

# DAILY MARKET QUOTATIONS

**By THE CANADIAN PRESS**  
**Toronto** — Market higher, late rally.  
**New York** — Market lower; international oils decline.  
**Montreal** — Market mixed in moderate trading.

## CURRENCIES

**MONTREAL (CP)** — The U.S. dollar closed Tuesday at a discount of 4-3/32 per cent in terms of Canadian funds, down 3-3/16 from sterling \$2.68, down 5-16.

## TORONTO

**TORONTO (CP)** — Western oils parked the stock market to a high Tuesday in moderate trading.

Western oils staging their biggest single session advance since July 7 sent their index to a new high for 1953 with a 3.57 point increase to 139.15. The previous high occurred on June 4 at 138.13.

The middle-east crisis was responsible for the sudden interest in oils as investors hoped any sudden cut in oil supplies from the middle-east would lead to increased sales of Canadian oil.

The big winner was Trans-Mountain Pipe Line up 6 points to 61 3/4. B.A. Oil gained 1 1/4 at 41 and Pacific Petroleum 1 1/4 to 49 1/2. Pembina at 9 and Royalite 1 1/4 each added 7/8.

Golds were down a few decimal points in light trading. Base metals added over one-quarter point.

Base metals were mixed with losses and gains about balancing. International Nickel adding 1 1/2 to 74 1/2 gave the section its gain.

Index changes: Industrials up 1.61 to 454.13; golds off .15 to 81.68; base metals up .29 to 122.80 western oils up 3.57 to 139.15.
