Two Women Receive Citizenship Papers

—Yesterday morning, at an adjourned sitting of the County Court, Judge L. G. Lewis presiding, the wives of two Summerside citizens were granted their Canadian citizenship papers. They were Mrs. Gale Chan, wife of Edward Chan and Mrs. Diane Chan, wife of Mr. George C. Chan, the former is a native of Hong Kong while the latter is a native of Canton, China.

In granting their application, Judge Lewis told them that while they gain their citizenship they, at the same time, must renounce all loyalties and service to any other government. He said that when one takes on the bond of Canadian citizenship they swear that they will faithfully observe the laws of Canada and fulfill their duties as a Canadian citizen.

Mr. Morley M. Bell, K.C., and Mr. W. Chester MacDonald also spoke and added their congratulations to the new citizens, reminding them of the privileges they now enjoyed as citizens of this country.—S.

Former Residents Are Welcomed To Summerside

Old friends are extending a welcome home to two former residents of Summerside, Miss Alice Crue and her sister, Mrs. S. H. Ayala (Clara Crue), who are paying a visit to their home town after an absence of 29 years. They are the guests of their brother, Mr. L. B. Crue and Mrs. Crue, Winter Street. Since leaving the Province they have resided in Equador, South America. Mr. Ayala, who accompanied them on their visit, is the president of the railroad in Equador and also operates a 1,200-acre farm on which he specializes in raising pure bred Holstein cattle. This is his second visit to Prince Edward Island, having been here before when Mrs. Ayala and Miss Crue paid their last visit to Summerside.

Miss Crue and Mrs. Ayala, commenting on the many changes which have taken place since leaving here, stated that the old home town was barely recognizable. So many familiar landmarks have disappeared and replaced by new modern buildings that the town now presents the appearance of a modern American town.

Old acquaintances, too, have either moved or passed away and very few they have met so far are known to them.

They plan on remaining for a few days after which they will return to Equador.—S.

Margate Officer Returns To Active Duty With Navy

Lieutenant - Commander Donald R. Baker of Margate is reporting to H.M.C.S. Queen Charlotte today to return to active duty with the navy. Lieutenant-Commander Baker, a son of the Hon. C.C. Baker, Minister of Agriculture, is a former commanding officer of the Queen Charlotte and served four years at sea during the war.

After attending Prince of Wales College and being graduated from Mount Allison University, he joined the Air Force in the spring of 1940 to train as a pilot. When a medical board found him unfit for flying duties, he was discharged from that service and joined the navy with the rank of provisionary sub-lieutenant.

After undergoing training in Halifax he was drafted to the mine sweeper, Drummondville, and later was transferred to the Clayquot, another minesweeper. He commanded this ship for two months and early in 1944 was given his own ship, the minesweeper Nipegon. He later was given command of one of the new corvettes, the Frontenac, and he retained this command till he left her at Sorel, Quebec in July, 1945, to be decommissioned.

Lieutenant - Commander Baker then took his discharge and in 1946 was appointed commanding officer of H.M.C.S. Queen Charlotte in the naval reserve. He held this command for a year and a half and then went on the retired list. Since the termination of his active service he has been engaged in farming at Margate. His wife is the former Jean MacEachern of Charlottetown and they have four children. — S
