will also be a refreshment table well supplied with fruit, confectionery, ice cream, cool drinks, etc. Tickets for the round trip will cost only 15 cents and may be purchased at Moore & McLeod's, Hughes' drug store and at the Ferry wharf. All wishing a cool sail and a pleasant time are invited to attend.

MILITARY CAMP.—The military camp at Brighton begins tomorrow and continues for twelve days. There will be eight companies of the 82nd Regiment and two companies of Artillery in camp. The Artillery will be instructed by Sergt. Sutherland, while Sergeants Byers and Torrance and Corporal Little will look after the 82nd Regiment. Companies 1, 2, 3, 4 and 5 of the 82nd Regiment will arrive in Charlottetown at one o'clock and No's. 7 and 8 at 2.25. They will be met at the station by the 82nd Regt. Band and escorted to camp. Col. Moore will be camp commandant.

MASONIC CELEBRATION.—The Masons of Charlottetown yesterday celebrated the Feast of St. John the Baptist by attending service in St. Paul's Church, where an able sermon was preached by Rev. Leo Williams and a choice musical programme furnished by the choir under the direction of Bro. Samuel N. Earle. The parade to and from the church was viewed by hundreds of citizens. The music by the 82nd Regt. Band was excellent. The procession was large and presented a splendid appearance. After the service at the church a delegation of the brethren visited Bro. Dr. James McLeod, who has been very ill for some time past, and the band played "God be with you till we meet again."
