P.E.I. Art Society Adopts Committee Painting Report

A report of the teacher committee on a painting program was adopted last night at the opening fall meeting of the P.E.I. Art Society. The meeting was held in P.W.C. hall.

The report recommended: That an eight week course in painting commence Oct. 23rd. That sessions be held from 7:30 to 9:30 at P.W.C. on Thursday evenings.

That water color, oils or other media be taught as desired.

That the course be divided into four phases, taught in the following order: Composition to be taught by Doris MacKay; Color by Mrs. Gass; Perspective by Eleanor Lowe, and Technique by Barry Bugden.

That a fee of \$8.00 including membership be charged.

That Mrs. Creelman act as substitute teacher in case of un-

Further, when the sentence of the individual committed to this centre has terminated, the Government should, if possible, absorb the individual in its work and retain him or her until such time as he or she receives permanent employment elsewhere, and that during the time that the sentence is being served the prisoners be taught a trade in order to better their position upon return to normal life.

OTHER CENTRES

In conclusion the resolution stated that in lieu of providing a treatment and rehabilitation centre as mentioned above, this Province work in conjunction with other Maritime Provinces in an endeavor to establish such treatment and rehabilitation centre elsewhere to which our prisoners could be sent.

Introducing the resolution, Councillor Haslam pointed to the Dominion-Provincial conference which is being held dealing with a proposed program for penal reform in Canada. It was his thought that the conference would deal with matters referring to Criminal Law as covered by the Criminal Code. He felt that the time was appropriate to give consideration to the welfare of those convicted under the Provincial Law.

Province Goes

The Highways Minister also pointed out that the regular annual work of sub-grading, maintenance, bridge building and completion of unfinished sections of the Trans-Canada Highway continued without any slackening in pace while the new paving projects were under way during the year.

EVERYONE BENEFITS

"These all-weather roads which we are now building," said Mr. MacKay, "will link almost every community in the Province with the main network of paved highways which stretch across the Island."

"Socially and economically they will improve the lot of our rural residents in the outlying districts. But not only will our farmers and fishermen benefit from the program—the improved highways will be a great boon to our important tourist industry by providing smoother motoring for our

Montague Town Council Discusses Paving Program

MONTAGUE — At the Montague Town Council meeting held in the Council Chambers last night, Mayor Bruce H. Yeo and a full slate of councillors held a lengthy discussion on the street paving program which is now in full swing.

The paving of the Main Street curb area is nearing completion and parts of Fraser, School, Rink and Queen's Road have been paved.

Gaul Street is to be widened and other streets will be gravelled before winter.

The streets committee reported that lawns which were damaged by the laying of asphalt would be repaired shortly.

The minutes of the last meeting and special meetings were read and committee reports presented.

Montague Town Councillors are: Charles Fraser, John Hughes, Arnold Vanidestine, Gilbert Clements, Frank Greene and Claude Nicholson. Town Clerk G. Arnold Wightman.

Montague Man Is Acquitted On Assault Charge

A Montague man, appearing before County Court Judge C. St. Clair Trainor on Friday, charged with indecent assault on a female, was acquitted of the charge.

The accused was committed to trial by a judge and jury when he pleaded not guilty to the charge before Magistrate K.M. Martin in City Police Court.

The Crown was represented by Crown Prosecutor J.P. Nicholson. R.R. Bell, Q.C., appeared for the defence.

Couple Honoured At Whim Road

KILMUIR — A very enjoyable evening was spent on September 26th when the people of Kilmuir and vicinity gathered at the Whim Road Hall to honor Mr. James Hume and his bride-to-be, Miss Margaret Finlayson, both of Kilmuir, prior to their marriage.

Upon entering the room, the young couple were seated at the gaily decorated table. Gifts, of which included kitchenware, linens and money, were opened by Mrs. Richard Campbell and the accompanying good wishes were read by Mrs. Ralph Annear.

Mrs. Bruce Lecco arranged the many lovely and useful gifts. Jimmy and Margaret graciously thanked all present.

YOU CAN AFFORD TO FORGET—IMPERIAL CAN'T

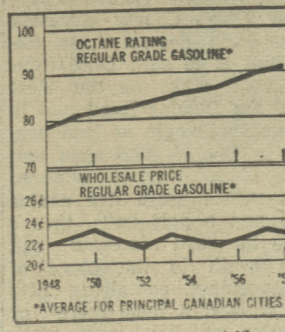

... because four generations of Canadians have come to depend on Imperial products on the road, on the farm, in the home.

Imperial started supplying Canadians with oil products in the very early days of the industry in Canada... in fact, 1880 was the year it made its start in this business.

In most areas of Canada, it was an Imperial refinery which first began making oil products locally.

Imperial pioneered, too, in supplying Canadians with products when and where they were needed. (As far back as 1907, Imperial opened the first service station in Canada... and perhaps in the world.)

Today, as over the past 78 years, Imperial recognizes its responsibility to bring Canadians the most modern of oil products at the lowest possible price.
