

The News Boy's Address Established 1845.

To the Patrons of the "SUMMERSIDE JOURNAL," January 1st, 1869.

Rap, tap! Rap tap! The Newsboy come, Not in his usual quiet way, To carry you the paper home, Without a single word to say.

For every week, with honest pride, I've placed before your eager eyes, The BEACON LIGHT of Summerside, Our JOURNAL filled with maxims wise.

Wild war in Africa has raged, And loud the British cannons' roar Was heard where brave Napier engaged Bold Abyssinian Theodore.

But while o'er Africa's sunny land, The dark dense cloud of war was spread, Thousands on "India's coral strand," Were famishing for want of bread.

On local themes, I need not speak, And I may give the reason why, You read your JOURNALS every week, And therefore know as well as I.

And how McMillan, honest soul, Did almost run his Rival blind, And first and foremost reached the goal

Most people are two-faced. Nearly all of us, no doubt, regard ourselves as exceptional to any such statement. No matter what other people may be—whether two, three, or a dozen sided—we fancy ourselves open, honest, frank, sincere.

"Mrs. Jenkins," said a little redheaded girl, with pug nose and bare feet, "Mother says you will oblige her by lending her a stick of fire-wood—fillin' this cruet with vinegar—puttin' a little soft soap in this pan—

"I have come for my umbrella," said the lender of one of these articles on a rainy day to his friend. "Can't help that," exclaimed the borrower. "Don't you see that I am going out with it?"

THE CHURCH UNION.

THIS Paper has been recently enlarged to mammoth proportions. IT IS THE LARGEST RELIGIOUS PAPER IN THE WORLD. It is the leading organ of the Union Movement, and opposes ritualism, close communion, exclusiveness and church caste. It is the only paper that publishes HENRY WARD BEECHER'S Sermons, which it does every week, just as they are delivered—without qualification or correction by him. It advocates universal suffrage; a union of christians at the polls; and the rights of labor. It has the best Agricultural Department of any paper in the world; publishes stories for the family, and for the destruction of social evils. Its editorial management is impersonal; its writers and editors are from every branch of the church, and from every grade of society. It has been aptly termed the freest organ of thought in the world.

Such a paper, offering premiums of Sewing Machines, Dictionaries, Appleton's Cyclopaedia, Pianos, Organs for Churches, etc., makes one of the best papers for canvassers in the world.

Every congregation may obtain a Communion Service, an Organ, a Melodeon, a Bible, or a Life Insurance Policy for its Pastor, or almost any other needful thing, by a club of subscribers.

Send for a copy, enclosing 10 cents, to HENRY E. CHILD, 41 Park Row, New York.

INK. INK. INK. CARTER'S Combined Writing & Copying INK!

THIS COMBINATION INK has been awarded the highest premiums over all others in the United States, and pronounced by the most celebrated Chemists the best ink ever offered to the public.

It is used by many of the largest commercial houses, Banks, Railroads, and other Corporations, and gives perfect satisfaction.

The Advantages of this over other Inks, are: First.—It flows freely from the pen, and does not thicken by exposure to the air.

Second.—It will give a perfect and instantaneous copy.

Third.—It will not mould.

Fourth.—Being equally as good for copying as for book-keeping, it entirely does away with the use of two kinds of ink.

Fifth.—It is more permanent than common Inks.

Sixth.—The color, when first written, is a beautiful dark green, but in a remarkably short time it changes to a brilliant jet black—not a brownish black.

Seventh.—It is admirably adapted to the most delicate writing, and always "makes its mark."

The Ink is warranted to flow as freely as any other writing fluid now in use; to give as perfect a copy as any copying Ink; and not to mould.

This Ink is for sale at HARVIE'S BOOKSTORE, Queen Street, Ch' Town, Nov 4, '68.
