"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the properties of well-selected Cocoa, Dr. Epps has provided our breakfast tables with a delicately flavored beverage which will save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to seize upon our weakness. We may escape many a fatal ailment by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

USE SKODA'S DISCOVERY, the great blood and Nerve Remedy.
'KRATEFUL, PLEASING RELIEF AFTER MANY DAYS.

How a Queens County Man Found Permanent Healing.
His Own Experience Tells Fully and Freely some Truths which All Readers of this Paper Should Know.

Here and there, in almost every town of our province, are "chronic" cases over which doctors disagree; cases that become worse year after year. It is to reach such of the gentlemen to whom these lines refer, and whose portrait is here given, has written the story of his case.

Mr. Branscomb's home is in Chipman, Queens Co., N. B. It was there that a representative of the Groder company called upon him, Sept. 1st, of the present year. His greeting was most cordial. He gladly acknowledged his thanks, giving expression to the following statement:

"It is five years since I first became afflicted with a form of indigestion. Last winter it became more severe, developing into chronic diarrhoea. I cannot tell you how much I suffered for SIX LONG WEEKS. It seemed as though relief could not be found. You will remember how I told you of my condition and asked your advice about taking a bottle of GRODER'S SYRUP. You told me that the medicine was a laxative and might not meet my needs. I delayed buying for a few hours until I began to hope that it would help me. Even my clothes seemed a burden because of bloating of stomach. It was with difficulty that I kept about sufficiently to attend to my business.

But I am a well man now from the use of your remedy. In three days after I bought GRODER'S SYRUP the terrible pain and distress across my stomach were removed. My bowels rapidly assumed a natural, healthy condition. Now I eat and drink as well as I ever could. I have gained constantly in flesh since March last. I am perfectly cured.

It seems a duty for me to state my case fully, that others who suffer as I did may know where to find a cure."

Truly yours,

What is
CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curls, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effects upon their children."
Dr. G. C. Osmond, Lowell, Mass.
"Castoria is the best remedy for children of which I am cognizant. I hope the day is not far distant when mothers will consider the interest of their children, and use Castoria instead of the various quack nostrums which are destroying the loved ones, by forcing opium, morphine, soothing syrup and other harmful agents down their throats, thereby poisoning them to premature graves."

TEA! TEA!
Our TEA TRADE last season was the largest for some years, and we attribute it to the BETTER VALUE than we offered the public suited them both in QUALITY and PRICE.

Numbers of our customers have come back to us this Fall, and told us that if we could give them as good value this year as we did last year they would want no better. We believe that WE CAN give them, and everyone else who favors us with an order, BETTER VALUE than even last season, as this year's crop of Tea seems to run more even than last year's and having bought a much larger stock of it this year, we were in a position to buy it at very close figures.

We don't advertise to sell Cheap, Shoddy Teas, as we don't keep them at all, and would not sell them at any price; but we believe we do sell the best 20, 24 and 28 cent Teas in the city to-day. We make reductions off above prices on quantities of five pounds and upwards. Every Pound of Tea sold warranted by
