

Easter Services Held in Alberton

ALBERTON — The message of the resurrection was proclaimed in all Alberton churches Sunday. Joyous Easter hymns were sung and beautiful Easter flowers and other springtime fillers gave their silent assurance of new life to come.

At the Sacred Heart Church, Good Friday the solemn liturgical service of the passion and death of the Lord began at 3:30 p.m. It consisted of the lessons, the orations, adoration of the cross and holy communion.

On Holy Saturday the Easter vigil service opened with the blessing of the new fire and the paschal candle followed by the reading of the prophecies, the litany of the saints sung by the choir and the blessing of the Easter water.

The sacrament of baptism was administered at 7 p.m. Marie, infant daughter of Mr. and Mrs. Richard Mullally. This was followed by the public renewal of baptismal vows. The service concluded with the mass the resurrection, holy communion and lauds.

At 9:30 Easter morning a low mass was celebrated by Rev. Gerald Steele.

In Alberton Presbyterian Church, Easter morning worship was conducted by J. Donald Ross. In his Easter message he emphasized the love of God and the trust we should place in him.

"The Light of the World" was sung by the choir with Mrs. Lloyd Wilkie as organist.

In the United Church of Canada morning worship was led by Rev. David MacDonald who spoke on the message of the resurrection and the joy it should remove all fear of death. The organist was Miss Annie Leard.

Holy communion was celebrated at St. Peter's Anglican Church, Sunday evening. The service was conducted by the rector, Rev. M.R. Ness.

Liberals Seem Naming New Lieut.-Governor

By RALPH CAMERON Guardian-Patriot Staff Writer

The likelihood that Lester B. Pearson will head a new Liberal government at Ottawa sometime this week, has led to new speculation regarding the appointment of a lieutenant-governor for this province.

The term of Lieutenant-Governor F. Walter Hyndman has expired, but as is customary he remains in office until such time as a successor is named from Ottawa.

Long rumored for the post was Premier Walter R. Shaw, but it is now believed the recent federal election result placing the Progressive Conservative government in a precarious position will make it difficult for a former planned action on naming a successor.

It is thought unlikely Governor Vanier would accept a nomination for such an important position from a government which obviously lacks either popular or parliamentary support.

SHAW NOT INTERESTED Premier Shaw has virtually admitted he did not now expect to be named. Asked by the Patriot when his appointment would be announced, he denied the possibility and said, "I'm not interested now."
