## THE ENGINEER'S BI-WEEKLY

This page is humour for the sake of humour. The opinions expressed here are not necessarily the opinions of The Gem or the Engineering Society and may not necessarily be opinions at all. Any fools who take this page seriously and offend themselves should start trying to develop a sense of humour.

### Horny The Engineer Says...

The Elite Terror Troops.

Where do they come from?

We all remember our teachers in school. They were either sickeningly "hip" or they were members of the Elite Terror Corps.

The teachers falling all over themselves to be "in" were failed writers, failed lawyers and usually failures in general but where do those slimy old crabs of the Elite Terror Corps come from?

They come from here. That's right, here!

Upon entering Education year at UPEI, students opt for the regular program or the "special" program. Those choosing the "special" program are whisked away (leaving no stains) to Camp X, where they are trained to be the worst they can be.

Special Program students are trained to speak in annoying squeaky voices, to rake chalk across a chalkboard just right so as to produce a deafening squeel of tortured calcium, and to cover tests with illegible red scrawls to torture vulnerable students.

Then they are subjected to electroshock, mental conditioning, plastic surgery, and have gravel implanted in their brains. Next, they are indoctrinated into the Terror Troops, and each is assigned to a different regiment. Regiments include the Old Bat Squadron, the Battleaxe Armoured Group, the Bitches of Death, and the elite Red Ink Brigade.

Remember that perverted old man who made all the girls sit by the open windows in Winter? The wrinkled old bag with the wig who made you colour in all your science lab-book diagrams? The goofy old duffer who detonated that lab experiment in your face and ruined your new white sweatshirt? The ancient crone who wore three pounds of makeup and bestowed upon you an endless hatred of Ecology?

Well, they came from here.

God help us all.

*What the Heck is That Doing here?*
